- legal advisory and representation services concerning family law
- legal advisory and representation services concerning immigration and refugee law
- legal advisory and representation services concerning intellectual property law
- legal advisory and representation services concerning labour and employment law
- legal advisory and representation services concerning real estate and construction law
- legal advisory and representation services concerning wills, estates and trusts law
- legal services concerning Aboriginal treaty rights or claims
- legal services concerning adoption

771113 Legal support services

This subclass comprises patent and trademark office representation services; and legal document filing and search services, process serving services, and notarization and certification services, not bundled with legal services, arbitration or mediation services, or with patent and trademark prosecution services.

7711131 Legal support services

Patent and trademark office representation services; and legal document filing and search services, process serving services, and notarization and certification services, not bundled with legal services, arbitration or mediation services, or with patent and trademark prosecution services.

Illustrative example(s)

- Bankruptcy and Insolvency Act search or filing services
- certification of patents
- certification of trademarks
- certifying the identity of individuals
- civil registry search services
- copyright deposit or search services
- drafting of copyright specifications or claims

- drafting of patents specifications or claims
- drafting of trademarks applications
- notarization of translations
- real estate transaction closing services
- swearing of affidavits

Exclusion(s)

- environmental licensing and permitting services (see 7761357 Other environmental services, n.e.c. (except engineering))

77121 Accounting, tax preparation, bookkeeping and payroll services

This class comprises auditing and other assurance services; tax preparation and representation services; and bookkeeping, financial statement compilation, and payroll services.

771211 Auditing and other assurance services

This subclass comprises financial auditing services; financial statement review engagements and agreed-upon procedures for financial information; other financial assurance services; and non-financial assurance services.

7712111 Financial auditing services

Auditing of financial statements and examination of accounting records and other supporting evidence for the purpose of expressing an opinion as to whether financial statements are presented fairly in accordance with an appropriate, disclosed basis of accounting.

7712113 Financial statement review engagements and agreed-upon procedures for financial information

Review engagements, with or without compilation services, to assess whether the financial statements being reported on are plausible within the framework of the appropriate criteria; agreed-upon procedures engagements to provide reports on the results of applying client-specified procedures to financial information.

7712114 Other financial assurance services

Other financial assurance and related services.

7712115 Non-financial assurance services

Audits, reviews and agreed-upon procedures performed in relation to non-financial matters. Findings are typically conveyed in a written report.

Illustrative example(s)

- assessing compliance with agreements
- auditing or reviewing of standards
- certification of compliance of public sector entities with legislative and related authorities
- certification of internal control procedures
- reporting about electronic commerce practices
- reporting on application of accounting principle
- reporting on computer system reliability
- statutes and regulations certification services
- value-for-money auditing of public sector entities

771212 Tax preparation and representation services

This subclass comprises services related to tax preparation and representation at audits and appeals for individuals and unincorporated businesses as well as for corporate and other clients.

7712121 Tax preparation and representation services for individuals and unincorporated businesses

Services related to tax preparation and representation at audits and appeals for individuals and unincorporated businesses.

Inclusion(s)
- compilation of financial statements for individuals and unincorporated businesses when provided as a package with tax preparation for a single fee

Illustrative example(s)
- filing of tax returns for individuals
- filing of tax returns for unincorporated businesses
- preparation for and representation at tax audits and appeals for individuals
- preparation for and representation at tax audits and appeals for unincorporated businesses
- preparation of supplementary documents associated with tax returns for individuals
- preparation of supplementary documents associated with tax returns for unincorporated businesses
- preparation of tax returns for individuals
- preparation of tax returns for unincorporated businesses

7712122 Tax preparation and representation services for corporate and other clients

Services related to tax preparation and representation at audits and appeals for corporate and other clients.

Inclusion(s)
- compilation of financial statements for corporate and business clients when provided as a package with tax preparation for a single fee

Illustrative example(s)
- filing of tax returns for corporate and other business clients (except unincorporated businesses)
- preparation for and representation at tax audits and appeals, for corporate and other business clients (except unincorporated businesses)
- preparation of tax returns for corporate and other business clients (except unincorporated businesses)
- review of corporate tax returns prepared by others

771213 Bookkeeping, financial statement compilation, and payroll services

This subclass comprises financial statement compilation services; bookkeeping services; and payroll services.

7712131 Accounting services (except bookkeeping and payroll services)

Financial statement compilation services whereby an accountant receives information from a client and arranges it into the form of a financial statement. The accountant assures that the assembly of information is arithmetically correct. However, the accountant does not attempt to verify the accuracy or completeness of the information provided, and no endorsement or expression of assurance is provided.

Inclusion(s)
- combinations of bookkeeping and compilation services and one or both of payroll and taxation services

Illustrative example(s)
- preparation of financial statements

- preparation of management accounting reports

Exclusion(s)

- bookkeeping and compilation combined with payroll calculations only (see 7712132 Bookkeeping services)
- compilation combined with tax preparation for corporate and other clients (see 7712122 Tax preparation and representation services for corporate and other clients)
- compilation combined with tax preparation for individuals and unincorporated businesses (see 7712121 Tax preparation and representation services for individuals and unincorporated businesses)

7712132 Bookkeeping services

A service consisting of general transaction entry with respect to purchases, sales, receipts, payments, and various account items. May include payroll calculation services.

Inclusion(s)

- bookkeeping and financial statement compilation combined with payroll calculations only

Illustrative example(s)

- billing of accounts receivable
- collection of accounts receivable
- maintenance of all journals and ledgers
- preparation of trial balances or bank reconciliations
- processing of accounts payable
- production of management information reports

Exclusion(s)

- combinations of bookkeeping and compilation and payroll services, where payroll services involve more than payroll calculations (see 7712131 Accounting services (except bookkeeping and payroll services))
- payroll services alone (see 7712133 Payroll services)

7712133 Payroll services

Administration of financial records of employees' salaries, wages, bonuses, net pay, and deductions.

Illustrative example(s)

- cheque preparation services for payroll
- direct deposit management services for payroll
- filing payroll reports
- offline payroll processing services
- online payroll processing services
- preparation, viewing and storage of payroll ledgers and reports, and other payroll documents
- remission of taxes and other deductions and contributions
- withholding deductions for payroll

Exclusion(s)

- payroll calculation services combined with bookkeeping services (see 7712132 Bookkeeping services)

772 Architectural, engineering and related services

This group comprises architectural services; engineering services; surveying and mapping services; and other services related to architecture and engineering.

77211 Architectural services

This class comprises architectural services, including the provision of architectural designs, plans and studies; advisory services; construction documents; construction contract administration; landscape architecture services; and urban planning services.

772111 Architectural services for residential building projects

This subclass comprises architectural services for residential building projects, including the provision of architectural designs, plans and studies; advisory services; construction documents; and construction contract administration.

Exclusion(s)
- architectural services for historical renovations (see 7721131 Historical restoration architectural services)

7721111 Architectural services for single-family residential projects

Architectural services provided for single-family residential building projects.

Inclusion(s)
- architectural services for townhouses with a floor-to-ceiling wall between each unit

Illustrative example(s)
- design of single-family homes in subdivision developments
- preparation of measured drawings for the (non-historical) renovation of single-family residential buildings

Exclusion(s)
- architectural services for historical renovations (see 7721131 Historical restoration architectural services)
- construction management services (see 6721111 Construction services)

7721112 Architectural services for multi-family residential projects

Architectural services provided for multi-family residential building projects.

Inclusion(s)
- architectural services for mixed-use (predominantly residential) building projects

Illustrative example(s)
- architectural design for apartment block projects
- preparation of measured drawings for the (non-historical) renovation of multi-family residential buildings

Exclusion(s)
- architectural services for historical renovations (see 7721131 Historical restoration architectural services)
- architectural services for nursing home building projects (see 7721124 Architectural services for health care building projects)
- architectural services for university and college dormitories (see 7721126 Architectural services for educational building projects)
- construction management services (see 6721111 Construction services)

772112 Architectural services for non-residential building projects

This subclass comprises architectural services for non-residential building projects, including the provision of architectural designs, plans and studies; advisory services; construction documents; and construction contract administration.

Exclusion(s)
- construction management services (see 6721111 Construction services)

7721121 Architectural services for office building projects

Architectural services for all types of office buildings.

Inclusion(s)
- architectural services for mixed-use (predominantly commercial) building projects

Illustrative example(s)
- architectural services for office parks

Exclusion(s)
- architectural services for medical and dental office buildings (see 7721124 Architectural services for health care building projects)
- construction management services (see 6721111 Construction services)

7721122 Architectural services for retail and restaurant projects

Architectural services for retail and restaurant building projects.

Illustrative example(s)
- architectural services for gas stations
- architectural services for shopping centres

Exclusion(s)
- construction management services (see 6721111 Construction services)

7721123 Architectural services for hotel and convention centre projects

Architectural services for buildings providing temporary overnight accommodations, and for convention centres.

Illustrative example(s)
- architectural services for motels
- architectural services for resorts

Exclusion(s)
- construction management services (see 6721111 Construction services)

7721124 Architectural services for health care building projects

Architectural services for buildings used in providing health care.

Illustrative example(s)
- architectural services for health clinic building projects
- architectural services for hospice projects
- architectural services for hospital building projects
- architectural services for medical office buildings
- architectural services for nursing home building projects
- architectural services for respite care centre projects

Exclusion(s)
- construction management services (see 6721111 Construction services)

7721125 Architectural services for entertainment, recreational and cultural building projects

Architectural services for entertainment, recreational and cultural building projects.

Illustrative example(s)

- architectural services for aquariums
- architectural services for arenas
- architectural services for cinemas
- architectural services for community centres
- architectural services for health clubs
- architectural services for monuments
- architectural services for museums
- architectural services for stadiums
- architectural services for swimming pools
- architectural services for theatres
- architectural services for zoos

Exclusion(s)

- construction management services (see 6721111 Construction services)

7721126 Architectural services for educational building projects

Architectural services for educational building projects.

Inclusion(s)

- architectural services for day-care centre projects
- architectural services for dormitories on college and university campuses

Illustrative example(s)

- architectural services for college building projects
- architectural services for high school building projects
- architectural services for postsecondary building projects
- architectural services for primary/elementary school building projects
- architectural services for university building projects

Exclusion(s)

- construction management services (see 6721111 Construction services)

7721127 Architectural services for industrial building projects

Architectural services for industrial building projects.

Illustrative example(s)

- architectural services for manufacturing plants
- architectural services for mine buildings
- architectural services for processing and assembly buildings

Exclusion(s)

- construction management services (see 6721111 Construction services)

7721128 Architectural services for transportation and distribution facility projects

Architectural services for transportation and distribution facility projects. These buildings include those involved in the movement of goods and people and the storage of goods.

Illustrative example(s)
- architectural services for airport terminals
- architectural services for bus stations
- architectural services for distribution centres
- architectural services for train stations
- architectural services for truck terminals
- architectural services for warehouses

Exclusion(s)
- construction management services (see 6721111 Construction services)

7721129 Architectural services for other non-residential building projects

Architectural services provided for other non-residential building projects.

Illustrative example(s)
- architectural services for churches
- architectural services for courthouses
- architectural services for justice system building projects
- architectural services for military building projects
- architectural services for mosques
- architectural services for police stations
- architectural services for prisons
- architectural services for religious building projects
- architectural services for specialized public building projects
- architectural services for synagogues

Exclusion(s)
- construction management services (see 6721111 Construction services)

772113 Historical restoration architectural services

This subclass comprises architectural services that incorporate legal requirements to preserve or restore the historic character of a building.

Exclusion(s)
- construction management services (see 6721111 Construction services)

7721131 Historical restoration architectural services

Architectural services that incorporate legal requirements to preserve or restore the historic character of a building.

Illustrative example(s)
- preparation of architectural sketches for historical restoration projects
- preparation of measured drawings for the historical restoration of buildings

Exclusion(s)
- construction management services (see 6721111 Construction services)

772114 Architectural advisory services

This subclass comprises expert-witness services, and provision of advice, studies and reports, on architectural matters.

7721141 Architectural advisory services

Expert-witness services, and provision of advice, studies and reports, on architectural matters.

Illustrative example(s)
- expert-witness services related to architectural building services
- serving on an architectural jury

772115 Landscape architectural services

This subclass comprises landscape architectural services for the design of the built landscape, including designs, plans and studies; advisory services; construction documents; and construction contract administration.

7721151 Landscape architectural services for residential building projects

Landscape architectural services for residential building projects, complete projects or phases of a project.

Illustrative example(s)
- landscape architectural services for private residences
- landscape architectural services for residential subdivision projects
- landscape architectural services related to apartment block projects
- landscape architectural services related to low-income housing development projects

Exclusion(s)
- construction management services (see 6721111 Construction services)

7721152 Landscape architectural services for non-residential building projects

Landscape architectural services for non-residential building projects, complete projects or phases of a project.

Illustrative example(s)
- landscape architectural services for nursing home building projects
- landscape architectural services related to arena projects
- landscape architectural services related to convention centre projects
- landscape architectural services related to educational building projects
- landscape architectural services related to health care building projects
- landscape architectural services related to hotel projects
- landscape architectural services related to justice system building projects
- landscape architectural services related to motel projects
- landscape architectural services related to stadium projects

Exclusion(s)
- construction management services (see 6721111 Construction services)

7721153 Landscape architectural services for recreational and open-space projects

Landscape architectural services for recreational and open-space projects, complete projects or phases of a project.

Illustrative example(s)
- landscape architectural services for public squares
- landscape architectural services for restoration of natural areas
- landscape architectural services for restoration of wetlands
- landscape architectural services for transportation corridors
- landscape architectural services related to baseball fields (except when enclosed by a building)
- landscape architectural services related to golf course projects

- landscape architectural services related to golf resorts that include hotel accommodation
- landscape architectural services related to ski resorts that include hotel accommodation
- landscape architectural services related to soccer fields (except when enclosed by a building)
- landscape architectural services related to streetscape projects
- landscape architectural services related to vacation resorts that include hotel accommodation

Exclusion(s)

- construction management services (see 6721111 Construction services)

7721154 Landscape architectural services, specific elements

Landscape architectural services for specific features of a project, such as preparing and modifying the terrain, facilitating access to a site, or building small structures that provide amenities or increase interest in the site. These designs are provided as a stand-alone service, although they may be incorporated into a larger project.

Illustrative example(s)

- landscape architectural services related to accessibility designs
- landscape architectural services related to drainage designs
- landscape architectural services related to erosion or sediment control designs
- landscape architectural services related to land grading plans
- landscape architectural services related to lighting plans
- landscape architectural services related to outdoor sprinkler system plans
- landscape architectural services related to retaining wall designs
- landscape architectural services related to signage plans
- landscape architectural services related to structures with specialized uses
- landscape architectural services related to trail or path plans

7721155 Landscape architectural advisory services

Expert-witness services, and provision of advice, studies and reports, on landscape architectural matters.

Illustrative example(s)

- expert-witness services for landscape architectural matters

772116 Urban planning services

This subclass comprises the provision of urban planning services that articulate public policies related to land use and development; design the urban environment of buildings, parks and infrastructure networks; create plans for land use; and provide a zoning framework within which plans for specific sites can be developed.

7721161 Urban planning services

Provision of urban planning services that articulate public policies related to land use and development; design the urban environment of buildings, parks and infrastructure networks; create plans for land use; and provide a zoning framework within which plans for specific sites can be developed.

Inclusion(s)

- urban planning services applied to rural areas

Illustrative example(s)

- advice on municipal zoning
- comprehensive plans for development of the infrastructure of cities or towns
- development of comprehensive rural land plans
- development of urban plans for health facilities
- development of urban plans for sewage treatment
- development of urban plans for transportation

- development of urban plans for utilities
- strategic urban planning services
- study or research services on urban planning
- urban planning advisory services

772117 Project site master planning services

This subclass comprises services consisting in developing plans for a construction site showing the proposed location of buildings, roads, parking lots and other features.

7721171 Project site master planning services

Services consisting in developing plans for a construction site showing the proposed location of buildings, roads, parking lots and other features.

Illustrative example(s)
- project site master planning services for city centres or public squares
- project site master planning services for municipal or city parks
- project site master planning services for national parks
- project site master planning services for non-building sports facilities
- project site master planning services for non-residential building projects
- project site master planning services for provincial and territorial parks
- project site master planning services for residential building projects
- project site master planning services for residential subdivision projects
- project site master planning services for resorts
- project site master planning services for restoration of natural areas

77221 Engineering services

This class comprises the design of buildings, industrial structures, civil works, transportation works, power generation and transmission works, machinery, and other works, in order that they implement scientific principles efficiently and safely. The product is presented in the form of designs, plans, studies and advisory services.

Exclusion(s)
- design of manufactured goods in order to optimize ergonomics, appearance and efficiency in production and use (see 773113 Industrial design services)
- development of products on a prototype scale (see 642 Research and experimental development services)

772211 Residential building engineering projects

This subclass comprises engineering design services related to residential buildings.

Exclusion(s)
- construction management services (see 6721111 Construction services)
- project management services (see 7723141 Project management services)

7722111 Residential building engineering projects

Engineering design services related to residential buildings.

Illustrative example(s)
- engineering design services related to mixed-use buildings predominantly used for residential housing
- engineering design services related to renovation, restoration or retrofitting projects for residential buildings

Exclusion(s)

- construction management services (see 6721111 Construction services)
- project management services (see 7723141 Project management services)

772212 Commercial, public and institutional building engineering projects

This subclass comprises engineering design services related to commercial, public and institutional buildings.

Exclusion(s)

- construction management services (see 6721111 Construction services)
- project management services (see 7723141 Project management services)

7722121 Commercial, public and institutional building engineering projects

Engineering design services related to commercial, public and institutional buildings.

Illustrative example(s)

- engineering design services for commercial, public or institutional building design-build projects
- engineering design services related to mixed-use buildings predominantly used for commercial, public or institutional purposes
- engineering design services related to renovation, historical restoration, or retrofitting of commercial, public or institutional buildings

Exclusion(s)

- construction management services (see 6721111 Construction services)
- project management services (see 7723141 Project management services)

772213 Industrial and manufacturing engineering projects

This subclass comprises engineering design services related to industrial and manufacturing facilities, processes, and products.

Exclusion(s)

- construction management services (see 6721111 Construction services)
- project management services (see 7723141 Project management services)

7722131 Mining and metallurgical plant and process engineering projects

Engineering design services related to mining and metallurgical facilities and processes.

Illustrative example(s)

- engineering design services related to mineral extraction facilities and processes
- engineering design services related to mineral refining facilities and processes
- engineering design services related to mineral smelting facilities and processes

Exclusion(s)

- construction management services (see 6721111 Construction services)
- engineering design services related to mining and metalworking machinery (see 7722134 Industrial machinery engineering design projects)
- project management services (see 7723141 Project management services)

7722132 Petroleum and petrochemical plant and process engineering projects

Engineering design services related to petroleum and petrochemical facilities and processes.

Inclusion(s)
- engineering design services related to pipelines

Illustrative example(s)
- engineering design services related to offshore oil and gas platforms
- engineering design services related to petroleum extraction facilities and processes
- engineering design services related to petroleum or petrochemical processing facilities
- engineering design services related to refineries

Exclusion(s)
- construction management services (see 6721111 Construction services)
- engineering design services related to mining and metalworking machinery (see 7722134 Industrial machinery engineering design projects)
- project management services (see 7723141 Project management services)

7722133 Pulp and paper plant and process engineering projects

Engineering design services related to pulp and paper facilities and processes.

Illustrative example(s)
- engineering design services related to paper mill projects
- engineering design services related to pulp bleaching
- engineering design services related to pulp drying
- engineering design services related to pulp screening
- engineering design services related to pulp washing

Exclusion(s)
- construction management services (see 6721111 Construction services)
- project management services (see 7723141 Project management services)

7722134 Industrial machinery engineering design projects

Engineering design services related to industrial machinery.

Illustrative example(s)
- engineering design services related to agricultural machinery
- engineering design services related to commercial or service industry machinery
- engineering design services related to heating machinery
- engineering design services related to metal forming
- engineering design services related to metalworking machinery
- engineering design services related to mining machinery
- engineering design services related to ventilating or air-conditioning machinery

Exclusion(s)
- construction management services (see 6721111 Construction services)
- project management services (see 7723141 Project management services)

7722135 Transportation equipment engineering design projects

Engineering design services related to transportation equipment.

Illustrative example(s)
- engineering design services related to aircraft or airplane
- engineering design services related to marine vessel
- engineering design services related to motor vehicle or car
- engineering design services related to space vehicle or shuttle

- engineering design services related to train

Exclusion(s)
- construction management services (see 6721111 Construction services)
- project management services (see 7723141 Project management services)

7722136 Electronic and electrical equipment engineering design projects

Engineering design services related to electronic and electrical equipment.

Illustrative example(s)
- engineering design services related to audio or video equipment
- engineering design services related to computer or peripheral equipment
- engineering design services related to electrical household appliances
- engineering design services related to lighting equipment
- engineering design services related to microcircuits plant projects
- engineering design services related to microelectronics components projects
- engineering design services related to microelectronics process projects
- engineering design services related to semiconductor equipment
- engineering design services related to semiconductors plant projects
- engineering design services related to silicon chips or wafers plant projects

Exclusion(s)
- construction management services (see 6721111 Construction services)
- project management services (see 7723141 Project management services)

7722137 Other industrial and manufacturing engineering projects

Engineering design services related to industrial and manufactured products, n.e.c.

Illustrative example(s)
- engineering design services related to centrifugation
- engineering design services related to fermentation
- engineering design services related to pharmaceutical process projects
- engineering design services related to purification

Exclusion(s)
- construction management services (see 6721111 Construction services)
- project management services (see 7723141 Project management services)

772214 Transportation engineering projects

This subclass comprises engineering design services related to transportation infrastructure.

Exclusion(s)
- construction management services (see 6721111 Construction services)
- engineering design services related to pipelines (see 7722132 Petroleum and petrochemical plant and process engineering projects)
- project management services (see 7723141 Project management services)

7722141 Transportation engineering projects

Engineering design services related to transportation infrastructure.

Illustrative example(s)
- engineering design services related to aviation facility projects

- engineering design services related to bridges
- engineering design services related to harbours
- engineering design services related to highway or roadway projects
- engineering design services related to marine facility projects
- engineering design services related to mass transit system projects
- engineering design services related to railways projects
- engineering design services related to tunnels

Exclusion(s)

- construction management services (see 6721111 Construction services)
- engineering design services related to pipelines (see 7722132 Petroleum and petrochemical plant and process engineering projects)
- project management services (see 7723141 Project management services)

772215 Municipal utility engineering projects

This subclass comprises engineering design services related to municipal utilities.

Exclusion(s)

- construction management services (see 6721111 Construction services)
- engineering design services related to industrial water and waste collection, treatment, recycling or disposal (see 7722181 Hazardous and industrial waste engineering projects)
- project management services (see 7723141 Project management services)

7722151 Municipal utility engineering projects

Engineering design services related to municipal utilities.

Illustrative example(s)

- engineering design services for flood control dams
- engineering design services for landfill site projects
- engineering design services for recycling facility projects
- engineering design services for water drainage systems projects
- engineering design services for water reservoir dams
- engineering design services for water reservoir projects
- engineering design services related to drinking water distribution system projects
- engineering design services related to household garbage collection systems

Exclusion(s)

- construction management services (see 6721111 Construction services)
- engineering design services related to industrial water and waste collection, treatment, recycling or disposal (see 7722181 Hazardous and industrial waste engineering projects)
- project management services (see 7723141 Project management services)

772216 Power engineering projects

This subclass comprises engineering design services related to power generating units, power transmission and distribution lines, and related infrastructure.

Exclusion(s)

- construction management services (see 6721111 Construction services)
- project management services (see 7723141 Project management services)

7722161 Power engineering projects

Engineering design services related to power generating units, power transmission and distribution lines, and related infrastructure.

Illustrative example(s)
- engineering design services related to biomass power generating unit projects
- engineering design services related to cogeneration power generating unit projects
- engineering design services related to geothermal power generating unit projects
- engineering design services related to hydro-electric power generating unit projects
- engineering design services related to natural gas power plant or station
- engineering design services related to nuclear power generating unit projects
- engineering design services related to power transmission machinery
- engineering design services related to solar power generating unit projects
- engineering design services related to wind power generating unit projects

Exclusion(s)
- construction management services (see 6721111 Construction services)
- project management services (see 7723141 Project management services)

772217 Telecommunications and broadcasting engineering projects

This subclass comprises engineering design services related to systems for the transmission or distribution of voice, data and programming.

Exclusion(s)
- construction management services (see 6721111 Construction services)
- project management services (see 7723141 Project management services)

7722171 Telecommunications and broadcasting engineering projects

Engineering design services related to systems for the transmission or distribution of voice, data and programming.

Illustrative example(s)
- engineering design services related to communication equipment
- engineering design services related to direct broadcast satellite networks
- engineering design services related to Internet telecommunication or broadcasting system projects
- engineering design services related to landline telephone system projects
- engineering design services related to local cable television system projects
- engineering design services related to satellite radio network system
- engineering design services related to television or radio broadcasting system projects
- engineering design services related to wireless network projects
- engineering design services related to wireless telephony network

Exclusion(s)
- construction management services (see 6721111 Construction services)
- project management services (see 7723141 Project management services)

772218 Hazardous and industrial waste engineering projects

This subclass comprises engineering design services related to systems for the collection, treatment and disposal of hazardous and industrial waste and to systems for the control of pollution.

Exclusion(s)
- construction management services (see 6721111 Construction services)
- project management services (see 7723141 Project management services)

7722181 Hazardous and industrial waste engineering projects

Engineering design services related to systems for the collection, treatment and disposal of hazardous and industrial waste and to systems for the control of pollution.

Illustrative example(s)
- engineering design services related to brownfield redevelopment projects
- engineering design services related to chemical agent destruction projects
- engineering design services related to contaminated site remediation projects
- engineering design services related to ground water modeling projects
- engineering design services related to hazardous waste remediation projects
- engineering design services related to industrial air waste collection, treatment, recycling or disposal
- engineering design services related to industrial solid waste collection, treatment, recycling or disposal
- engineering design services related to industrial waste collection, treatment, disposal or recycling projects
- engineering design services related to industrial water waste collection, treatment, recycling or disposal
- engineering design services related to management of nuclear waste

Exclusion(s)
- construction management services (see 6721111 Construction services)
- project management services (see 7723141 Project management services)

772219 Other engineering projects and engineering advisory services

This subclass comprises engineering design services, n.e.c., and engineering advisory services.

Exclusion(s)
- construction management services (see 6721111 Construction services)
- project management services (see 7723141 Project management services)

7722191 Other engineering projects

Engineering design services related to systems, processes, facilities, and products, n.e.c.

Exclusion(s)
- construction management services (see 6721111 Construction services)
- project management services (see 7723141 Project management services)

7722192 Engineering advisory services

Provision of advice, studies, and reports on engineering matters, when not part of the design of a specific project.

Illustrative example(s)
- audit services in engineering
- expert-witness services in engineering
- forensic investigation services in engineering
- policy analysis services in engineering
- regulatory study services in engineering

77231 Services related to architecture and engineering (except surveying and mapping)

This class comprises drafting services; building inspection services; testing laboratory services; and project management services.

772311 Drafting services

This subclass comprises producing detailed layouts, plans, drawings, illustrations, graphics and models based on engineering or architectural specifications, for use in the design, manufacture, installation, construction, repair or maintenance of buildings, structures, systems or components.

7723111 Drafting services

Producing detailed layouts, plans, drawings, illustrations, graphics and models based on engineering or architectural specifications, for use in the design, manufacture, installation, construction, repair or maintenance of buildings, structures, systems or components.

Illustrative example(s)

- architectural drafting services
- drafting consulting services
- electronic drafting services
- fire protection system drafting services
- heating system drafting services
- interior design drafting services
- machine drafting services
- plumbing system drafting services
- steel detailing services
- structural drafting services for buildings
- ventilation system drafting services

772312 Building inspection services

This subclass comprises making a visual examination of the components forming a residential or commercial property, making a visual examination of a home during construction, detecting the presence of environmental hazards, making a visual examination of a specific element of a property, and related services, such as making a visual examination of a building for wood-destroying pests or providing expert-witness services.

7723121 Building inspection services

Making a visual examination of the components forming a residential or commercial property, making a visual examination of a home during construction, detecting the presence of environmental hazards, making a visual examination of a specific element of a property, and related services, such as making a visual examination of a building for wood-destroying pests or providing expert-witness services.

Illustrative example(s)

- asbestos inspection services
- home inspection services
- indoor air quality inspection services
- inspection of home cooling systems
- inspection of home electrical systems
- inspection of home fireplaces
- inspection of home heating systems
- inspection of home insulation
- inspection of home plumbing
- inspection of home roofing
- inspection of home structures
- inspection of home ventilation systems

772313 Testing laboratory services

This subclass comprises providing conformity assessment services.

Exclusion(s)
- medical laboratory testing services (see 8113111 Medical laboratory diagnostic and testing services)
- motor vehicle emissions testing services (see 5311213 Regulatory safety and emissions inspection services for automobiles and light trucks)
- veterinary laboratory testing services (see 7761211 Veterinary services)

7723131 Testing laboratory services

Providing conformity assessment services.

Illustrative example(s)
- air testing and analysis (except automobile emissions)
- aircraft certification services
- analytical testing services of cannabis for THC and CBD contents
- certification of dams
- food testing and analysis
- fuels testing and analysis
- goods inspection services
- instrument calibration services
- product certification services
- water testing and analysis

Exclusion(s)
- medical laboratory testing services (see 8113111 Medical laboratory diagnostic and testing services)
- motor vehicle emissions testing services (see 5311213 Regulatory safety and emissions inspection services for automobiles and light trucks)
- veterinary laboratory testing services (see 7761211 Veterinary services)

772314 Project management services

This subclass comprises planning, supervising and coordinating the activities involved in carrying out a project, with regard to time, cost, performance requirements, and other constraints.

7723141 Project management services

Planning, supervising and coordinating the activities involved in carrying out a project, with regard to time, cost, performance requirements, and other constraints.

77241 Surveying and mapping services

This class comprises the acquisition, processing and interpretation of information about the earth's subsurface, surface and water bodies, presented in the form of data, maps, orthophotos and charts.

772411 Geophysical data acquisition

This subclass comprises the collection of geophysical data (seismic, gravity, magnetic, etc.) for the purpose of characterizing subsurface conditions.

Exclusion(s)
- collection of borehole geophysical data (see 7724132 Borehole geophysical surveys)

7724111 Geophysical data acquisition by seismic methods

The collection of geophysical data by seismic methods.

Illustrative example(s)
- geophysical data acquisition by land-based seismic methods (except collecting borehole geophysical data)
- geophysical data acquisition by marine-based seismic methods (except collecting borehole geophysical data)

Exclusion(s)
- collection of borehole geophysical data (see 7724132 Borehole geophysical surveys)

7724112 Geophysical data acquisition by non-seismic methods

The collection of geophysical data by non-seismic methods.

Illustrative example(s)
- acquisition of geophysical data by airborne-based methods
- acquisition of geophysical data by core drilling
- acquisition of geophysical data by satellite-based methods
- acquisition of geophysical data by snowmobile surveys
- acquisition of geophysical data by walking surveys
- geophysical data acquisition by land-based non-seismic methods (except collecting borehole geophysical data)
- geophysical data acquisition by marine-based non-seismic methods (except collecting borehole geophysical data)

Exclusion(s)
- collection of borehole geophysical data (see 7724132 Borehole geophysical surveys)

772412 Geophysical data processing and interpretation

This subclass comprises geophysical data processing and interpretation.

7724121 Geophysical data processing

The processing of geophysical data in order to facilitate interpretation. Services may include reprocessing data or the integration of other sets of data collected by the same method.

Illustrative example(s)
- processing geophysical data acquired by airborne-based methods
- processing geophysical data acquired by land-based non-seismic methods
- processing geophysical data acquired by land-based seismic methods
- processing geophysical data acquired by marine-based non-seismic methods
- processing geophysical data acquired by marine-based seismic methods
- processing geophysical data acquired by satellite-based methods

Exclusion(s)
- processing of borehole geophysical data (see 7724132 Borehole geophysical surveys)

7724122 Geophysical data interpretation services

Analysis of processed geophysical data to generate models and predictions about the properties and structures of the subsurface. May include integration of geophysical data collected by other methods, or of additional data, including non-geophysical data.

Illustrative example(s)
- interpreting geophysical data acquired by airborne-based methods
- interpreting geophysical data acquired by land-based non-seismic methods
- interpreting geophysical data acquired by land-based seismic methods

- interpreting geophysical data acquired by marine-based non-seismic methods
- interpreting geophysical data acquired by marine-based seismic methods
- interpreting geophysical data acquired by satellite-based methods

Exclusion(s)

- analysis of borehole geophysical data (see 7724132 Borehole geophysical surveys)

772413 Integrated geophysical services

This subclass comprises services which cover two or more phases of the process used to carry out geophysical surveys.

7724131 Integrated geophysical services (except borehole geophysical surveys)

Services which cover two or more phases of the process used to carry out geophysical surveys, except borehole geophysical surveys.

Illustrative example(s)

- acquiring geophysical data by airborne-based methods, and processing these data
- acquiring geophysical data by land-based non-seismic methods (except borehole logging surveys), and processing and interpreting these data
- acquiring geophysical data by land-based non-seismic methods, and processing these data
- acquiring geophysical data by land-based seismic methods (except borehole logging surveys), and processing and interpreting these data
- acquiring geophysical data by land-based seismic methods, and processing these data
- acquiring geophysical data by marine-based non-seismic methods, and processing these data
- acquiring geophysical data by marine-based seismic methods, and processing these data
- acquiring geophysical data by satellite-based methods, and processing these data
- processing and interpreting geophysical data acquired by land-based non-seismic methods
- processing and interpreting geophysical data acquired by land-based seismic methods
- processing and interpreting geophysical data acquired by marine-based non-seismic methods
- processing and interpreting geophysical data acquired by marine-based seismic methods

7724132 Borehole geophysical surveys

The collection, processing and analysis of data collected by borehole logging surveys.

Illustrative example(s)

- crosshole geophysical logging surveys
- mud logging services
- well logging services

772414 Other geological and geophysical services

This subclass comprises geological and geophysical consulting services; geophysical data sales; and other geological and geophysical services, n.e.c.

7724141 Geological and geophysical consulting services

Providing advice regarding geophysical survey design as well as the geology of mineral, oil and natural gas resource exploration and development.

Illustrative example(s)

- appraisal of geological, geophysical or geochemical anomalies
- consulting services on geological, geophysical or geochemical methods
- consulting services related to geophysical survey design and selection of methods

- consulting services related to mineral, oil or natural gas property and project evaluation services
- consulting services related to resource and reserve estimates, audits or reviews
- expert-witness services in geophysical surveying and mapping
- expert-witness services on geological, geophysical or geochemical issues
- feasibility studies of mineral, oil or natural gas properties
- independent valuations of mineral, oil and natural gas properties
- preparation of independent reports for stock exchange listings concerning geological, geophysical or geochemical resources

7724142 Geophysical data sales

Geophysical data sales.

7724143 Other geological and geophysical services, n.e.c.

Other geological and geophysical services, n.e.c.

772415 Geospatial photo and image acquisition, processing and interpretation services

This subclass comprises geospatial photo and image acquisition, processing and data interpretation services.

7724151 Geospatial photo and image acquisition

Information about the earth's surface acquired from aircraft and satellites. Products may be geospatially referenced or otherwise processed.

Illustrative example(s)

- airborne geospatial photo or image acquisition services
- spaceborne geospatial image acquisition services

7724152 Geospatial photo and image processing

Processing of photos and images acquired from aircraft or satellites.

Illustrative example(s)

- aerotriangulation services
- elevation or terrain modelling services
- orthophoto or orthoimage processing services
- photogrammetric mosaics services
- photogrammetric restitution services
- photogrammetric surveying services
- photomosaics services

7724153 Geospatial data interpretation

Analysis of geospatial photographs and images.

772416 Thematic mapping, orthophoto mapping, and charting

This subclass comprises preparation and revision of thematic maps, orthophoto maps, and nautical and aeronautical charts.

7724161 Thematic mapping, orthophoto mapping, and charting

Preparation and revision of thematic maps, orthophoto maps, and nautical and aeronautical charts.

Illustrative example(s)
- aeronautical charting services
- aids to navigation charting
- airport approaches or facilities charting
- demographic mapping services
- economic or business mapping services
- flight paths charting
- landmark features charting
- natural resource mapping services
- nautical charting services
- navigational hazards charting
- type of shoreline charting
- water depths charting

772417 Integrated surveying and mapping services

This subclass comprises acquisition of data and information about real property and/or the earth's surface, and the subsequent portrayal of this information in report, map or plan format.

7724171 Topographic and planimetric surveying and mapping services

Surveying for the purpose of determining the shape (relief) of the surface of the land and/or the location of natural and man-made features on the surface; and the preparation or revision of a map indicating the elevation of the surface (relative to a datum point) and slope.

Illustrative example(s)
- planimetric mapping services
- planimetric surveying services
- topographic mapping services
- topographic surveying services

7724172 Hydrographic and bathymetric surveying and mapping services

Surveying for the purpose of determining the geometric and dynamic characteristics of bodies of water (including the depth, temperature, or salinity of water), the configuration of the bottom, velocities of currents, heights and times of tides and water stages, and the location of fixed objects used in navigation; and the preparation or revision of maps showing this information.

Illustrative example(s)
- bathymetric mapping services
- bathymetric surveying services
- hydrographic mapping services
- hydrographic surveying services

7724173 Boundary, property line, and cadastral surveying and mapping

Surveying for the purpose of establishing or re-establishing a boundary or property line on the ground, and/or for preparation of a map or plan showing a boundary or property line(s), including surveying for legal and/or cadastral purposes.

Illustrative example(s)
- boundary, property line or cadastral mapping services
- boundary, property line or cadastral surveying services

7724174 Subdivision layout and design

Dividing a piece of land into smaller pieces, such as lots, streets, and rights of way; marking or monumenting all necessary corners or dividing lines; and/or preparing maps or plans for record showing all information regarding adjoining land affecting the boundaries.

Illustrative example(s)
- mapping the roadway or streets in a subdivision
- mapping the storm water or sanitary systems in a subdivision

7724175 Construction surveying

Surveying prior to and during construction for the purpose of controlling elevation, horizontal location and dimensions, and configuration, determining whether the construction was adequately completed, and obtaining dimensions essential for calculating quantities used in paying for construction.

7724176 Geodetic surveying and ground control support

Surveying for the purpose of determining the precise horizontal and/or vertical position of points or monumented locations to provide a reference framework for further surveys.

Illustrative example(s)
- geodetic surveying services
- ground control services

772418 Consulting and expert-witness services for geospatial surveying and mapping

This subclass comprises consulting and expert-witness services concerning geospatial surveying and mapping.

7724181 Geospatial consulting services

Provision of consulting services concerning geospatial surveying and mapping.

7724182 Expert-witness services for geospatial surveying and mapping

Provision of testimony by a witness who, by virtue of experience, training, skill or knowledge of geospatial surveying and mapping, is recognized as being qualified to render an informed opinion on matters relating to that subject.

773 Specialized design services

This group comprises interior design services; interior decorating services; industrial design services; graphic design services; and fashion, jewellery and footwear design services, and other design services n.e.c.

77311 Specialized design services

This class comprises interior design services; interior decorating services; industrial design services; graphic design services; and fashion, jewellery and footwear design services, and other design services n.e.c.

773111 Interior design services

This subclass comprises design of interior spaces, in order to meet the physical and aesthetic needs of people, taking into consideration building codes, health and safety regulations, traffic patterns and floor planning, mechanical and electrical needs, and interior fittings and furniture.

7731111 Residential interior design services

Interior design services for residential buildings, including construction management of the project.

Exclusion(s)
- interior design services for historic residential buildings (see 7731113 Historic building interior design services)
- interior design services for non-historic residential buildings, not including construction management of the project (see 7731114 Other interior design services, n.e.c.)

7731112 Non-residential interior design services

Interior design services for non-residential buildings, including construction management of the project.

Exclusion(s)
- interior design services for historic non-residential buildings (see 7731113 Historic building interior design services)
- interior design services for non-historic non-residential buildings, not including construction management of the project (see 7731114 Other interior design services, n.e.c.)

7731113 Historic building interior design services

Interior design services for buildings in which the historic character of the building must be taken into account. Covers services related to restorations, and to changes in use.

Illustrative example(s)
- historic building interior renovation services

7731114 Other interior design services, n.e.c.

Other interior design services, except those involving historic buildings or construction management.

Illustrative example(s)
- furniture, fixtures or equipment layout services
- interior lighting design services

773112 Interior decorating services

This subclass comprises providing aesthetic services associated with interior spaces.

7731121 Interior decorating services

Providing aesthetic services associated with interior spaces.

Illustrative example(s)
- colour and finish selection services
- dressing of interior of stalls
- dressing of interior of windows
- home staging services
- interior placement of decorative items
- interior window treatment design services

773113 Industrial design services

This subclass comprises design services that optimize the manufacturing efficiency, functionality and appearance of manufactured goods; and services for the design and fabrication of models of new product concepts. Industrial designs specify such things as the materials, shape and appearance of a good, in order to optimize its ergonomics and aesthetics, and efficiency in the production, use and maintenance of the good. The service is presented in the form of designs, plans, and models.

Exclusion(s)
- engineering services for machinery (see 7722134 Industrial machinery engineering design projects)

7731131 Product industrial design services

Design services that optimize the manufacturing efficiency, functionality and appearance of manufactured goods. Industrial designs specify such things as the materials, shape and appearance of a good, in order to optimize its ergonomics and aesthetics, and efficiency in the production, use and maintenance of the good. The service is presented in the form of designs, plans, and models.

Illustrative example(s)
- consumer or household goods industrial design services
- furniture and parts industrial design services
- industrial design of airplanes and parts
- industrial design of consumer electronic goods
- industrial design of motor vehicles and parts
- industrial design of snowmobiles
- industrial design services for computers
- industrial design services for lighting equipment
- industrial design services for mining machinery or equipment
- industrial design services for off-road trucks
- industrial design services for packaging or containers
- transportation equipment industrial design services

Exclusion(s)
- engineering services for machinery (see 7722134 Industrial machinery engineering design projects)

7731132 Model design and fabrication services

Design and fabrication services for models of new product concepts. Models can be full- or reduced-scale.

773114 Graphic design services

This subclass comprises designing visual communications of businesses and other entities, in order to convey specific messages or concepts, clarify complex information, or project visual identities.

7731141 Corporate identity and communications graphic design services

Designing the corporate identity and image as well as internal and external communications products.

Illustrative example(s)
- annual reports graphic design services
- application or registration forms graphic design services
- information brochures graphic design services
- instruction manuals graphic design services
- logo, trademark or brand identity graphic design services
- newsletters graphic design services for external use
- staff or internal newsletters graphic design services

- stationery set graphic design services

Exclusion(s)
- external communication graphic design services for advertising (see 7731142 Advertising graphic design services)

7731142 Advertising graphic design services

Designing the visual appearance of an advertisement or advertising campaign.

Illustrative example(s)
- brand identity design services

Exclusion(s)
- advertising graphic design services bundled with provision of advertising space in printed business and trade periodicals (see 7111221 Advertising space in printed business (including farming) and trade periodicals)
- advertising graphic design services bundled with provision of advertising space in printed community newspapers (see 7111121 Advertising space in printed community newspapers)
- advertising graphic design services bundled with provision of advertising space in printed daily newspapers (see 7111111 Advertising space in printed daily newspapers)
- advertising graphic design services bundled with provision of advertising space in printed databases (see 7111242 Advertising space in databases (except online))
- advertising graphic design services bundled with provision of advertising space in printed directories (see 7111241 Advertising space in printed directories)
- advertising graphic design services bundled with provision of advertising space in printed general interest periodicals (see 7111211 Advertising space in printed general interest periodicals)
- advertising graphic design services bundled with provision of advertising space in printed newspapers (except daily and community newspapers) (see 7111131 Advertising space in other printed newspapers)
- advertising graphic design services bundled with provision of advertising space in printed periodicals (except general-interest, business and trade periodicals) (see 7111231 Advertising space in other printed periodicals)
- advertising graphic design services bundled with provision of advertising space in printed publications (except newspapers, periodicals and magazines, directories, and databases) (see 7111243 Advertising space in other printed publications, n.e.c.)

7731143 Commercial illustration services

Provision of illustrations for use in graphic design projects.

Exclusion(s)
- advertising graphic design services (see 7731142 Advertising graphic design services)

7731144 Graphic interface and interaction design services

The design of software and video game interfaces.

Exclusion(s)
- advertising graphic design services (see 7731142 Advertising graphic design services)
- graphic interfaces and interaction design services for websites (see 6431111 Website design and development services)

7731145 Broadcast and motion graphic design services

Design of graphics for motion picture and television use, such as titles, opening and closing montages, bumpers, transitions and interstitials, blue/green screen removal, and animations.

Illustrative example(s)
- graphic design services for motion pictures
- graphic design services for television programs

Exclusion(s)
- advertising graphic design services (see 7731142 Advertising graphic design services)

7731146 Book, magazine and newspaper graphic design services

Graphic design of books, magazines, and newspapers, also their covers and interior layout, and selection of typefaces.

Exclusion(s)
- advertising graphic design services (see 7731142 Advertising graphic design services)

7731147 Other graphic design services

Graphic design services of signage and way finding, graphic elements for packaging, and typefaces, and other graphic design services n.e.c.

Illustrative example(s)
- fonts design services

Exclusion(s)
- advertising graphic design services (see 7731142 Advertising graphic design services)

773115 Fashion, jewellery and footwear design services, and other design services n.e.c.

This subclass comprises design services for fashion, jewellery and footwear, and other design services n.e.c.

7731151 Fashion, jewellery and footwear design services, and other design services n.e.c.

Design services for fashion, jewellery and footwear, and other design services n.e.c.

Illustrative example(s)
- clothing design services
- parade floats design services
- textiles design services

774 Computer systems design and related services (except software development)

This group comprises computer network design and development services; computer systems design, development and integration services; information technology (IT) technical consulting services; and information technology (IT) technical support services.

77411 Computer systems design and related services (except software development)

This class comprises computer network design and development services; computer systems design, development and integration services; information technology (IT) technical consulting services; and information technology (IT) technical support services.

774111 Network design and development services

This subclass comprises designing, developing and implementing customers' computer networks.

Exclusion(s)
- day-to-day management of networks (see 7511151 Network management services)

7741111 Network design and development services

Designing, developing and implementing customers' computer networks.

Inclusion(s)
- design and development services of network security systems

Illustrative example(s)
- extranets design and development services
- intranets design and development services
- virtual private networks design and development services

Exclusion(s)
- day-to-day management of networks (see 7511151 Network management services)

774112 Computer systems design, development and integration services

This subclass comprises assessing an organization's informatics requirements, providing advice on hardware and software acquisitions, developing system specifications, and either putting the new system in place or providing the client with the specifications necessary to put the new system in place.

7741121 Computer systems design, development and integration services

Assessing an organization's informatics requirements, providing advice on hardware and software acquisitions, developing system specifications, and either putting the new system in place or providing the client with the specifications necessary to put the new system in place.

774113 Information technology (IT) technical consulting services

This subclass comprises the provision of advice or expert opinion on technical matters related to the use of information technology (IT).

Exclusion(s)
- advice on IT issues related to business strategy, such as developing an e-commerce strategy (see 7751111 Strategic management consulting services)

7741131 Information technology (IT) technical consulting services

Provision of advice or expert opinion on technical matters related to the use of information technology (IT).

Illustrative example(s)
- consulting services on computer hardware requirements and procurement
- consulting services on computer software requirements and procurement
- consulting services on computer systems integration
- consulting services on computer systems security
- expert-witness services on technical matters related to information technology

Exclusion(s)
- advice on IT issues related to business strategy, such as developing an e-commerce strategy (see 7751111 Strategic management consulting services)

774114 Information technology (IT) technical support services

This subclass comprises the provision of technical expertise to solve problems for the client in using software, hardware, or the entire computer system.

7741141 Information technology (IT) technical support services

Provision of technical expertise to solve problems for the client in using software, hardware, or the entire computer system.

Illustrative example(s)
- business computer systems continuity services
- computer data recovery services
- hardware-related technical support services
- software-related technical support services

775 Management, scientific and technical consulting services

This group comprises management consulting services; environmental consulting services; and other economic, scientific and technical consulting services.

77511 Management consulting services

2711318	2-(2-methylaminoethyl) pyridine
2711311	2-(4-chloro-2-methylphenoxy) propionic acid
2721364	2-(4-morpholinothio)benzothiazole, rubber accelerator
2711318	2-(beta-hydroxyphenethylamido) pyridine
2711318	2-(b-methoxyethoxy)ethanol (diethylene glycol monomethyl ether)
2711318	2,2-dihydroxydiethylamine
2721364	2,2-dithiobis (benzothiazole), rubber accelerator
2721364	2,2-dithiobis(benzothiazole)
2711318	2,2-oxydiethanol
2711318	2,2-thiodiethanol
2711318	2,3,4,6-tetrachlorophenol
2731111	2,3-benzodiazine
2711318	2,4,5,6-tetrachlorophenol
2711318	2,4,5-trichlorophenol
2711311	2,4,5-trichlorophenoxyacetic acid
2711318	2,4,6-triamino-s-triazine
2711318	2,4,6-trichlorophenol
2711318	2,4,6-trihydroxy-1,3,5-triazine
2711318	2,4,6-trinitrophenol
2731111	2,4,7-triamino-6-phenylpteridine
2711311	2,4-d (2,4-dichlorophenoxyacetic acid)
2721211	2,4-d amine salts, formulated herbicide, in bulk, agricultural or commercial
2721212	2,4-d amine salts, formulated herbicide, lawn and garden
2721211	2,4-d and 2,4-d ester and salts, formulated herbicide, in bulk, agricultural or commercial
2721212	2,4-d and 2,4-d ester and salts, formulated herbicide, lawn and garden
2711318	2,4-dichlorophenol

2711311	2,4-dichlorophenyl p-nitrophenyl ether
2711318	2,4-diisocyanatoluene
2711318	2,4-imidazolidinedione
2711318	2,5-diketopyrrolidine
2711318	2,5-pyrrolidinedione
2731111	2,6-diamino-3-phenylazopyridine hydrochloride
2711316	2,6-dimethyl-4-heptanol
2711318	2,6-dinitro-3-methoxy-4-tert-butyltoluene
2711318	2,6-di-tertiary-butyl-para-cresol
2711318	2-acetamidobenzoic acid
2731111	2-acetoxybenzoic acid, in bulk
2731111	2-amino-1-phenypropan-1-ol hydrochloride, naturally occurring
2731111	2-amino-1-phenypropan-1-ol hydrochloride, synthetic organic
2711318	2-amino-3-mercaptopropionic acid
2711318	2-aminoethanol
2711318	2-aminopropane
2711318	2-aminopropyl alcohol
2731111	2-aminopyridine
2721364	2-benzothiazolethiol
2711117	2-bromo-2-chloro-1,1,1-trifluoroethane
2711318	2-butanone
2711318	2-butoxyethanol (ethylene glycol monobutyl ether)
2711313	2-camphanone (obtained from wood)
2711318	2-chloro-4-nitrobenzamide
2711318	2-chloroanisole
2711318	2-cyanoethanol
2731111	2-desoxyphenobarbital, in bulk
2731111	2-diethylamino-2,6-acetoxylidide
2711318	2-diethylaminoethanol
2711318	2-diphenylmethoxy-n,n-dimethylethylamine
2711318	2-ethoxyethanol (ethylene glycol monoethyl ether)
2711318	2-ethoxyethyl acetate
2711311	2-ethyl-1,3-hexanediol
2711316	2-ethyl-1-hexanol
2711316	2-ethyl-2-(hydroxymethyl) propane-1,3-diol
2731111	2-ethyl-2-phenylglutarimide
2711318	2-ethylhexenal
2711318	2-ethylhexoic acid
2711316	2-ethylhexyl alcohol
2731111	2-ethylpyridine-4-carbothionamide
2731111	2-ethylthioisonicotinamide
2711318	2-furancarbinol
2632134	2-heptene
2711318	2-hydrazinoethanol
2711318	2-hydroxyethylamine
2711318	2-hydroxyethylhydrazine
2711318	2-hydroxytriethylamine
2711318	2-imidazolidinethione
2711318	2-mercaptobenzoic acid
2721364	2-mercaptobenzothiazyl disulfide
2731111	2-mercaptopyridine 1-oxide
2731111	2-methoxytrimeprazine
2632134	2-methyl-1,3-butadiene
2711316	2-methyl-2,4-pentanediol
2711318	2-methyl-2-propanethiol
2731111	2-methyl-3,5-dinitrobenzamide
2711318	2-methyl-5-nitroimidazole-1-ethanol
2632134	2-methylpropene (isobutylene)
2731111	2-oxypyrrolidine
2711318	2-pentanone
2711318	2-phenylcyclopropylamine
2711316	2-phenylethanol (except for use as flavor and perfume materials)
2711318	2-phenylethanol, for use as flavor and perfume materials
2412332	2-ply veneers of birch
2412353	2-ply veneers of Douglas fir
2412342	2-ply veneers of hardwood (except birch)
2412363	2-ply veneers of softwood (except of Douglas fir)
2711313	2-propanone, natural
2711311	2-pyridinethiol 1-oxide
2711318	2-sec-butyl-4,6-dinitrophenol
2711318	2-synthetic camphanone
5618125	2x4 lumber boards at retail

3714132	accessories for barometers
3714133	accessories for beta radiation apparatus
3714132	accessories for chromatographs
3511232	accessories for cinematographic cameras
3511232	accessories for cinematographic projectors
3511211	accessories for compound optical microscopes
5613165	accessories for digital cameras at retail
3714131	accessories for direction finding compasses
3622126	accessories for domestic radio receivers (except printed circuit assemblies)
3622126	accessories for domestic radio receivers with sound recording apparatus (except printed circuit assemblies)
3714131	accessories for echo sounding instruments
3511211	accessories for electric typewriters (except plastic parts and cases)
3714132	accessories for electricity supply meters
3714132	accessories for electron microscopes
3511211	accessories for electronic accounting machines (except printed circuit assemblies and plastic parts)
3511211	accessories for electronic addressing machines (except printed circuit assemblies and plastic parts)
3511211	accessories for electronic calculating machines (except printed circuit assemblies and plastic parts)
3511211	accessories for electronic cash registers (except printed circuit assemblies and plastic parts)
3511211	accessories for electronic cheque-handling machines (except printed circuit assemblies and plastic parts)
3511232	accessories for electronic coin handling machines (except parts of banking and vending machines, printed circuit assemblies and plastic parts)
3511231	accessories for electronic coin handling vending machines (except printed circuit assemblies and plastic parts)
3511231	accessories for electronic currency handling machines (except printed circuit assemblies and plastic parts)
3511211	accessories for electronic duplicating machines (except printed circuit assemblies and plastic parts)
3511211	accessories for electronic mail handling machines (except printed circuit assemblies and plastic parts)
3511232	accessories for electronic postage-franking machines (except printed circuit assemblies and plastic parts)
3511211	accessories for electronic spirit type duplicating machines (except printed circuit assemblies and plastic parts)
3511211	accessories for electronic stencil type duplicating machines (except printed circuit assemblies and plastic parts)
3511232	accessories for electronic ticket-issuing machines (except printed circuit assemblies and plastic parts)
3511211	accessories for electronic typewriters (except plastic parts and cases)
3714132	accessories for electrophoresis instruments
3714132	accessories for exposure meters
3714133	accessories for gamma radiation apparatus
3714132	accessories for gas analysis apparatus
3714132	accessories for gas meters
3714132	accessories for geiger counters
3714132	accessories for geophysical instruments
3511351	accessories for hand held air impact wrench sets
3511351	accessories for hand held air impact wrenches
3714132	accessories for hydrographic instruments
3714132	accessories for hydrological instruments
3714132	accessories for hydrometers
3714132	accessories for instruments for physical analysis
3812531	accessories for lasers (except parts for laser diodes and laser equipment adapted to perform specific functions such as welding or electromedical equipment)
3711132	accessories for liquid crystal assemblies
3714132	accessories for liquid meters
3714132	accessories for manostats
3714132	accessories for meteorological instruments
3714132	accessories for microscopes (except optical)
3631333	accessories for microtomes
3714132	accessories for mileometers (except for motor vehicles)
3511232	accessories for motor vehicles test benches
5613164	accessories for movie cameras at retail
3714132	accessories for multimeters

3714131	accessories for navigational appliances
3714132	accessories for oceanographic instruments
3511211	accessories for optical telescopes
3714132	accessories for oscilloscopes
3714132	accessories for pedometers
3511211	accessories for photo-copying apparatus
3511211	accessories for photographic flashlight apparatus
3714132	accessories for polarimeters
3714132	accessories for production counters
3714132	accessories for profile projectors
3714132	accessories for proton microscopes
3714132	accessories for psychrometers for industrial process
3714132	accessories for pyrometers
3622126	accessories for radio-broadcast receivers (except printed circuit assemblies)
3714133	accessories for radiography apparatus
3714133	accessories for radiotherapy apparatus
3714132	accessories for revolution counters
5613165	accessories for slide projectors at retail
5613151	accessories for small electrical home appliances at retail
3714132	accessories for smoke analysis apparatus
3714131	accessories for sonar instruments
3714132	accessories for spectrographs
3714132	accessories for spectrometers
3714132	accessories for spectrophotometers
3511211	accessories for still cameras
5613165	accessories for still cameras at retail
3714132	accessories for surveying instruments
3714132	accessories for taximeters
3511211	accessories for telescopes designed to form parts of appliances
3511211	accessories for telescopes designed to form parts of instruments
3511211	accessories for telescopes designed to form parts of machines
3714132	accessories for test benches for generator circuits (except for motor vehicles)
3714132	accessories for test benches for motor circuits (except for motor vehicles)
3511211	accessories for typewriters (except plastic parts and cases)
5613164	accessories for video cameras at retail
3714132	accessories for water current meters
3714132	accessories for watt-hour meters
3511211	accessories for word-processing machines (except printed circuit assemblies and plastic parts)

3511361	all steel blades for woodworking circular saws
3511361	all steel metalworking bandsaw blades
3511141	all steel type percussion rock drill bits
2711318	allantoin
2632134	allene
2731191	allergenics, prepared for parenteral administration
2731192	allergens for immunization, human use
2711311	allidochlor
2711318	allomaleic acid
2731111	allopurinol, in bulk
3111112	alloy ingots, high speed or mold steel
3111111	alloy pig iron
5511882	alloy plates at wholesale
5511882	alloy sheets at wholesale
3111112	alloy steel
3121141	alloy steel bars and rods, hot-rolled, drawn or extruded
3121241	alloy steel bars, cold-formed or cold-finished
3121141	alloy steel bars, hot-rolled, hollow drill
3121141	alloy steel bars, hot-rolled, not further worked than forged
3121141	alloy steel bars, in irregularly wound coils
3111112	alloy steel blooms
3121151	alloy steel channels, fabricated
3121421	alloy steel conduit, open seamed, riveted or similarly closed, non-electrical

3121141	alloy steel hot-rolled rods, not further worked than forged
3111112	alloy steel ingots, billets, blooms and slabs
3121341	alloy steel investment castings, electric furnace
4661461	alloy steel mechanical tubes or pipes, welded of non-circular cross-section, sheet metal
3121411	alloy steel pipes, line, seamless, oil or gas pipeline type
3121261	alloy steel powder
3111112	alloy steel primary forms
3121241	alloy steel rods, cold-formed or cold-finished
3121141	alloy steel rods, hot-rolled, hollow drill
3121141	alloy steel rods, in irregularly wound coils
3111112	alloy steel rounds
1561111	alloy steel scrap borings
3111112	alloy steel semi-finished products
3121421	alloy steel tubes, longitudinally welded
4661461	alloy steel tubes, longitudinally welded, sheet metal
1561111	alloy steel waste
5511882	alloy strips at wholesale
3121251	alloy wire, of high speed steel
3121251	alloy wire, of silico-manganese steel
3251141	alloyed cobalt powder
3261131	alloyed copper cables, not insulated
4723421	alloyed copper castings, not further worked
1561221	alloyed copper scrap
1561223	alloyed zinc scrap

2711282	alum ammonium (aluminum ammonium sulphate)
5511871	alumina at wholesale
4651117	alumina cement, in bulk
1631253	alumina, aluminum oxide, natural, crude or in irregular pieces
4651113	aluminous cement
4651113	aluminous cement, in bags
4651113	aluminous cement, in bulk
4651113	aluminous or melted cement
2711318	aluminum acetate
4661451	aluminum air conditioning tubes
4661451	aluminum alloy air conditioning tubes
3271121	aluminum alloy bars
3211121	aluminum alloy billets
3211121	aluminum alloy blocks
5511871	aluminum alloy fabricated materials at wholesale
3211121	aluminum alloy ingots
3211121	aluminum alloy ingots and billets
3211121	aluminum alloy notched bars
3211121	aluminum alloy pigs
3271113	aluminum alloy plates
4661461	aluminum alloy profiles, hollow
3271121	aluminum alloy rods
3271112	aluminum alloy sheets
3211121	aluminum alloy slabs
4661451	aluminum alloy stove pipes
4741231	aluminum alloy strapping, in rectangular or square form, exceeding 0.2 mm in thickness
3271112	aluminum alloy strips
3271131	aluminum alloy tubes, extruded and drawn
3271131	aluminum alloy welded pipes
3271131	aluminum alloy welded tubes
3271141	aluminum alloy wire
2711318	aluminum ammonium citrate

4723411	aluminum and aluminum-alloy die-castings
4723412	aluminum and aluminum-alloy investment castings
3271131	aluminum and aluminum-alloy pipes and tubes
3271113	aluminum and aluminum-alloy plates
3271142	aluminum and aluminum-alloy powder, paste and flakes
3271121	aluminum and aluminum-alloy rods and bars
3271112	aluminum and aluminum-alloy sheets and strips
4661465	aluminum architectural and ornamental products
4661465	aluminum awnings
4752121	aluminum bakeware
3454112	aluminum barrels
3454112	aluminum barrels of a capacity of 300 litres or less (except fitted with mechanical or thermal equipment)
3271121	aluminum bars, not alloyed, unworked
3271121	aluminum bars, not alloyed, worked
4741212	aluminum beer cans
3211111	aluminum billets, not alloyed
3211111	aluminum blocks, not alloyed
2711283	aluminum borate
2711286	aluminum boride
1561211	aluminum borings and turnings
5511622	aluminum cable at wholesale
3271141	aluminum cables, not electrically insulated
3271141	aluminum cables, with steel core, not electrically insulated
4741212	aluminum cans
1561211	aluminum cans for recycling
2711286	aluminum carbide
4723412	aluminum castings (except die, sand and investment)
4752121	aluminum chafing dishes, non-electric
2711283	aluminum chlorhydrate
2711283	aluminum chlorhydroxide
2711283	aluminum chloride
2711318	aluminum citrate
6813121	aluminum coating of metal products, for the trade
3453121	aluminum containers for compressed gas
3453121	aluminum containers for liquefied gas
4752121	aluminum cooking utensils
4752121	aluminum cookware
4661465	aluminum cornices
4741212	aluminum dairy cans
4723411	aluminum die castings
4661465	aluminum door thresholds
1561211	aluminum dross and skimmings
3454112	aluminum drums
3454112	aluminum drums of a capacity of 300 litres or less (except fitted with mechanical or thermal equipment)
3711221	aluminum electrolytic fixed capacitors
5511871	aluminum fabricated materials at wholesale
4723526	aluminum fish egg incubators and parts thereof
4631131	aluminum flake paste
3271142	aluminum flakes
4661411	aluminum flooring, custom roll formed
2711283	aluminum fluoride
5511923	aluminum foil at wholesale
4723525	aluminum foil containers (including foil pie plates)
4742252	aluminum foil, backed of a thickness (except backing) of 0.2 mm or less, for packaging use
2521521	aluminum foil, backed, for nonpackaging, of a thickness of 0.2 mm or less without backing
2521521	aluminum foil, laminated
3271111	aluminum foil, not rolled, not backed (except converted)
3271111	aluminum foil, rolled, not backed (except converted)
4741212	aluminum food cans
4752121	aluminum food storing crispers
4723314	aluminum forgings, hot impression die impact, press, and upset
2711318	aluminum formate
4741212	aluminum fruit or vegetable juice cans
3271142	aluminum granules cut from ingots, not alloyed, for use in the manufacture of cleaning compounds
4661452	aluminum grilles, registers, air diffusers, and other metal work, for heating and air-conditioning systems, custom roll formed
4661431	aluminum gutters, custom roll formed
4752121	aluminum hand riddles
4752121	aluminum hand sieves
2711283	aluminum hydroxide
2711283	aluminum hydroxide gel
2711283	aluminum hydroxychloride
4723526	aluminum identification bands for migratory birds
5511871	aluminum in primary forms at wholesale
3211111	aluminum ingots and billets (except alloys)
3211111	aluminum ingots, not alloyed
4723412	aluminum investment castings
3271112	aluminum jacketing, flat or coil flat products
4723526	aluminum leg bands, pigeon countermark
3454112	aluminum liquid containers of a capacity exceeding 300 litres (except for compressed or liquefied gas)
4661465	aluminum louvers
4723413	aluminum magnesium alloy sand casting
1561211	aluminum materials from post-consumer recycling
4723211	aluminum nails
3211111	aluminum notched bars, not alloyed
2711318	aluminum octoate

4661465	aluminum open metal flooring
2911431	aluminum oxide grains, powder and flour abrasives
4661131	aluminum partitions, fabricated steel plate for construction
2711283	aluminum peroxoborate
4752121	aluminum pie plates
3211111	aluminum pigs, not alloyed
4661221	aluminum pipe fittings, alloyed or not
4752121	aluminum plates for prepared meals and similar semirigid containers
3271113	aluminum plates, not alloyed
4723525	aluminum polishing pads
4723525	aluminum pot scourers
4752121	aluminum pots and pans
3271142	aluminum powder, lamellar structure
3271142	aluminum powder, non-lamellar structure
3454112	aluminum reservoirs of a capacity exceeding 300 litres (except for compressed or liquefied gas)
4661321	aluminum residential screens for doors
3271121	aluminum rods, not alloyed, worked
4661431	aluminum roof drainage equipment, custom roll formed
4661421	aluminum roofing material
4661421	aluminum roofing, custom roll formed
4661463	aluminum safety or fire-fighing ladders
4723412	aluminum sand castings
4661231	aluminum sanitary ware, and parts thereof
4661465	aluminum scaffolding
4723525	aluminum scouring or polishing pads, gloves and the like
1561211	aluminum scrap
4661322	aluminum security store fronts

5511532	electric skateboards at wholesale
5618113	electric snow scoops at retail
5618113	electric snow shovels at retail
3454311	electric soldering guns (except hand held)
3454311	electric soldering machines (except hand held)
3622112	electric sound amplifier sets, commercial type
3441111	electric space heating apparatus, forced air type with built-in fan
3441111	electric space heating apparatus, infrared type
3454211	electric straddle type lift trucks
4411211	electric street cars (trolleys), powered from an external source of electricity
3421121	electric toasters (except domestic)
3821122	electric toothbrushes
5613151	electric toothbrushes at retail
4753222	electric toy trains (including tracks, signals and other accessories)
4121211	electric trackless trolley coaches
4121211	electric trackless trolley coaches for transport of 10 or more persons
3454211	electric trucks
3311153	electric type hand held blowers for garden
3311153	electric type hand held blowers for lawn
3454211	electric warehouse lift trucks
3631211	electric watches with analogue display
3631211	electric watches with digital display
3631211	electric watches with LCD display
3631211	electric watches with LED display
3454311	electric welding guns for attachment to robotic welders
3454311	electric welding irons for attachment to robotic welders
3431156	electric wire winding machines
3454331	electric wire wrapping machines
5511622	electrical and communication wire and cable, and electrical system products, at wholesale
2841234	electrical and electronic fabricated plastic parts of clothes dryers
3812413	electrical apparatus for protecting electric circuits
5618122	electrical cables (for renovation) at retail
3812512	electrical carbon brushes

6814172	electrical component manufacturing services
3812421	electrical conduit
3812421	electrical conduit fittings
3812421	electrical conduit of alloy steel, open seamed, riveted or similarly closed
3812421	electrical conduit of iron or non-alloy steel, open seamed, riveted or similarly closed
3812421	electrical conduit tubing of base metal lined with insulating mat
2721368	electrical contact cleaners (for switches, Integrated Circuit contacts, connectors, jacks etc.)
3812322	electrical control boards for a voltage not exceeding 1,000 volts
3711223	electrical control membrane switches for a voltage not exceeding 1,000 volts
3812332	electrical control panels for a voltage exceeding 1,000 volts
3812322	electrical control panels for a voltage not exceeding 1,000 volts
5618122	electrical covers at retail
4132126	electrical defrosters for motor vehicle
4132126	electrical demisters for motor vehicle
7723111	electrical drafting services
5618122	electrical equipment at retail
3812533	electrical extension cords fitted with connectors of 80 volts or less
3812533	electrical extension cords fitted with connectors of more than 80 volts but not exceeding 1,000 volts
3631243	electrical gas pressure gauges, aircraft engine use
5511621	electrical generators at wholesale
3812512	electrical graphite brushes
3812412	electrical grounding connectors of a 1,000 volts or less
4132131	electrical heat meters for motor vehicles
3631251	electrical heat meters for process control equipment
5511632	electrical heating equipment at wholesale
3454211	electrical industrial towing type dock tractors
3454211	electrical industrial towing type warehouse tractors
3621221	electrical interior clock systems
3621221	electrical interior signal systems
3631241	electrical liquid flowmeters (except for motor vehicles)
4132131	electrical liquid flowmeters for motor vehicles
3631241	electrical liquid meters for measuring water supply
3631241	electrical liquid meters for recording water supply
3631243	electrical liquid pressure gauges, aircraft engine use
3631251	electrical manometers
5711126	electrical measuring instrument calibration
3631321	electrical medical thermometers
5511622	electrical meters at wholesale
3631241	electrical meters for checking the flow of liquids (except for motor vehicles)
4132131	electrical meters for checking the flow of liquids, for motor vehicles
3631241	electrical meters for measuring the flow of liquids (except for motor vehicles)
4132131	electrical meters for measuring the flow of liquids, for motor vehicles
2721331	electrical mine detonators
3631231	electrical motor and circuit testing equipment
5511621	electrical motors at wholesale
5511621	electrical motors, and generation and distribution equipment, at wholesale
3812412	electrical non-grounding connectors of a 1,000 volts or less
3631232	electrical panel indicating instruments designed for telecommunications
3631232	electrical panel indicating instruments without a recording device (except for motor vehicles, aircrafts and ships)
5618122	electrical panels at retail
5618122	electrical plates at retail
4132131	electrical pressure gauges for measuring gas, for motor vehicles
3631251	electrical pressure gauges for measuring gas, process control use
4132131	electrical pressure gauges for measuring liquid, for motor vehicles
3631251	electrical pressure gauges for measuring liquid, process control use
3812421	electrical protective plates of plastic
3812341	electrical relays for a voltage of 60 volts or less
3812341	electrical relays for a voltage of 60 volts to 1,000 volts
3812413	electrical sockets
5618122	electrical supplies at retail
5618126	electrical tape at retail
7723131	electrical testing and analysis of motors
3631263	electrical thermometers (except medical or process control type)
3631251	electrical thermometers for process control
3454211	electrical towing type tractors for aircraft
3454211	electrical towing type tractors for airport
3631241	electrical water current meters
4132126	electrical windscreen wipers for motor vehicle
5618122	electrical wire at retail
5618122	electrical wiring boxes at retail
5618122	electrical wiring cables at retail
2911135	electrical, laboratory and industrial products of porcelain, steatite and other ceramics
2911441	electrically fused magnesium oxide
4751212	electrically illuminated exit signs
3631212	electrically operated calendar clocks with watch movements

3631212	electrically operated clocks
3631212	electrically operated clocks with watch movements
3631211	electrically operated lapel watches with case of precious metal
3631212	electrically operated master clocks for clock systems
3631211	electrically operated pocket watches with case of precious metal
3631212	electrically operated travelling clocks with watch movements
3321131	electrically operated walking dragline, 360° revolving, for open-pit mining
3631212	electrically operated wall clock systems
3714132	electrically operated watch movements with digital or LCD display, complete and assembled
3631211	electrically operated wrist watches of precious metal with analogue display
3631211	electrically operated wrist watches of precious metal with automatic winding
3631211	electrically operated wrist watches of precious metal with digital display
3631211	electrically operated wrist watches of precious metal with LCD display
3631211	electrically operated wrist watches of precious metal with LED display
3631211	electrically operated wrist watches of precious metal with mechanical display
3631211	electrically operated wrist watches of precious metal with opto-electronic display
7812424	electricity meter reading services
3631232	electricity meters, watt-hour
3631232	electricity meters, watt-hour demand
3631232	electricity production meters
3631232	electricity supply meters
3631313	electro-cardiographs
8113111	electrocardiography (EKG) services
3511341	electrodes of base metals for brazing by flame
3511341	electrodes of base metals for gas welding
3511341	electrodes of base metals for welding by flame
3411115	electro-discharge machine tools for metal forming
3411111	electro-discharge machine tools for metalworking (except industrial)
3711131	electro-luminescent diodes
3711224	electroluminescent lamps
8515131	electrolysis hair removal services
3431156	electrolysis machines
3812312	electro-magnetic bearings
3812312	electro-magnetic brakes
3812312	electro-magnetic clutches
3812312	electro-magnetic couplings
7723121	electro-magnetic field measurement or inspection
3812312	electro-magnetic lifting heads
3453233	electro-magnetic pumps
3452111	electro-mechanical speed regulators for hydraulic turbine
3711221	electro-mechanical transducers for strain gauges, for measuring gas (except for motor vehicles)
3711221	electro-mechanical transducers for strain gauges, for measuring liquid (except for motor vehicles)
3631313	electro-medical diagnostic apparatus
3631313	electromedical equipment
3411115	electron beam machine tools for metal forming
3411111	electron beam machine tools for metalworking (except industrial)
3631262	electron diffraction apparatus
3631262	electron microscopes
3711222	electron tubes
4753411	electronic accordions
4751112	electronic aids for the blind
7722136	electronic and electrical equipment engineering design projects
3711211	electronic and fibre-optic connectors
5614212	electronic books at retail
5614211	electronic books stored on a physical media, at retail
3421115	electronic calculating machines without a printing device
3421115	electronic calculators
3421115	electronic calculators operating without an external source of electric power
3711221	electronic capacitors, resistors, inducers and transducers
2131341	electronic cigarettes containing cannabinoids
5611371	electronic cigarettes containing cannabinoids, at retail
5512161	electronic cigarettes containing cannabinoids, at wholesale
2131341	electronic cigarettes containing cannabis, for medical use
5611371	electronic cigarettes containing cannabis, for medical use, at retail
5512161	electronic cigarettes containing cannabis, for medical use, at wholesale
2131341	electronic cigarettes containing cannabis, for non-medical use
5611371	electronic cigarettes containing cannabis, for non-medical use, at retail
5512161	electronic cigarettes containing cannabis, for non-medical use, at wholesale
3711221	electronic coil
3711221	electronic communication inductors
5511761	electronic components (except alarm and signalling systems), at wholesale
4132126	electronic control modules for motor vehicle

2131341	electronic delivery systems of e-liquids containing cannabis
5611371	electronic delivery systems of e-liquids containing cannabis, at retail
5512161	electronic delivery systems of e-liquids containing cannabis, at wholesale
3421135	electronic dictionaries with translating and speaking functions, and with thesaurus, organizer, alarm, memo pad, currency and measurement converter
7723111	electronic drafting services
3812534	electronic e-liquid delivery system
5511392	electronic e-liquid delivery systems (except containing cannabis), at wholesale
5619122	electronic e-liquid delivery systems, at retail
3421112	electronic flash unit
7618121	electronic funds transfer (EFT) credits
7618121	electronic funds transfer (EFT) debits
5614121	electronic game consoles (except game software), at retail
5511452	electronic game consoles (except game software), at wholesale
5511452	electronic game consoles at wholesale
4753231	electronic games (except cartridges, disks and coin-operated games)
5511476	electronic games (except consoles and game software) at wholesale
5614332	electronic games for game consoles, downloadable, at retail
5614331	electronic games for game consoles, on physical media, at retail
3631311	electronic hearing aids
3711221	electronic inductors
3431156	electronic industry epoxy die bonder
3431156	electronic industry fitting machines
3431156	electronic industry ultrasonic wire bonder
3711221	electronic instrument current transformers (except liquid dielectric)
3711221	electronic instrument, potential transformers (except liquid dielectric)
3711121	electronic microassemblies
4753411	electronic musical instruments (except electric guitars)
4811161	electronic musical texts, published
3812534	electronic nicotine delivery system
5619122	electronic nicotine delivery systems, at retail
5511392	electronic nicotine delivery systems, at wholesale
4753411	electronic or digital guitars (guitars with touch or press interface that produce digital audio)
4753411	electronic percussion musical instruments
4753411	electronic pianos
3421115	electronic pocket-size data recording, reproducing and displaying machines with calculating functions
4132126	electronic sensors for air bags
4132126	electronic sensors for brakes
4132126	electronic sensors for exhaust
4132126	electronic sensors for fuel
3621132	electronic smart activity trackers
3621112	electronic switching apparatus for telephone central office
5614332	electronic tablet games, downloadable, at retail
5614331	electronic tablet games, on physical media, at retail
3421135	electronic teaching machines, teaching aids, trainers and simulators
5511476	electronic toys (except consoles) at wholesale
4753231	electronic toys and games (except game software)
3421135	electronic translators
3631262	electrophoresis instruments
3431156	electrophoresis machines
3431156	electroplating machines
2721361	electroplating solutions and additives
6813131	electroplating, plating, polishing, anodizing, and coloring
5619155	electroscopes at retail
3441222	electrostatic air cleaners
3421114	electrostatic direct process photo-copying apparatus
3421114	electrostatic indirect process photo-copying apparatus
3441222	electrostatic warm air furnace filters
3421136	electro-thermic hand dryers
3421136	electro-thermic hand-drying apparatus
6812141	electrotypes printing plates
4811121	elementary (primary) school students' workbooks, in physical form
6812231	elementary (primary) school textbooks printing and binding
4811121	elementary (primary) school textbooks, in physical form
8211111	elementary school programs
6221311	elementary schools
3712121	elements for small electric cooking apparatus
3453233	elevating wheels for liquids
7724152	elevation or terrain modelling services
3454231	elevators and moving stairways
5511742	elevators at wholesale
8122141	eligibility determination services in connection with food stamps
8122141	eligibility determination services in connection with rent supplements
8122141	eligibility determination services, in connection with welfare aid
8122141	eligibility determination services, in connection with welfare services
5511392	e-liquid (e-juice) refills (except containing cannabis), at wholesale

5619122	e-liquid (e-juice) refills, at retail
5511392	e-liquid flavor concentrates (except containing cannabis), at wholesale
5619122	e-liquid flavor concentrates, at retail
5619122	e-liquid flavorings, at retail
5511392	e-liquid flavorings, at wholesale
2721366	e-liquids (e-juices) refills, with nicotine
2721367	e-liquids (e-juices) refills, without nicotine
2721366	e-liquids (e-juices) with nicotine
2721367	e-liquids (e-juices) without nicotine
5511392	e-liquids (refills) with or without nicotine, at wholesale
5511392	e-liquids included in assembled e-cigarette devices (except containing cannabis), at wholesale
5619122	e-liquids included in assembled e-cigarette devices, at retail
3812534	e-liquids when included in assembled e-cigarette devices (except when including cannabinoids)
5619122	e-liquids with or without nicotine (refills), at retail
1151413	elm seeds
2412311	elm veneer sheets and sheets for plywood
2731151	eltroxin, for human use, in dosage or prepared for retail sale
2731181	eltroxin, for veterinary use, in dosage or prepared for retail sale
7511111	email hosting services
8512111	embalming human bodies
6221211	embassies
8715111	embassy services, foreign governments in Canada
4753351	emblems of base metal (including pins)
5511461	embossed plastic cards at wholesale
6814129	embossing leather goods, for the trade
5511751	embossing machinery connected to part of computer system at wholesale
3431141	embossing machinery for paper converting
3431141	embossing machinery for paperboard converting
2321343	embroidered badges of textile materials
2321343	embroidered labels of textile materials
2321343	embroideries
6814123	embroidering on textile products for the trade
4754211	embroidery needles, iron or steel, for use in the hand
2321343	embroidery of artificial fibres with visible ground
2321343	embroidery of synthetic fibres with visible ground
2321343	embroidery of textile materials without visible ground
8515176	embroidery or monogramming services
6814123	embroidery services
4754211	embroidery stilettos, iron or steel and similar art for use in the hand
2321343	embroidery with visible ground
4753331	emeralds, worked further than sawn or rough shaped
8122141	emergency and relief services
3913122	emergency fluorescent lighting fixtures, industrial
3913122	emergency incandescent lighting fixtures, industrial
8115111	emergency patient transport by air ambulance
8115111	emergency patient transport by ambulance
8115111	emergency patient transport by surface ambulance, with advanced care paramedic
8115111	emergency patient transport by surface ambulance, with critical care paramedic
8115111	emergency patient transport by surface ambulance, with primary care paramedic
2911432	emery
2911432	emery boards
5617225	emery boards at retail
2731111	emodin, in bulk
7731141	employee benefit forms graphic design services
7811291	employee evaluation services
5212451	employees local bus transportation services between home and work
8122141	employment information and referral services
3812421	empty electric panelboard boxes
3453233	emulsion pumps
4661231	enamelled metal sanitary ware
6813131	enamelling metals and metal products, for the trade
2741241	encens
6812231	encyclopaedias printing and binding
4811131	encyclopaedias, in physical form
4811132	encyclopedias accessed or downloaded online
7212127	ending titles or credits services for digital media
7212127	ending titles or credits services for feature films
7212127	ending titles or credits services for short films
7212127	ending titles or credits services for videos
4723242	endless bands, for machinery, iron or steel
4723242	endless bands, for machinery, stainless steel
3431111	endless belt sanders for sawmill and industrial woodworking
3431111	endless belt sanders for woodworking
8112111	endodontic services by dentist
7121113	endorsement services
2721211	endosulfan as commercial pesticide
2711318	endrin
2731111	enduron, in bulk
5611212	energy drinks at retail
1931111	energy drinks in bottles
1931112	energy drinks in cans

7823116	energy process from non-hazardous waste
7811211	engaged executive search services
5614232	engagement cards, online, at retail
5614231	engagement cards, printed, at retail
7761121	engagement photography services
2411211	Engelmann spruce lumber (except treated, tongue and groove, edge worked, cut stock and dimension)
4621332	Engelmann spruce lumber, edge worked (including tongued and grooved)
4135561	engine air cleaners of metal for motor vehicles
4135561	engine air cleaners of metal for snowmobiles
4135561	engine air cleaners of plastic for motor vehicles
4135561	engine air cleaners of plastic for snowmobiles
3121321	engine cylinder blocks, grey iron
4132125	engine electrical equipment and parts
4132121	engine wiring sets for aircraft
4132121	engine wiring sets for ships
4132121	engine wiring sets for vehicles
3454321	engine-driven, hydraulic, and pneumatic hand tools
2412212	engineered flooring of non solid wood materials
2412212	engineered hardwood flooring
2412212	engineered softwood flooring
2412121	engineered structural wood members (except trusses)
2412111	engineered wood trusses
7722192	engineering advisory services
7722192	engineering advisory services related to renovation, restoration or retrofitting of specific commercial, public or institutional building projects
7722192	engineering advisory services related to renovation, restoration or retrofitting of specific residential building projects
7722192	engineering advisory services related to specific commercial, public or institutional building projects
7722192	engineering advisory services related to specific residential building projects
2911135	engineering ceramic products
7722121	engineering design services for commercial, public or institutional building design-build projects
7722136	engineering design services for electronic and electrical equipment design-build projects
7722151	engineering design services for flood control dams
7722181	engineering design services for hazardous and industrial waste design-build projects
7722134	engineering design services for industrial machinery design-build projects
7722151	engineering design services for irrigation dams
7722151	engineering design services for landfill site projects
7722131	engineering design services for mining and metallurgical design-build projects
7722151	engineering design services for municipal utility design-build projects
7722111	engineering design services for new residential building design-build projects
7722191	engineering design services for other engineering design-build projects
7722132	engineering design services for petroleum and petrochemical design-build projects
7722161	engineering design services for power design-build projects
7722133	engineering design services for pulp and paper design-build projects
7722151	engineering design services for recycling facility projects
7722121	engineering design services for renovation, restoration or retrofitting of commercial, public or institutional buildings design-build
7722111	engineering design services for renovation, restoration or retrofitting of existing residential buildings design-build
7722111	engineering design services for residential building design-build projects
7722171	engineering design services for telecommunications and broadcasting design-build projects
7722135	engineering design services for transportation equipment design-build projects
7722141	engineering design services for transportation infrastructure design-build projects
7722151	engineering design services for water drainage systems projects
7722151	engineering design services for water reservoir dams
7722151	engineering design services for water reservoir projects
7722134	engineering design services related to agricultural machinery
7722135	engineering design services related to aircraft or airplane
7722136	engineering design services related to audio or video equipment
7722141	engineering design services related to aviation facility projects
7722161	engineering design services related to biomass power generating unit projects
7722141	engineering design services related to bridges
7722181	engineering design services related to brownfield redevelopment projects

7722137	engineering design services related to centrifugation
7722181	engineering design services related to chemical agent destruction projects
7722161	engineering design services related to cogeneration power generating unit projects
7722134	engineering design services related to commercial or service industry machinery
7722121	engineering design services related to commercial, public or institutional building projects
7722171	engineering design services related to communication equipment
7722136	engineering design services related to computer or peripheral equipment
7722181	engineering design services related to contaminated site remediation projects
7722171	engineering design services related to direct broadcast satellite networks
7722151	engineering design services related to drinking water distribution system projects
7722136	engineering design services related to electrical equipment projects
7722136	engineering design services related to electrical household appliances
7722136	engineering design services related to electronic equipment projects
7722161	engineering design services related to falling water power generating unit projects
7722137	engineering design services related to fermentation
7722161	engineering design services related to fossil fuel power generating unit projects
7722161	engineering design services related to geothermal power generating unit projects
7722181	engineering design services related to ground water modeling projects
7722141	engineering design services related to harbours
7722181	engineering design services related to hazardous waste remediation projects
7722134	engineering design services related to heating machinery
7722141	engineering design services related to highway or roadway projects
7722151	engineering design services related to household garbage collection systems
7722161	engineering design services related to hydro-electric power generating unit projects
7722181	engineering design services related to industrial air waste collection
7722181	engineering design services related to industrial air waste collection, treatment, recycling or disposal
7722181	engineering design services related to industrial air waste disposal
7722181	engineering design services related to industrial air waste recycling
7722181	engineering design services related to industrial air waste treatment
7722134	engineering design services related to industrial machinery projects
7722181	engineering design services related to industrial solid waste collection
7722181	engineering design services related to industrial solid waste collection, treatment, recycling or disposal

3511332	metalworking face plates
3411111	metalworking filing machines (except industrial)
3411114	metalworking filing machines for industrial applications
3411115	metalworking forging machines
3411121	metalworking galvanizing machinery
3411111	metalworking grinding machines (except industrial)
3411114	metalworking grinding machines for industrial applications
2721361	metalworking hardening compound
3411111	metalworking honing machines (except industrial)
3411114	metalworking honing machines for industrial applications
3411112	metalworking horizontal lathes
3411112	metalworking horizontal lathes, numerically controlled
3411115	metalworking hydraulic presses
3511332	metalworking indexing plates
3511332	metalworking indexing tables
3411111	metalworking lapping machines (except industrial)
3411114	metalworking lapping machines for industrial applications
3511332	metalworking lapping plates
3511363	metalworking lathe tool, all steel insert or bit type
3511363	metalworking lathe tool, ceramic insert or bit type
3511363	metalworking lathe tools, all steel integral shank
3411112	metalworking lathes
5511741	metalworking machinery and equipment, at wholesale
3411113	metalworking machining centre
3411115	metalworking mechanical presses

3411111	metalworking milling machines (except industrial and numerically controlled)
3411113	metalworking milling machines for industrial application
3411113	metalworking milling machines, bed type
3411113	metalworking milling machines, horizontal knee type
3411113	metalworking milling machines, numerically controlled
3411113	metalworking milling machines, ram-turret knee type
3411113	metalworking milling machines, vertical knee type
3411122	metalworking multi-station transfer machines
3411115	metalworking notching machines
3411115	metalworking notching machines, numerically controlled
3411114	metalworking numerically controlled boring machines
3411114	metalworking numerically controlled drill machines
3431156	metalworking parkerising machinery
3411111	metalworking planing machines (except industrial)
3411114	metalworking planing machines for industrial applications
3411114	metalworking polishing machines for industrial applications
3411111	metalworking precision boring machines (except industrial)
3411115	metalworking press brake, numerically controlled
3411123	metalworking profile drawing machines
3411115	metalworking punching machines
3411115	metalworking punching machines, numerically controlled
3411114	metalworking radial drill machines for industrial applications
3411115	metalworking riveting machines
3411111	metalworking sawing machines (except industrial)
3411114	metalworking sawing machines for industrial applications
3411121	metalworking scouring machines
3411111	metalworking shaping machines (except industrial)
3411114	metalworking shaping machines for industrial applications
3411114	metalworking sharpening machines for industrial applications
3511363	metalworking shear knives
3411115	metalworking shearing machines
3411111	metalworking slotting machines (except industrial)
3411114	metalworking slotting machines for industrial applications
3411112	metalworking spinning lathes
3411115	metalworking stamping machines
3411115	metalworking straightening machines
3411115	metalworking straightening machines, numerically controlled
3511332	metalworking surface plates
3411115	metalworking swaging machines
3411111	metalworking tapping machines (except industrial)
3411114	metalworking tapping machines for industrial application
3411115	metalworking thread rolling machinery
3431156	metalworking tining machinery
3411111	metalworking tool and cutter grinding machines (except industrial and numerically controlled)
3411114	metalworking tools and cutter grinding machines for industrial applications
3411123	metalworking tube drawing machines
3411113	metalworking unit construction machines, single station
3411114	metalworking unit head way type drill machines, for industrial applications
3411111	metalworking vertical boring machines (except industrial)
3411114	metalworking vertical drill machines for industrial application
3411123	metalworking wire draw bench
3411123	metalworking wire drawing machines
3431156	metalworking wire insulating machines
3411123	metalworking wire mesh making machinery
3411123	metalworking wire net making machinery
3411123	metalworking wire spring making machinery
2731111	metaminodiazepoxide, in bulk
2721132	metaphosphoric acid
2711318	meta-phthalic acid
2731111	metaraminol bitartrate, in bulk
2711311	metaxon (MCPA)
2632125	meta-xylene (m-xylene)
7761351	meteorological analysis of atmosphere
3631263	meteorological liquid-filled thermometers
3621141	meteorological satellites
6221392	meteorological stations
7812424	meter reading services
3631241	meters for checking the flow of liquids (except for motor vehicles)
4132131	meters for checking the flow of liquids, for motor vehicles
3631241	meters for measuring the flow of liquids (except for motor vehicles)
4132131	meters for measuring the flow of liquids, for motor vehicles
2731111	metformin, in bulk
2711318	methacrylic acid derivatives
2711318	methacrylic acid salts
2731111	methacycline, in bulk
2731161	methacycline, in dosage or prepared for retail sale

2731111	methadone, in bulk
2721211	methamidophos as commercial pesticide
2731121	methamphetamine hcl, for human use, in dosage or prepared for retail sale
2731181	methamphetamine hcl, for veterinary use, in dosage or prepared for retail sale
2711317	methanal
2711317	methanal (formaldehyde)
1421111	methane
2711311	methanethiol, for use in pesticides
2711315	methanol (carbinol, methyl alcohol), synthetic
2731111	methapyrilene hydrochloride, in bulk
2731111	methapyrilene, in bulk
2731111	methenamine mandelate, in bulk
2731111	methicillin sodium, in bulk
2731161	methicillin sodium, in dosage or prepared for retail sale
2711311	methidathion
2731111	methionine hydroxy analogue calcium
2731111	methixene hydrochloride, in bulk
2731111	methixene, in bulk
2731111	methohexital sodium, in bulk
2731111	methotrimeprazine maleate, in bulk
2731111	methotrimeprazine, in bulk
2711318	methoxy DDT
2711311	methoxychlor
2731111	methsuximide, in bulk
2731111	methyclothiazide, in bulk
2711316	methycyclohexanol
2711318	methyl acetate
2711318	methyl acrylamide
2711315	methyl alcohol (methanol)
5511864	methyl alcohol at wholesale
2711316	methyl amyl alcohol
2711318	methyl bromide (bromomethane)
2632134	methyl butadiene
2711318	methyl cellosolve acetate
2811143	methyl cellulose
2711318	methyl chloride
2711318	methyl cyanide
2731111	methyl diazepinone, in bulk
2711318	methyl ethyl ketone
2711318	methyl formate
2711316	methyl glycol
2711318	methyl iodide
2711316	methyl isobutyl carbinol
2711318	methyl laurate
2711318	methyl methacrylate
2731111	methyl nicotinate, in bulk
2711318	methyl normal propyl ketone
2711311	methyl sulfhydrate, for use in pesticides and fungicides
2711311	methyl sulphanilylcarbamate
2632123	methylbenzene
2711318	methylcyclohexanone
2731111	methyldopa, in bulk
2711311	methylene bisthiocyanate (organiclear)
2711318	methylionones
2711318	methylisobutyl carbinol acetate (methylamylac)
2731111	methylphenidate, in bulk
2711318	methylprotocatechuic aldehyde
2711316	methyltrimethylolmethane
2731111	methyprylon, in bulk
2731111	meticlorpindol, in bulk
2711311	metobromuron
2731111	metoprolol tartrate, not in measured doses, in bulk
2711311	metribuzin
2731111	metronidazole, in bulk
4753412	metronomes
2711311	mevinphos
2731111	mexiletine, not in measured doses, in bulk
2911441	mica fabricated articles
2911441	mica powder
1621121	mica rifted into sheets or splitings
1621121	mica scrap
1621121	mica waste
2911441	mica, ground, blocks and sheets
2911441	mica, mesh
1811252	micro premixes for beef cattle

3511141	parts of cable type excavating shovel for underground mining
3511322	parts of calendering machines (except rubber parts or for paper industry)
3511311	parts of calendering machines for paper industry (except rubber parts)
4122123	parts of camping trailers
3511471	parts of can banding machine (except printed circuit assemblies)
3511471	parts of can closing machine (except printed circuit assemblies)
3511471	parts of can filling machine (except printed circuit assemblies)
3511471	parts of can labelling machine (except printed circuit assemblies and plastic parts)
3511471	parts of can sealing machines (except printed circuit assemblies)
3511471	parts of can stamping machine (except printed circuit assemblies)
3511471	parts of can topping machine (except printed circuit assemblies)
3511471	parts of can washing machines (except printed circuit assemblies)
3511471	parts of cans unscrambling machine (except printed circuit assemblies)
3511471	parts of capsule filling machines (except printed circuit assemblies)

3511471	parts of capsule sealing machine (except printed circuit assemblies)
3511322	parts of carbonating machinery for beverage industry (except printed circuit assemblies and plastic parts)
3713111	parts of card readers
3511232	parts of carpet sweepers
3511471	parts of carton closing machine for packaging (except printed circuit assemblies)
3511471	parts of carton collapsing machine for packaging (except printed circuit assemblies)
3511471	parts of carton filling machines for packaging (except printed circuit assemblies)
3511471	parts of carton folding machine for packaging (except printed circuit assemblies)
3511471	parts of carton sealing machine (except printed circuit assemblies)
3511471	parts of carton set-up machine for packaging (except printed circuit assemblies)
3511322	parts of cartridge loaders
3511322	parts of cartridge loaders (except shot shell)
3511471	parts of case closing machine for packaging (except printed circuit assemblies)
3511471	parts of case collapsing machine for packaging (except printed circuit assemblies)
3511471	parts of case filling machines for packaging (except printed circuit assemblies)
3511471	parts of case folding machine for packaging (except printed circuit assemblies)
3511471	parts of case sealing machine (except printed circuit assemblies)
3511471	parts of case set-up machine for packaging (except printed circuit assemblies)
3511411	parts of cast iron radiators
3711222	parts of cathode ray tubes
3511322	parts of cell forming machine for electronic industry
3511322	parts of cell insulating machines for electric industry
3714112	parts of cellular telephone
3453233	parts of centrifugal type multi stage, double section pumps
3453233	parts of centrifugal type multi stage, single section pumps
3453233	parts of centrifugal type pump
3453233	parts of centrifugal type single stage, single section pump
3511322	parts of centrifuges for petrochemical industry
3511491	parts of charge and discharge machine for furnace
4122123	parts of chassis for camping trailers
4122123	parts of chassis for travel trailers
4121311	parts of chassis for truck trailers with an axle rating of 4,536 kg or more
4121312	parts of chassis for truck trailers with an axle rating of less than 4,536 kg
4661222	parts of check valves for plumbing and heating
3511322	parts of cheese dyeing machines
3511322	parts of chewing gum manufacturing machine
3511321	parts of chipboard machinery
3511111	parts of chisel plows
3714131	parts of chromatographs
3511322	parts of cigar making machines
3511232	parts of cinematographic cameras
3511232	parts of cinematographic projectors
3511131	parts of clay machinery mixers
3511322	parts of cleaning machine for electric manufacturing industry
3714132	parts of clock cases
3511471	parts of closing machines for packaging (except printed circuit assemblies)
3511232	parts of clothes dryers for commercial laundry
2311432	parts of clothing accessories of knitted textile materials
2311432	parts of clothing or apparel accessories of textile materials
3511322	parts of coal carbonising machines
3511141	parts of coal cutting machines
3511141	parts of coal heading machines
3511322	parts of coating machine for confectionery industry
3511333	parts of coating machinery for metalworking
3511471	parts of coding machines for packaging (except printed circuit assemblies)
3511333	parts of coiling machines for metal-rolling mills
3511232	parts of coin operated lock
3511232	parts of coin or disc-operated phonographs
3511471	parts of combination machine to make, fill and close bags or envelopes for packaging (except printed circuit assemblies)
3511111	parts of combine harvesters
3511421	parts of commercial air purification equipment
3714121	parts of commercial antennas
5511774	parts of commercial cash registers at wholesale
3511221	parts of commercial cooking and food warming equipment
5511774	parts of commercial cooking machinery at wholesale
3511232	parts of commercial dishwashers (except printed circuit assemblies)
3511232	parts of commercial electric hair clippers
3511232	parts of commercial electric shavers
3511232	parts of commercial pot and pan washers (except printed circuit assemblies and plastic parts)
3622126	parts of commercial sound equipment

3511121	parts of commercial turf and grounds care equipment
3913123	parts of commercial, institutional and industrial electric lighting fixtures
3511322	parts of commutator manufacturing machinery for electronic industry
3454112	parts of complete vacuum bottles with cases (except glass inners)
3454112	parts of complete vacuum flasks with cases (except glass inners)
3511322	parts of composing machines for printing
3511211	parts of compound optical microscopes
3713111	parts of computer terminals
3713111	parts of computers and computer peripherals (except printed circuit assemblies)
3511322	parts of concrete block making machines
3511322	parts of concrete extruder
3511131	parts of concrete finishing construction grinders
3511131	parts of concrete mixing plant
3511131	parts of concrete placing machines for construction
3511121	parts of consumer garden equipment
3511121	parts of consumer lawn equipment
3511121	parts of consumer snow removal equipment
3622126	parts of consumer type sound amplifiers
3511441	parts of continuous-action conveyors for bulk materials or goods (except for forestry)
3511441	parts of continuous-action conveyors for unit goods or materials (except for forestry)
3511441	parts of continuous-action elevators for bulk materials or goods (except for forestry)
3511441	parts of continuous-action elevators for materials
3511441	parts of continuous-action elevators for unit goods or materials (except for forestry)
3712122	parts of cooking appliance, combination gas and other fuels
4752113	parts of coping hand saws
3511322	parts of core blowing machine for foundry
3511141	parts of core drill bits
3511322	parts of core hardening machine for foundry
3511322	parts of core making machines for foundry
3511322	parts of core shooting machine for foundry
3511111	parts of corn detasselers
3511111	parts of corn harvesters
3511111	parts of corn picker-huskers
3511111	parts of corn pickers
3511111	parts of cotton pickers
4511112	parts of coupling gear for railway rolling stock
3511111	parts of couplings for farm use
3511131	parts of crane (except for underground mining or oil and gas field)
3511141	parts of crane for underground mining
4135563	parts of crawler tractors (except engine parts) with internal combustion engine (except log skidders, road tractors and work tractors)
3511322	parts of cream separators
3511322	parts of crimping machines for textile spinning
3511322	parts of cropping machines for textile finishing
3511322	parts of cutting machines for asbestos-cement
3511322	parts of cutting machines for ceramics
3511322	parts of cutting machines for stone
3511322	parts of dairy homogenizers
3511111	parts of deep tillage cultivators
3511333	parts of degreasing machinery for metalworking
4751132	parts of dental furniture
4751131	parts of dental laboratory furnaces or ovens, electric (except resistance, dielectric or induction)
4751131	parts of dental laboratory furnaces or ovens, electric induction
3511142	parts of derrick
3455112	parts of diamond wire-drawing dies for metalworking
3511211	parts of dictating-transcribing machines using magnetic tape (except printed circuit assemblies and plastic parts)
3511321	parts of die casting machinery for plastic industry
4131212	parts of diesel engines for motor vehicles
3511131	parts of dig-carry-haul scraper combination tractor
3711131	parts of diodes
3714131	parts of direction finding compasses
4311222	parts of dirigible
3713111	parts of disc drives
3511111	parts of disc harrows
3511111	parts of disc plows
3511322	parts of disk mills for feed and grain industry
3453232	parts of dispensing pump
3511322	parts of distilling or rectifying plant for chemical manufacturing
3511322	parts of distilling plant
3511322	parts of distilling plant for food and beverage manufacturing
3713111	parts of document transport mechanism
3511412	parts of domestic electric convection space heaters, for permanent installation
3712121	parts of domestic electric fan
3712122	parts of domestic electric floor polishers
3712121	parts of domestic electric food grinders (except plastic parts)
3712122	parts of domestic electric vacuum cleaners
3712121	parts of domestic electro-thermic coffee makers
3712121	parts of domestic electro-thermic toasters

3712122	parts of domestic instantaneous gas water heaters
3712122	parts of domestic microwave ovens
3622126	parts of domestic radio receivers (except printed circuit assemblies)
3511121	parts of domestic rotospaders
3511121	parts of domestic rototillers
3511121	parts of domestic rotovators
3511322	parts of domestic sewing machine
3511322	parts of dough extruding machines
3511111	parts of drag harrows
3511333	parts of drawing machines for metalworking
3511322	parts of drawing machines for textile fibres
4752115	parts of drills, hand tools
3511111	parts of dryer for agricultural products
3622126	parts of earphones
3511131	parts of earth boring machinery for construction
3511141	parts of earth boring machinery for mining
3511142	parts of earth boring machinery for oil and gas field
3511142	parts of earth boring machinery for oil and gas well drilling
3714131	parts of echo sounding instruments
3511111	parts of egg grader
3511111	parts of eggs cleaning machines
3511111	parts of eggs grading machines
3511111	parts of eggs sorting machines
3511341	parts of electric arc welding machines
3511322	parts of electric battery making machines
3712121	parts of electric ceiling fan of 125 watts or less
3511351	parts of electric chain saws
3511322	parts of electric commercial bakery ovens
3511491	parts of electric cremating ovens (except resistance, dielectric or induction)
3712111	parts of electric discharge lamps
3712122	parts of electric domestic vacuum cleaners (except plastic fabricated parts)
3712111	parts of electric filament lamps
3712121	parts of electric floor fan of 125 watts or less
3511221	parts of electric food cooking machinery (except domestic)
3511221	parts of electric food heating machinery (except domestic)
3712131	parts of electric generators
3712121	parts of electric hair clippers for household
3712121	parts of electric hair curling irons
3712121	parts of electric hair styling equipment
3511322	parts of electric industrial bakery ovens
3511322	parts of electric industrial food product cooking equipment
3511491	parts of electric industrial kilns (except for chemicals, wood or cement)
3913123	parts of electric light fittings, ceiling or wall, fluorescent, industrial
3913113	parts of electric light fittings, ceiling or wall, fluorescent, residential
3913123	parts of electric light fittings, ceiling or wall, high pressure sodium, industrial
3913123	parts of electric light fittings, ceiling or wall, incandescent, industrial
3913113	parts of electric light fittings, ceiling or wall, incandescent, residential
3913123	parts of electric light fittings, ceiling or wall, industrial
3913123	parts of electric light fittings, ceiling or wall, mercury vapour, industrial
3913123	parts of electric light fittings, ceiling or wall, metal halide, industrial
3913123	parts of electric lighting fittings, for commercial, industrial and institutional lightening fixtures
3913133	parts of electric lighting fittings, of glass
3913133	parts of electric lighting fittings, of plastic
3712131	parts of electric motors
3712131	parts of electric motors, generators, and generator sets
3511412	parts of electric non-portable household dehumidifiers
3511412	parts of electric non-portable household humidifiers
3511341	parts of electric resistance welding machines
3712121	parts of electric roof fan of 125 watts or less
3712131	parts of electric rotary converters
3712121	parts of electric shavers for household
3714121	parts of electric signalling equipment for railways
3714121	parts of electric signalling equipment for tramways
3712121	parts of electric smoothing irons
3714121	parts of electric sound signalling apparatus
3511431	parts of electric stacker, lift truck type
3712121	parts of electric table fan of 125 watts or less
3511211	parts of electric typewriters (except plastic parts and cases)
3714121	parts of electric visual signalling apparatus
3712121	parts of electric wall fan of 125 watts or less
3712121	parts of electric window fan of 125 watts or less
3714121	parts of electrical burglar alarms (except printed circuit assemblies)
3711221	parts of electrical capacitors
3812322	parts of electrical control boards
3812322	parts of electrical controls panels
3812312	parts of electrical resistors (except heating)
3913133	parts of electrically wired street light poles (except made of fibreglass or composite material)
3714132	parts of electricity supply meters
3511322	parts of electrolysis machines
3812312	parts of electro-magnetic brakes
3812312	parts of electro-magnetic clutches

3812312	parts of electro-magnetic couplings
3812312	parts of electro-magnets
3452111	parts of electro-mechanical speed regulators for hydraulic turbine
3714132	parts of electron microscopes
3711222	parts of electron tubes
3511211	parts of electronic accounting machines (except printed circuit assemblies and plastic parts)
3511211	parts of electronic addressing machines (except printed circuit assemblies and plastic parts)
3511211	parts of electronic calculating machines (except printed circuit assemblies and plastic parts)
3511211	parts of electronic cash registers (except printed circuit assemblies and plastic parts)
3511211	parts of electronic cheque-handling machines (except printed circuit assemblies and plastic parts)
3511232	parts of electronic coin handling machines (except parts of banking and vending machines, printed circuit assemblies and plastic parts)
3511231	parts of electronic coin handling vending machines (except printed circuit assemblies and plastic parts)
3511231	parts of electronic currency handling machines (except printed circuit assemblies and plastic parts)
3511211	parts of electronic duplicating machines (except printed circuit assemblies and plastic parts)
3711121	parts of electronic integrated circuits
3511211	parts of electronic mail handling machines (except printed circuit assemblies and plastic parts)
3711121	parts of electronic microassemblies
3511232	parts of electronic postage-franking machines (except printed circuit assemblies and plastic parts)
3713111	parts of electronic printers
3511211	parts of electronic spirit type duplicating machines (except printed circuit assemblies and plastic parts)
3511211	parts of electronic stencil type duplicating machines (except printed circuit assemblies and plastic parts)
3511232	parts of electronic ticket-issuing machines (except printed circuit assemblies and plastic parts)
3511211	parts of electronic typewriters (except plastic parts and cases)
3714131	parts of electrophoresis instruments
3511322	parts of electrophoresis machine
3511322	parts of electroplating machines
3712122	parts of electro-thermic domestic ovens
3712121	parts of electro-thermic hair dryers
3511321	parts of embossing machines for plastic industry
3511333	parts of enamelling machinery for metalworking
3511481	parts of engines (except parts of motor vehicle engines)
3511322	parts of enrobing machine for confectionery industry
3511111	parts of ensilage harvesters
3511471	parts of envelope filling machine for packaging (except printed circuit assemblies)
3511471	parts of envelope flattener for packaging (except printed circuit assemblies)
3511471	parts of envelope opening machine for packaging (except printed circuit assemblies)
3511471	parts of envelope sealing machine for packaging (except printed circuit assemblies)
3511471	parts of envelope stuffing machine for packaging (except printed circuit assemblies)
3511322	parts of epoxy die bonder for electronic industry
3511441	parts of escalators
3511131	parts of excavating machinery for construction
3511141	parts of excavating machinery for underground mining
3712121	parts of exhaust fan for range hood, horizontal side 120 cm or less
3714132	parts of exposure meters
3713111	parts of external modems for personal computers
3455112	parts of extrusion dies for metalworking
3511421	parts of fans with electric motor over 125 watts (except precision-turned parts)
5511713	parts of farm harrows at wholesale
5511713	parts of farm ploughs at wholesale
3511111	parts of farm self-unloading boxes
5511713	parts of farm tillers at wholesale
5511713	parts of farm tractors at wholesale
3511111	parts of farm type poultry waterers
3511111	parts of farm type windmill (except electric generating)
3511111	parts of farm wagons
3511111	parts of farm wagons gravity discharge boxes
3511322	parts of fertilizer manufacturing machines, from fish
3511111	parts of field crop weeders
3511111	parts of field cultivators
3511111	parts of field type hay conditioners
3511322	parts of fish filleting machines
3511322	parts of fish skinning machines
3511322	parts of fish slicing machines
3511322	parts of fitting machine for electronic industry
3511322	parts of fixed vegetable fat extraction machines

3511322	parts of fixed vegetable fat preparation machines
3511321	parts of flake board machinery
4132111	parts of flasher lights for motor vehicles
3913133	parts of flashlights
3511322	parts of flexographic printing machinery
3511411	parts of floor furnaces
3511141	parts of flotation machine for separation of ore
3511322	parts of flour mill grading machines
3511322	parts of flour milling machines
3511461	parts of fluid power pumps (hydraulic)
3511461	parts of fluid power pumps and fluid power system components
3511451	parts of foot operated air pump
4621351	parts of footwear of hardwood
4621352	parts of footwear of softwood
3511441	parts of forage blowers (elevators)
3511111	parts of forage harvesters
3511111	parts of forage self-unloading boxes
3511331	parts of forging machines for metalworking
3712122	parts of freezing equipment (except air conditioning or heat transfer equipment, and printed circuit assemblies)
3511441	parts of freight elevators
3511431	parts of front end loader for materials handling
3511131	parts of front end shovel for tractor
3713111	parts of funds-transfer devices
2313123	parts of fur coats
2313123	parts of fur hats
2313123	parts of fur mittens
2313123	parts of fur mitts
3631332	parts of furniture for medical use
3631332	parts of furniture for surgical use
3631332	parts of furniture for veterinary use
3511333	parts of galvanizing machinery for metalworking
3511121	parts of garden tillers
3511232	parts of garment ironing machines
3714131	parts of gas analysis apparatus
3511451	parts of gas compressors
3712122	parts of gas cooking appliance
3712122	parts of gas fuel barbecue
3511322	parts of gas liquefying machinery
3714132	parts of gas meters
3712122	parts of gas plate warmer
3714132	parts of gas pressure gauges (except for motor vehicles)
3452111	parts of gas turbine
3511411	parts of gas-fired unit heaters
3511341	parts of gas-operated brazing machines
3511341	parts of gas-operated soldering machines
3714131	parts of geiger counters
3452111	parts of general purpose air turbines
3812312	parts of general-purpose industrial controls
3453233	parts of general-purpose pumps
3714132	parts of geophysical instruments
3511322	parts of glass making machines
3511322	parts of glass moulding machinery
3511322	parts of glass working machines
3913133	parts of globes or chimneys for lamps, glass
3511471	parts of glueing machines for packaging (except printed circuit assemblies)
3511111	parts of grain and fertilizer combination drills
3511322	parts of grain germinators for brewery
3511322	parts of grain milling machines
3511111	parts of grain self-unloading boxes
3511322	parts of grain vibrators
3511141	parts of granulating machines for ore processing
3511322	parts of grape crushers for wine making
3511141	parts of gravel screening machine for quarry
3511141	parts of gravel washing machine for quarry
3511141	parts of grinding machine for ore processing
3511141	parts of grizzlies for ore processing
4752113	parts of hack hand saws
4722221	parts of hair dryers, electro-thermic
3511322	parts of hammer mill for feed and grain industry
4752114	parts of hand edge tools
3511351	parts of hand held air sanders
3511351	parts of hand held battery powered electric tools (except lawn and garden)
3511351	parts of hand held electric drills
3511351	parts of hand held electric tools (except lawn and garden)
3511121	parts of hand held powered tools for lawn and garden
3511451	parts of hand operated air pump
3453231	parts of hand operated paint spray guns
4754237	parts of hand type fire extinguishers
3453233	parts of hand type pump
3511111	parts of harrow plows
3511441	parts of hay and straw elevators, bulk handling
3511441	parts of hay and straw elevators, unit handling
3511111	parts of hay balers
3511111	parts of hay presses
3511111	parts of hay stacker
3511111	parts of header transporters
2311431	parts of headgear
3622126	parts of headphones
2311431	parts of headwear
3453111	parts of heat exchange units
3511471	parts of heat sealing machinery (except printed circuit assemblies)
3511412	parts of heat transfer equipment (except printed circuit assemblies)
3511411	parts of heating equipment
3511411	parts of heating type gas burners
3511411	parts of heating type oil burner
4311211	parts of helicopter rotors

3511431	parts of highlift hand trucks, electric powered
3511111	parts of hitches for farm use
3511322	parts of hog de-hairing machine for slaughterhouse
3511441	parts of hoists
5617131	parts of home health care equipment, at retail
3511111	parts of hop pickers
3511111	parts of horse rakes
4511232	parts of horse-drawn sulkies
3511322	parts of hose assembly machines
3511411	parts of hot water boilers for central heating
3714121	parts of household antennas
3712122	parts of household clothes dryers
3712122	parts of household cooking appliances
3712122	parts of household electric dishwashers (except printed circuit assemblies)
3712121	parts of household electric portable humidifiers (except plastic parts)
3622126	parts of household type video recorders (except printed circuit assemblies)
3622126	parts of household type video recorders, magnetic tape type (except printed circuit assemblies)
3511131	parts of hydraulic backhoe
3511461	parts of hydraulic cylinders
3511491	parts of hydraulic jacks
3511461	parts of hydraulic motors
3452111	parts of hydraulic turbine
3511131	parts of hydraulic type excavating shovel (except underground mining)
3511141	parts of hydraulic type excavating shovel for underground mining
3714132	parts of hydrographic instruments
3714132	parts of hydrological instruments
3714132	parts of hydrometers
3714132	parts of hygrometers for industrial process
4132125	parts of ignition distributors
4751212	parts of illuminated signs (except glass or plastics)
3913133	parts of illuminated signs, glass
3511211	parts of image projectors (except cinematographic)
3511131	parts of in dig-carry-haul combination scraper
3511131	parts of in towed excavating and transportation combination scraper
3714121	parts of indicator panels incorporating liquid crystal devices (LCD)
3711221	parts of inductors
3511421	parts of industrial air purification equipment
3511421	parts of industrial and commercial fans, blowers, and air purification equipment
3511322	parts of industrial animal oil extraction machines
3511322	parts of industrial animal oil preparation machines
3511322	parts of industrial automatic fruit presses
3511322	parts of industrial bakery enrobers
3511322	parts of industrial bakery machinery
3511322	parts of industrial bleaching machines for flour mill
3511471	parts of industrial bottle filling machine (except printed circuit assemblies)
3511471	parts of industrial bottle sealing machine (except printed circuit assemblies)
3511471	parts of industrial bottling machinery (except printed circuit assemblies)
3511322	parts of industrial butter moulding machines
3511471	parts of industrial canning machinery (except printed circuit assemblies)
3511322	parts of industrial centrifuges
3511322	parts of industrial centrifuges for chemical industry
3453132	parts of industrial check valves (except for water works and municipal equipment)
3453131	parts of industrial check valves for water works and municipal equipment
3511322	parts of industrial cheese presses
3511322	parts of industrial cider making presses
3511322	parts of industrial cigarette making machinery
3511322	parts of industrial coating machines for bakery
3511322	parts of industrial dough dividing machines for bakery
3511322	parts of industrial doughnut making machines
3511322	parts of industrial electric kilns for cement
3511322	parts of industrial electric kilns for chemicals
3511322	parts of industrial electric kilns for wood
3511322	parts of industrial enrobing machines for bakery
3511421	parts of industrial fans (except precision-turned parts)
3511322	parts of industrial feed grinders
3511322	parts of industrial fish preparing mixers
3511322	parts of industrial fixed vegetable oil extraction machines
3511322	parts of industrial fixed vegetable oil preparation machines
3511431	parts of industrial forklift trucks
3511322	parts of industrial fruit processing machinery
3511491	parts of industrial furnace
3511322	parts of industrial grain and seed debearding machine
3511322	parts of industrial grain cleaners
3511322	parts of industrial grain mixers
3511322	parts of industrial kneaders for bakery
3511322	parts of industrial macaroni making machinery
3511322	parts of industrial meat forming machines
3511322	parts of industrial meat portioning machines
3511322	parts of industrial meat preparing machinery

3511322	parts of industrial meat processing machinery
3511322	parts of industrial milk scalders
3511322	parts of industrial mixers for flour mill
3511322	parts of industrial mixing machine for bakery
3511491	parts of industrial non-electric kilns
3511322	parts of industrial noodle making machine
3511491	parts of industrial oven
3511322	parts of industrial paint conditioning machines
3511322	parts of industrial paint mixing machine
3511322	parts of industrial pastry mixers for bakery
3511322	parts of industrial pie making machines
3511322	parts of industrial poultry processing machinery
3511322	parts of industrial power band saws for meat
3511322	parts of industrial presses for bacon forming
3511322	parts of industrial presses for wine making
3511322	parts of industrial robots for motor vehicle assembly
3511322	parts of industrial scalding machines for fish
3511491	parts of industrial screening machine for general purpose
3511322	parts of industrial seed cleaners
3511322	parts of industrial sewing machine
3453231	parts of industrial spraying equipment
3453231	parts of industrial spraying machinery
3453231	parts of industrial spraying machinery and equipment
3453231	parts of industrial spraying mistblower
3511491	parts of industrial stoker
3511431	parts of industrial straddle carriers
3511471	parts of industrial strapping machinery (except printed circuit assemblies)
3511322	parts of industrial textile drying machine
3511431	parts of industrial tractors, towing type
3511431	parts of industrial truck tractors
3511232	parts of industrial vacuum cleaners
3511451	parts of industrial vacuum pumps
3511322	parts of industrial washing machines for woven fabrics
3511322	parts of industrial washing machines for yarns
3713111	parts of input-output equipment for minicomputers (except printed circuit assemblies)
3713111	parts of input-output equipment for personal computers (except printed circuit assemblies)
3713111	parts of input-output equipment for portable digital computers (except printed circuit assemblies)
3511232	parts of instantaneous gas water heaters (except domestic)
3714132	parts of instruments for checking electrical quantities
3714132	parts of instruments for chemical analysis
3714132	parts of instruments for detecting ionising radiations
3714132	parts of instruments for measuring electrical quantities
3714132	parts of instruments for measuring ionising radiations
3511131	parts of integral excavating front-end shovel
3511131	parts of integrated carrier type log loader
3511131	parts of integrated tractor type log loader
3511431	parts of internal combustion powered stacker, lift truck type
3711142	parts of internal modems for personal computers
3511231	parts of iron coin-control devices for apparatus (except telephones)
3511231	parts of iron coin-control devices for vending machines (except telephones)
3511411	parts of iron for steam heating boilers
3511411	parts of iron for water heating boilers
4661141	parts of iron or steel bridges
3714133	parts of irradiation, electromedical, surgical and medical equipment
5511713	parts of irrigation equipment at wholesale
3511111	parts of irrigation sprinkler
3453113	parts of isotopic separating machinery
3511322	parts of juice extracting machines for wine making
4752113	parts of keyhold hand saws
3511322	parts of knitting machines
3511471	parts of labelling machines (except printed circuit assemblies)
3631333	parts of laboratory apparatus and furniture
3631333	parts of laboratory electric furnaces
3714133	parts of laboratory photographic apparatus
3714133	parts of laboratory photographic equipment
3631333	parts of laboratory sterilisers
3511321	parts of laminating equipment for plastic industry
3511322	parts of lamp bulb assembling machines
3812531	parts of laser (except parts for laser diodes and laser equipment adapted to perform specific functions such as welding or electromedical equipment)
3812531	parts of laser pointers (teaching aid)
4311224	parts of launch vehicles for space rockets
3511232	parts of laundry dryers
3511232	parts of laundry type centrifugal drier
4752115	parts of lawn mowers (except powered)
3511121	parts of lawn, garden, and snow removal machinery and equipment
3511322	parts of leather bootmaking machinery
3511322	parts of leather embossing machines
3511322	parts of leather finishing machines
3511322	parts of leather fleshing machines
3511322	parts of leather footwear making machinery
3511322	parts of leather footwear repairing machinery
3511322	parts of leather shaving machines

3511322	parts of leather shoe making cutting machines
3511322	parts of leather splitting machines
3511322	parts of letterpress printing machinery
3511322	parts of levelling machines for electric manufacturing industry
3712111	parts of light bulbs and tubes (including fluorescent lamp ballasts)
4122123	parts of light truck trailers
3812413	parts of lightning arresters
3511461	parts of linear acting hydraulic engines
3511451	parts of linear acting pneumatic engines
3453233	parts of liquid elevators
3714132	parts of liquid flowmeters (except for motor vehicles)
4132131	parts of liquid flowmeters for motor vehicles
3712122	parts of liquid fuel cooking appliances
3712122	parts of liquid fuel plate warmers
3714132	parts of liquid meters
3714132	parts of liquid pressure gauges (except for motor vehicles)
3511131	parts of loading and tree shearing combination for woodland felling
3453233	parts of locomotive pump
3511131	parts of logging and construction machinery and equipment
3511131	parts of logging arch for log handling
3511131	parts of logging type feller-buncher
3511131	parts of logging type feller-delimber
3511131	parts of logging wagons
3511491	parts of lorries for furnace charge and discharge
3622126	parts of loudspeakers
3511333	parts of machined rolls for metal-rolling mills
3511311	parts of machinery for finishing paper (except roll coverings of rubber)
3511311	parts of machinery for finishing paperboard (except roll coverings of rubber)
3511311	parts of machinery for making paper (except roll coverings of rubber)
3511311	parts of machinery for making paperboard (except roll coverings of rubber)
3511311	parts of machinery for making up paper
3511311	parts of machinery for making up paper pulp
3511311	parts of machinery for making up paperboard
3511321	parts of machinery for work on rubber
3511322	parts of machines for making slide fasteners
3511322	parts of machines for making toothbrushes
3511322	parts of machines for making Venetian blinds
3511141	parts of magnetic machine for separation of ore
3714132	parts of manostats
3511111	parts of manure spreaders
3511321	parts of masticators for rubber processing
3453232	parts of measuring and dispensing pumps
3714132	parts of measuring instruments, testing equipment and control systems
3453232	parts of measuring pump
3511322	parts of meat shaping machine
3511322	parts of meat slicing machines
3511322	parts of meat tenderizing machines
3511431	parts of mechanical balancers for suspending tools
3511232	parts of mechanical devices for the control of cleaning solutions for hospitals
3511232	parts of mechanical devices for the control of cleaning solutions for the food and beverage industry
3511232	parts of mechanical devices for the control of sterilizing solutions for hospitals
3511232	parts of mechanical devices for the control of sterilizing solutions for the food and beverage industry
3451213	parts of mechanical marine transmission
4752211	parts of mechanical pencils
3511491	parts of mechanically operated ultrasonic cleaners
3714133	parts of medical sterilisers
3511322	parts of mercerizing machines for textile finishing
3511331	parts of metal casting machinery for foundry
3511322	parts of metal coating machinery
4131114	parts of metal for cooling system, for motor vehicles
3511322	parts of metal plating machinery
3511331	parts of metalworking boring machines
3511331	parts of metalworking broaching machine
3511331	parts of metalworking cold heading machines
3511331	parts of metalworking die casting machine
3511331	parts of metalworking drill machines
3511331	parts of metalworking gear cutting machine
3511331	parts of metalworking gear finishing machine
3511331	parts of metalworking gear making machine
3511331	parts of metalworking lathes
3511333	parts of metalworking machinery (except machine tool parts)
3511331	parts of metalworking machining centre
3511331	parts of metalworking milling machine
3511331	parts of metalworking press brake
3511331	parts of metalworking presses
3714132	parts of meteorological instruments
3511211	parts of microfiche reader-printers
3511211	parts of microfilm reader-printers
3622126	parts of microphone
3622126	parts of microphone stands
3714132	parts of microscopes (except optical)
3631333	parts of microtomes
3714132	parts of mileometers (except for motor vehicles)
4511231	parts of military armoured vehicles
4511231	parts of military tanks
3511322	parts of milk clarifier machines
3511322	parts of milk curdling machines

3511322	parts of milk dryer
3511322	parts of milk processing irradiators
3511322	parts of milking machines
3511322	parts of mills for cane sugar making
3511321	parts of mills for rubber processing
3913133	parts of miners' safety lamps
5511732	parts of mining equipment at wholesale
3511141	parts of mining machinery and equipment
5511732	parts of mining machinery equipment at wholesale
3511141	parts of mining type ball mill
3511141	parts of mining type classifier
3511141	parts of mining type granulators
3511141	parts of mining type grinding mill
3511141	parts of mining type hammer mill
3511141	parts of mining type milling machinery
3511141	parts of mining type pebble mill
3511141	parts of mining type rod mill
3511141	parts of mining type stamp mill
3511141	parts of mining underground rockershovel
3511322	parts of mixers for beverage industry
3511322	parts of mixers for meat packing industry
3511321	parts of mixers for plastic processing
3511321	parts of mixers for rubber processing
3511322	parts of mixers for sugar industry machinery
3511321	parts of mixers for tire building
3511322	parts of mixing machine for chemical industry
3511131	parts of mobile woodland debarkers
3511111	parts of moldboard plows
3511441	parts of monorail systems
4135533	parts of motor vehicle air-conditioning systems (except compressors and filters)
3511232	parts of motor vehicle maintenance, servicing and repair equipment
4132131	parts of motor vehicle pressure gauges
4134121	parts of motor vehicle seats
3511232	parts of motor vehicles test benches
4511232	parts of motorcycle side-cars
4511232	parts of motorcycle transmission equipment
3511322	parts of moulding machines for foundry
3714132	parts of multimeters
3511333	parts of multi-station transfer machines for metalworking
3511322	parts of napping machines for textile finishing
3714131	parts of navigational appliances
3714131	parts of navigational instruments
3511351	parts of non electric chain saws
4752124	parts of non electric razors
3511351	parts of non-battery powered electric chain saws
3714112	parts of non-consumer wireless modems
3511322	parts of non-electric commercial bakery ovens
3511491	parts of non-electric incinerators
3511322	parts of non-electric industrial bakery ovens
3453113	parts of nuclear reactor steam supply systems
3453113	parts of nuclear reactors
3453136	parts of nuclear type check valves
3511322	parts of nut shelling machines
3714132	parts of oceanographic instruments
3511211	parts of office machines, photocopiers and optical equipment (except replacement cartridges)
3511211	parts of office type paper shredders (except plastic parts)
4752221	parts of office type staplers
3511322	parts of offset printing machinery
3511322	parts of offset printing presses
3511142	parts of oil and gas field crane
3511142	parts of oil and gas field derricks
3511142	parts of oil and gas field drilling type powered augers
3511142	parts of oil and gas field machinery and equipment
5511732	parts of oil and gas well equipment at wholesale
5511732	parts of oil and gas well machinery at wholesale
3453232	parts of oil dispensing pump on oil delivery vehicle
3511141	parts of oil feeder for ore separation
3511111	parts of onion pickers
3713111	parts of optical scanners
3511211	parts of optical telescopes
3511141	parts of ore processing thickener
3714132	parts of oscilloscopes
3511481	parts of outboard motors (except valves, pistons, piston rings and piston pins)
3511441	parts of overhead traveling cranes
3812535	parts of ozone generators
3714133	parts of pacemakers
3511471	parts of packing, packaging and bottling machinery
3511322	parts of paint making machines
3714121	parts of parabolic antennas
3812533	parts of particle accelerators
3511321	parts of particleboard machinery
3511441	parts of passenger elevators
3511131	parts of pavement breaking tools for construction
3511111	parts of pea harvesters
3714132	parts of pedometers
3511321	parts of pelletizers for plastic industry
4421111	parts of personal watercraft
3511211	parts of photo-copying apparatus
3511211	parts of photographic enlargers
3511211	parts of photographic flashlight apparatus
3511211	parts of photographic reducers
3511322	parts of phototypesetting machines
3511333	parts of pickling machines for metalworking
3511131	parts of pile driver

3511131	parts of pile extractor for construction
3511322	parts of pipe coating machines
3511322	parts of pipe wrapping machines
5511732	parts of pipeline equipment at wholesale
3511331	parts of planing machine for metalworking
3511321	parts of planing machine for sawmill and industrial woodworking
3511321	parts of planing machines for woodworking
3511321	parts of plastic blow moulding machine
3511321	parts of plastic extruding machines
3712122	parts of plastic for household type washing machine
3712122	parts of plastic for laundry-type washing machine
3913133	parts of plastic illumiated signs
3511321	parts of plastic injection moulding machine
3511321	parts of plastic thermoforming machines
3511321	parts of plastic thermoforming moulding machine
2841234	parts of plastic, electrical or electronic, for household or laundry-type washing machine
3511322	parts of plate trimmers for pie machines
3712122	parts of plate warmer, combination gas and other fuels
3511322	parts of platemaking equipment
3511322	parts of platemaking machinery
4411112	parts of platforms for off-shore oil and natural gas drilling and production
3511333	parts of plating machinery for metalworking
3511111	parts of plows
3511451	parts of pneumatic engine for the distillation of products from natural gas
3511451	parts of pneumatic engine for the exploration and testing of water, oil and natural gas wells
3511451	parts of pneumatic engine for the recovery of products from natural gas
3511351	parts of pneumatic hand held tools
3511451	parts of pneumatic motors or engines
3713111	parts of point-of-sale terminals
3714132	parts of polarimeters
2841231	parts of poles for utilities, made of fibreglass or composite material
3511451	parts of portable air compressor, mounted for towing
3712121	parts of portable domestic electric convection space heaters
3913133	parts of portable electric lamps, having their own source of energy
3511142	parts of portable oil and gas field drilling rigs
3511131	parts of portable plaster mixers
3511131	parts of posthole digger
3511111	parts of potato diggers
3511111	parts of potato harvesters
3511111	parts of potato harvesting machinery
3511111	parts of potato picker
3511322	parts of potter's wheels
3511111	parts of poultry brooders
3511111	parts of poultry incubators
3511111	parts of poultry-keeping machinery
3453113	parts of power boiler for nuclear applications
3453112	parts of power boilers (except nuclear applications)
3511351	parts of power hand tools (except cutting implements and parts of welding equipment)
3453138	parts of power transmission fluid drive couplings (except aerospace)
3451211	parts of power transmission gears
3451212	parts of power transmission speed increasers
3451212	parts of power transmission speed reducer
3453233	parts of powered axial flow type pump
3511141	parts of powered coal mining type augers
3511131	parts of powered snow plow
3511321	parts of presses for plastic industry
3511321	parts of presses for rubber processing
3714132	parts of pressure gauges for aircraft engines
3453136	parts of pressure reducing valves (except hydraulic)
4752315	parts of primary cells
3711143	parts of printed circuit assemblies for office machines (except for computers or automotive uses)
3511491	parts of producer gas generators
3714131	parts of production counters
3714132	parts of profile projectors
4751144	parts of protective goggles
3714132	parts of proton microscopes
3714132	parts of psychrometers for industrial process
3511311	parts of pulp and paper industry machinery and equipment
3511311	parts of pulp mill equipment (except roll coverings of rubber)
3511311	parts of pulp mill machinery (except roll coverings of rubber)
3511322	parts of pulp presses for sugar mill
3511141	parts of pulverising machine for ore processing
3511451	parts of pumps (except fluid power) and air and gas compressors
4311212	parts of pumps for aircraft
3511131	parts of pumps for concrete
3511142	parts of pumps for oil and gas fields
3714132	parts of pyrometers
3511141	parts of quarring type granulators
3511141	parts of quarrying type classifier
3511141	parts of quarrying type grinding mill
3511141	parts of quarrying type milling machinery
3714112	parts of radio transceivers
3622126	parts of radio-broadcast receivers (except printed circuit assemblies)
3714133	parts of radiography apparatus
3714112	parts of radio-teleprinters
3714133	parts of radiotherapy apparatus
5511794	parts of railroad equipment at wholesale

4511112	parts of railway cars (except engine and engine parts)
3714121	parts of railway signal systems
4511112	parts of railway tamping equipment
4511112	parts of railway tamping machinery
4511112	parts of railway track lining equipment
4511112	parts of railway track lining machinery
3511431	parts of railway wagon handling equipment (except for mining)
3511141	parts of railway wagon handling equipment for mining
3511322	parts of raising machines for textile finishing
3712121	parts of range hood
4511112	parts of rapid transit railway cars (except engine and engine parts)
3511322	parts of ratine machines for textile finishing
4311224	parts of reaction engines for missiles
4311224	parts of reaction engines for space vehicles
3511111	parts of reaper-thresher combine
3453233	parts of reciprocating positive displacement diaphragm pump
3453233	parts of reciprocating positive displacement radial piston type hydraulic fluid power pumps
3453233	parts of reciprocating positive displacement single-acting
3511321	parts of reclaimator for rubber industry
3511211	parts of recorders using magnetic tape (except printed circuit assemblies and plastic parts)
3511322	parts of rectifying plant
3511322	parts of rectifying plant for food and beverage manufacturing
3712122	parts of refrigerating equipment (except air conditioning or heat transfer equipment, and printed circuit assemblies)
3511412	parts of refrigeration compressor units (except for motor vehicles)
4135532	parts of refrigeration compressor units for motor vehicles
3511412	parts of refrigeration compressors (except for motor vehicles)
3621223	parts of remote controls for electronic equipment
3621223	parts of remote controls for televisions
3913113	parts of residential electric lamps and lighting fixtures (except lampshades, bulbs, and tubes)
3714131	parts of revolution counters
3511322	parts of rice processing machinery
4511232	parts of rickshaws
2313122	parts of riding crops, leather
3511131	parts of road building plate type dirt tampers
3511131	parts of road rollers
3511131	parts of road snow removal equipment
3511131	parts of road snow removal machinery
3511131	parts of roadbuilding scraper
4721113	parts of rockets (ballistic missiles)
3511322	parts of roller mills for sugar mill
3511331	parts of rolling mill machinery for metalworking
3511322	parts of rope making machines
3511141	parts of rotary blasthole drill for open-pit mining
3511141	parts of rotary rock drill bits of tungsten carbide
3511321	parts of routing machine for home workshops, garages and service shops
3511321	parts of routing machine for sawmill and industrial woodworking
3511321	parts of routing machine for woodworking
3511111	parts of row crop cultivators
3511321	parts of rubber blow moulding machine
3511321	parts of rubber extruding machines
3511321	parts of rubber injection moulding machine
3511321	parts of rubber thermoforming machines
3511321	parts of rubber tire beadmaking machinery
3511321	parts of rubber tire covering machinery
3511321	parts of rubber vacuum moulding machines
4751152	parts of safety headgear
3453136	parts of safety relief valves
3511322	parts of sand conditioning machinery for foundry
3511322	parts of sand shake out machine for foundry
3511141	parts of sand washing machines
3511322	parts of sandblast generators for foundry
3511321	parts of sanding machine for home workshops, garages and service shops
3511321	parts of sanding machine for sawmill and industrial woodworking
3511321	parts of sanding machine for woodworking
3714112	parts of satellites
3511322	parts of sausage stuffing machine
3511322	parts of sawing machine for concrete
3511322	parts of sawing machine for masonry
3511322	parts of sawing machines for asbestos-cement
3511322	parts of sawing machines for ceramics
3511331	parts of sawing machines for metalworking
3511322	parts of sawing machines for stone
3511321	parts of sawmill, woodworking, plastics- and rubber-working machinery and equipment
3511333	parts of scouring machines for metalworking
3511141	parts of screening machines for ore processing
3913133	parts of searchlights
3511322	parts of seed separators
3511111	parts of seeding machinery
3511131	parts of self propelled road snow plow machinery with built-in equipment
3511111	parts of self-loading farm trailers
4121311	parts of self-loading semi-trailers with an axle rating of 4,536 kg or more
3511131	parts of self-propelled grader

4511112	parts of self-propelled railway cars (except engine and engine parts)
4511112	parts of self-propelled street cars (except engine and engine parts)
3511111	parts of self-unloading farm trailers
3511111	parts of self-unloading farm type manure trailers
4121311	parts of self-unloading semi-trailers with an axle rating of 4,536 kg or more
3711131	parts of semiconductor devices
3511331	parts of shaping machines for metalworking
3511322	parts of shearing machines for textile finishing
3511131	parts of sheepsfoot rollers
3511321	parts of sheeting systems for plastic industry
3511322	parts of shot shell cartridge loaders
3511322	parts of shredders for food processing
3511322	parts of sifting machines for sugar making
3714132	parts of signal generators
3511131	parts of sinking machinery for construction
3511141	parts of sinking machinery for mining
3511232	parts of ski tow
3511232	parts of skilift
3511322	parts of skinning machines for slaughterhouse
3511441	parts of skip hoists
3511322	parts of slaughterhouse machinery
4511232	parts of sleds for the transport of persons (except children's and sporting types)
4511232	parts of sleighs for the transport of persons (except children's and sporting types)
3511322	parts of slicers for confectionery machinery
3511331	parts of slotting machine for metalworking
3712121	parts of small electric household appliances (except plastic parts and parts for vacuum cleaners and floor polishers)
5613151	parts of small electrical home appliances at retail
3714131	parts of smoke analysis apparatus
3511322	parts of soft drink manufacturing equipment
3511322	parts of soft drink manufacturing machinery
3511111	parts of soil preparation machinery
3712122	parts of solid fuel barbecue
3712122	parts of solid fuel cooking appliances
3712122	parts of solid fuel plate warmers
3714131	parts of sonar
3511322	parts of sorting machines for flour mills
3511411	parts of space heaters
4751141	parts of spectacle frames
3714132	parts of spectrographs
3714132	parts of spectrometers
3714132	parts of spectrophotometers
4132131	parts of speed indicators for motor vehicles
4132131	parts of speedometers for motor vehicles
3511322	parts of spindle flyers for textile machines
4723221	parts of spring- or weight-operated motor
3511111	parts of spring tooth harrows
3511491	parts of sprinkler systems for fire-fighting
3511111	parts of stable litter carriers
3511111	parts of stable manure carriers
3511311	parts of stapling machines for paper boxes
3511311	parts of stapling machines for paperboard boxes
3812521	parts of static converters (except for electronic circuits)
3711224	parts of static converters for electronic circuits
3511411	parts of steam generators for heating
4311224	parts of steam or other vapour engine, stationary, without boiler
3452111	parts of steam turbines
3511231	parts of steel coin-control devices for apparatus (except telephones)
3511231	parts of steel coin-control devices for vending machines (except telephones)
3511411	parts of steel for steam heating boilers
3511411	parts of steel for water heating boilers
3511211	parts of still cameras
3511322	parts of stitch-bonding machines
3511141	parts of stone screening machine for quarry
3511141	parts of stone washing machine for quarry
3714132	parts of stop-watch
3713111	parts of storage devices for minicomputers (except printed circuit assemblies)
3713111	parts of storage devices for portable digital computers (except printed circuit assemblies)
3713111	parts of storage units (except printed circuit assemblies)
3713111	parts of storage units for personal computers
3712122	parts of storage water heaters
3511331	parts of straightening machine for metalworking
3511111	parts of straw balers
3511111	parts of straw presses
3714132	parts of stroboscopes (except motor vehicles)
4132131	parts of stroboscopes for motor vehicles
3714121	parts of studio sound amplifiers
3714121	parts of studio type video recorders (except printed circuit assemblies)
3714121	parts of studio video recorders, magnetic tape type (except printed circuit assemblies)
3511111	parts of subsoil plows
3511322	parts of sugar mill diffusing machine
3511322	parts of sugar refining machinery
3714133	parts of surgical sterilisers
3714132	parts of surveying instruments
3511111	parts of swather transporters
3511371	parts of swimming pool filtration equipment
3511131	parts of tampers for construction
3511131	parts of tamping machines for road ballasting
3511322	parts of tape embossing machines

3511322	parts of tape embossing machines for general purpose
3511471	parts of taping machine for packaging (except printed circuit assemblies)
3714132	parts of taximeters
3714111	parts of telephone answering machines
3511211	parts of telescopes designed to form parts of appliances
3511211	parts of telescopes designed to form parts of instruments
3511211	parts of telescopes designed to form parts of machines
3511211	parts of telescopic sights for firearm
3511211	parts of telescopic sights for periscopes
3714121	parts of television cameras
3622126	parts of television receivers (except printed circuit assemblies)
3511111	parts of terracing plows
3714131	parts of test benches for generator circuits (except for motor vehicles)
3714131	parts of test benches for motor circuits
3714132	parts of testers for testing mechanical properties of materials
3714132	parts of testers for testing the compressibility of materials
3714132	parts of testers for testing the elasticity of materials
3713111	parts of text recognition devices (except plastic parts and printed circuit assemblies)
3511322	parts of textile beetling machines
3511322	parts of textile bleaching machinery
3511322	parts of textile cloth folding machines
3511322	parts of textile cordage making machines
3511322	parts of textile embroidery machines
3511322	parts of textile fabric weaving machines
3511322	parts of textile fibres carding machines
3511322	parts of textile fibres combing machines
3511322	parts of textile fibres extruding machines
3511322	parts of textile knotting machines
3511322	parts of textile lacemaking machines
3511322	parts of textile roving frames
3511322	parts of textile shrinking machines
3511322	parts of textile singeing machines
3511322	parts of textile slasher machines
3511322	parts of textile spooling machines
3511322	parts of textile warping machines
3714132	parts of thermometers combined with other instruments
3714132	parts of thermometers, combined with other instruments, process control type
3714132	parts of thermostats (except for automotive, truck and bus use)
4135533	parts of thermostats for bus
4135533	parts of thermostats for motor vehicles
4135533	parts of thermostats for truck
3511322	parts of tile moulding machines
3511321	parts of tire bias cutting machines
3511321	parts of tire curing machines
3511321	parts of tire fabricating drums
3511321	parts of tire grooving machines
3511321	parts of tire recapping machinery
3511321	parts of tire retreading machinery
3511321	parts of tire spreading machines
3511322	parts of tobacco cutting machines
3511111	parts of tobacco harvesters
3511322	parts of tobacco preparing machinery
3511322	parts of tobacco processing machinery
3511322	parts of tobacco separators
3511322	parts of tobacco shredding machines
3511322	parts of tobacco stemming machines
3511322	parts of tobacco tipping machines
4754237	parts of toilet sprays (except heads and of glass-ceramics and lead crystal)
4754237	parts of toilet sprays (except heads), of glass-ceramics
3511363	parts of tools for milling
3511131	parts of tracklaying type front-end loaders for construction
3511111	parts of tractor mounted cutter bar mower
4511232	parts of trailer couplings and hitches
4511232	parts of trailer hitches
3511211	parts of transcribing machines (except printed circuit assemblies and plastic parts)
3511211	parts of transcribing machines using magnetic tape (except printed circuit assemblies and plastic parts)
3511331	parts of transfer machine for metalworking
3812222	parts of transformers
3511322	parts of transistor manufacturing machines
3711131	parts of transistors
4122123	parts of travel trailers
3511333	parts of tube mills, metal-rolling mill machinery
3455112	parts of tungsten carbide tipped wire-drawing dies for metalworking
3452111	parts of turbine generator sets
3452111	parts of turbine generators
3452111	parts of turbines
3452111	parts of turbines, turbine generators, and turbine generator sets
4311212	parts of turbo-jets
4311212	parts of turbo-propellers
3622126	parts of turntables (record-decks)
3511441	parts of turntables, bulk material handling
3511441	parts of turntables, unit handling
3511322	parts of type founding machines
3511322	parts of typesetting machines for printing
3511211	parts of typewriters (except plastic parts and cases)
3511322	parts of ultrasonic wire bonder for electronic industry
3511441	parts of unit handling pneumatic tube systems
3511411	parts of unit heaters

3511321	parts of unwinding machines for plastic industry
2841231	parts of utility poles made of fibreglass or composite material
3511321	parts of vacuum forming machine for plastic industry
3511141	parts of vanner for ore processing
3511231	parts of vending machines
5511774	parts of vending machines at wholesale
3511322	parts of vibrating tables for concrete blocks
3511131	parts of vibratory rollers
4752115	parts of vises
4754237	parts of walking cane (except handles and knobs)
3511411	parts of wall furnaces
3511412	parts of warm air furnaces (except floor or wall-type and gas or oil)
3511322	parts of washing machines for sugar beet mill
3714132	parts of watch cases
3511371	parts of water chlorination systems
3714132	parts of water current meters
3511371	parts of water filtering machines for aquariums
3511371	parts of water filtration systems
3511371	parts of water softening systems
3511371	parts of water treatment equipment
3511142	parts of water well drilling machinery
3452111	parts of water wheel
3714132	parts of watt-hour meters
3511321	parts of web guiding equipment for plastic industry
4752113	parts of web hand saws
3511322	parts of weiner making machines
4751111	parts of wheelchairs for invalids
3511131	parts of wheeled type front-end loaders for construction
3511141	parts of wheeled type front-end loaders for underground mining
3454222	parts of winches
3511321	parts of winding machines for plastic industry
3511333	parts of wire draw bench for metalworking
3511322	parts of wire insulating machines for metalworking
3511333	parts of wire making machinery
3511333	parts of wire mesh making machinery for metalworking
3511333	parts of wire net making machinery for metalworking
3511333	parts of wire spring making machinery for metalworking
3511331	parts of wire working machinery for metalworking
3714111	parts of wired data communication interface equipment
3714111	parts of wired local area routers
3714111	parts of wired non-consumer modems
3714111	parts of wired telegraphic apparatus
3714111	parts of wired telegraphic switching apparatus
3714111	parts of wired telephone and wired data communications equipment
3714111	parts of wired telephone interface equipment
3714111	parts of wired telephonic switching apparatus
3714111	parts of wired teleprinters
3455112	parts of wire-drawing dies for metalworking
3714112	parts of wireless data communication interface equipment (except printed circuit assemblies)
3714112	parts of wireless local area routers and data communication interface equipment
3714112	parts of wireless telegraphic apparatus
3714112	parts of wireless telegraphic switching apparatus
3714112	parts of wireless telephone and wireless data communications equipment
3714112	parts of wireless telephone interface equipment
3511321	parts of wood planing machine for home workshops, garages and service shops
3511131	parts of woodland log handling equipment
3511131	parts of woodland slashers
3511311	parts of woodroom pulping equipment
3511311	parts of woodroom pulping machinery
3511321	parts of woodworking machinery
3511211	parts of word-processing machines (except printed circuit assemblies and plastic parts)
3511322	parts of zipper fastener making machinery
5619132	party balloons at retail
5619132	party favours at retail
4821212	party game software (except commercial use licences), downloaded online
4821211	party game software (except commercial use licences), on physical media
5511453	party game software at wholesale
5614331	party game software, on physical media, at retail
5619132	party invitations at retail
8515172	party organization services
8515172	party planning or consulting services
5619132	party streamers at retail
5619132	party supplies at retail
4111111	passenger automobiles of interior volume not exceeding 3.1 m³
4111121	passenger automobiles, interior volume of more than 3.1 m³ but not exceeding 3.4 m³
4111131	passenger automobiles, interior volume of more than 3.4 m³
5511541	passenger car tires at wholesale
2831111	passenger car tires, new, pneumatic, of rubber
2831111	passenger car tires, new, pneumatic, of rubber, bias

2831111	passenger car tires, new, pneumatic, of rubber, radial
5213111	passenger rail transportation services, business class
5213111	passenger rail transportation services, business class (except with sleeping facilities)
5213112	passenger rail transportation services, economy/discounted economy classes
5213113	passenger rail transportation services, sleeper class
7812121	passenger screening services
4411112	passenger ships
5213113	passenger sleeping-car services in railway cars or trains
4411232	passenger train cars
5214112	passenger transportation services by ferries on rivers (except transportation of vehicles)
5212451	passenger transportation services by funiculars (except for sightseeing)
5212451	passenger transportation services by off-road vehicles
5212451	passenger transportation services by teleferics or aerial cable cars (except for sightseeing)
3454231	passenger type elevators
4111211	passenger vans of a seating capacity of less than 10 passengers
5214112	passenger water transportation services by ferries on canals (except transportation of vehicles)
5214112	passenger-only water transportation services by ferries, on inland lakes (except on Great Lakes)
1831312	passover bread
7761111	passport photography or other identification photography services
8711141	passport services
5611132	pasta at retail
1836121	pasta salads
5613141	pasta tools at retail
4752221	pastels
4754235	pastels executed entirely by hand (end-user agreement)
1731111	pasteurized fuild milk, in bulk
1836131	pasteurized natural honey
5511367	pasteurized natural honey at wholesale
3431133	pasteurizers for dairy purposes
1721541	pastrami
1831421	pastries (except frozen)
5511364	pastries at wholesale
4752114	pastry cutters
3431132	pastry mixers for industrial bakery
1831211	pastry mixes
6221241	pastry shops
3431111	patching machines for veneer making
7761355	patent brokering services
7723111	patent drawings or trademark illustrations services
7711131	patent filing or search services
2211311	patent leather
7761355	patent marketing services
6311111	patents
1721531	pâtés de foie gras with truffles
7761211	pathological tests or diagnostic services for livestock
7761211	pathological tests or diagnostic services for pet animals
2131223	patient-ready dried cannabis flowers or buds
5611332	patient-ready dried cannabis flowers or buds, at retail
5512123	patient-ready dried cannabis flowers or buds, at wholesale
5613121	patio and garden furniture at retail
4661311	patio doors and their frames, residential, aluminum
4661311	patio doors, residential, iron or steel (including door frames)

4131112	rebuilt camshaft bearings
4135312	rebuilt clutch assemblies for agricultural tractors
4135312	rebuilt clutch assemblies for motor vehicles
4135312	rebuilt clutch housings for motor vehicles
3411116	rebuilt cold heading machines for metalworking
4131112	rebuilt crankshaft bearings for gasoline engines
3411116	rebuilt die casting machines for metalworking
4131211	rebuilt diesel engines for automobiles
4131211	rebuilt diesel engines for buses
4131211	rebuilt diesel engines for highway trucks
4135312	rebuilt differentials for motor vehicles
4135412	rebuilt disc brake caliper assembly for motor vehicles
3411116	rebuilt drill machines for metalworking
4135312	rebuilt drive shafts for motor vehicles
4135312	rebuilt drive-axles with differentials for agricultural tractors
4135312	rebuilt drive-axles with differentials for motor vehicles
4135312	rebuilt drive-axles with differentials for road tractors
4753412	rebuilt electric guitars
4753411	rebuilt electronic musical instruments
3411116	rebuilt forging machines for metalworking
4131212	rebuilt fuel injection pumps for diesel engines, for motor vehicles
4131112	rebuilt fuel injection pumps for internal combustion piston engines, for motor vehicles
4131112	rebuilt fuel injection pumps for semi-diesel engines, for motor vehicles
4131112	rebuilt fuel injectors for spark-ignition gasoline engines
4131112	rebuilt fuel pumps for internal combustion piston engines, for motor vehicles
4131112	rebuilt gasoline engine fan pulleys of metal for motor vehicles
4131112	rebuilt gasoline engines for motor vehicles
4131112	rebuilt gasoline reciprocating piston engines for motor vehicles
4135312	rebuilt gear boxes for motor vehicles
4135312	rebuilt gear boxes for road tractors
4135312	rebuilt gear boxes for tractors
3411116	rebuilt gear cutting machines for metalworking
3411116	rebuilt gear finishing machines for metalworking
3411116	rebuilt gear making machines for metalworking
4132123	rebuilt generators for internal combustion engines
4135312	rebuilt half-shafts for motor vehicles
4135212	rebuilt idler arms for motor vehicles
3411116	rebuilt lathes for metalworking
3411116	rebuilt machine tools for forming, cutting and polishing metal
3411116	rebuilt machining centre for metalworking
3411116	rebuilt metal casting machinery for foundry
3411116	rebuilt milling machines for metalworking
4135412	rebuilt motor vehicle brake parts
4135212	rebuilt motor vehicle steering and suspension components
4135312	rebuilt motor vehicle transmission and drive train components
4135412	rebuilt mounted brake shoes with linings for motor vehicles
3451113	rebuilt natural gas reciprocating piston engines for motor vehicles
4135312	rebuilt non-driving axles for motor vehicles
4135312	rebuilt non-driving axles for road tractors
4135312	rebuilt non-driving axles for tractors
4753412	rebuilt non-electronic musical instruments
4131112	rebuilt oil pumps for gasoline engines, for motor vehicles
2831133	rebuilt or retreaded tires
4131112	rebuilt parts of motor vehicle pumps, gasoline engines
4135312	rebuilt parts of non-driving axles for motor vehicles
4135312	rebuilt parts of non-driving axles for road tractors
4135312	rebuilt parts of non-driving axles for tractors
4135212	rebuilt parts of power steering pumps for motor vehicles
3411116	rebuilt planing machines for metalworking
4135412	rebuilt power brake assemblies for motor vehicles
4131112	rebuilt power transmission camshafts
4131112	rebuilt power transmission countershafts
4131112	rebuilt power transmission crankshafts
4131112	rebuilt power transmission crankshafts for automotive
4131112	rebuilt power transmission drive shafts for gasoline engines
4131112	rebuilt power transmission torque tube assembly
3411116	rebuilt press brakes for metalworking
3411116	rebuilt presses for metalworking
4411211	rebuilt railway coach cars
3411116	rebuilt rolling mill machinery for metalworking

3411116	rebuilt sawing machines for metalworking
4411211	rebuilt self-propelled railway cars, powered from an external source of electricity
4411211	rebuilt self-propelled rapid transit cars, powered by an external source of electricity
4131211	rebuilt semi-diesel engines for automobiles
4131211	rebuilt semi-diesel engines for buses
4131211	rebuilt semi-diesel engines for highway trucks
3411116	rebuilt shaping machines for metalworking
4135212	rebuilt shock absorbers for agricultural tractors
4135212	rebuilt shock absorbers for snowmobiles
3411116	rebuilt slotting machines for metalworking
4135212	rebuilt steering boxes for motor vehicles
4135212	rebuilt steering boxes for tractors
4135212	rebuilt steering columns for motor vehicles
4135212	rebuilt steering columns for tractors
4135212	rebuilt steering wheels for tractors
3411116	rebuilt straightening machines for metalworking
4411211	rebuilt subway cars
4135212	rebuilt suspension shock-absorbers for motor vehicles
4135212	rebuilt tie rod assembly for motor vehicles
4135312	rebuilt torque converters for motor vehicles
4135212	rebuilt torsion bars for motor vehicles
3411116	rebuilt transfer machines for metalworking
4135312	rebuilt transmissions for tractors
4132123	rebuilt voltage regulators for internal combustion engines
4131112	rebuilt water pumps for motor vehicles, gasoline engines
3411116	rebuilt wire working machinery for metalworking
2412411	rebutted wood shingles of hardwood
2412411	rebutted wood shingles of softwood
2911231	recast concrete corridor units for civil engineering
2521212	receipt books
5619132	receipt books at retail
3711222	receiver type electronic tubes
3711222	receiver type electronic valves
3631311	receiver-in-canal hearing aids
3621133	receivers for calling, alerting or paging
3622124	receivers, television, black and white, with radio or sound or video recording or reproducing apparatus
7123131	receiving or making telephone calls related to direct mail advertising campaigns, bundled with other direct advertising services
5618113	rechargeable batteries for power tools at retail
2131341	rechargeable cannabis e-cigarettes
5611371	rechargeable cannabis e-cigarettes, at retail
5512161	rechargeable cannabis e-cigarettes, at wholesale
5511392	rechargeable e-cigarette kits (except containing cannabis), at wholesale
5619122	rechargeable e-cigarette kits, at retail
3812534	rechargeable e-cigarettes (except containing cannabis)
2131341	rechargeable e-cigarettes containing THC and CBD
5611371	rechargeable e-cigarettes containing THC and CBD, at retail
5512161	rechargeable e-cigarettes containing THC and CBD, at wholesale
3631311	rechargeable hearing aids
5511963	rechargeable household batteries at wholesale
3453221	reciprocating air compressors
4311112	reciprocating engines for civilian aircraft
4311111	reciprocating engines for military aircraft
6236211	reclaimed land
2841334	reclaimed rubber in primary forms or in plates, sheet or strips
5615312	reconditioned automotive engines at retail
5711114	reconditioning of metal drums
5711114	reconditioning of shipping containers
5711114	reconditioning of wooden barrels
5711114	reconditioning of wooden pallets
5711114	reconditioning of wooden shipping drums
5711114	reconditioning services (except cleaning) for barrels
5711114	reconditioning services (except cleaning) for shipping drums
5711114	reconditioning services (except cleaning) for wooden pallets
1921121	reconstituted apple juice (except canned)
1731111	reconstituted fluid milk (fat content 1% to 6%), in bulk
1921121	reconstituted fruit juice (except canned)
2412213	reconstituted particle board of hardwood
2412213	reconstituted particle board of hardwood, plain
2412213	reconstituted particle board of softwood
2412213	reconstituted particle board of softwood, plain
2121211	reconstituted tobacco
1731131	reconstituted whole milk, packaged in cartons, bottles and dispenser cans (except canned milk and UHT)
2412213	reconstituted wood particle board of combined hardwood and softwood
2412213	reconstituted wood particle board, plain, of combined hardwood and softwood
4753331	reconstructed precious or semi-precious stones, unworked or simply sawn or rough shaped
4813121	recorded compact discs (CDs), reproducing sound only, for laser reading systems

4813111	recorded compact discs (CDs), reproducing sound only, for laser reading systems, musical recordings
4813121	recorded digital videodiscs (DVDs), for laser reading
4813111	recorded digital videodiscs (DVDs), for laser reading systems, musical recordings
4813121	recorded discs for laser reading systems, for reproducing sound only
4813111	recorded discs for laser reading systems, for reproducing sound only, musical recordings
7234141	recorded entertainment events on demand via cable and satellite (except streaming)
4813111	recorded magnetic tapes, exceeding 6.5 mm in width, for musical recordings
4813211	recorded magnetic tapes, exceeding 6.5 mm in width, for recorded movies
4813221	recorded magnetic tapes, exceeding 6.5 mm in width, for recorded television programs and videos
4813121	recorded magnetic tapes, exceeding 6.5 mm in width, for reproducing sound only
4813121	recorded magnetic tapes, for reproducing sound only
4813121	recorded magnetic tapes, of 4 mm or less in width, for reproducing sound only
4813111	recorded magnetic tapes, over 4 mm and 6.5 mm or less in width, for musical recordings
4813121	recorded magnetic tapes, over 4 mm and 6.5 mm or less in width, for reproducing sound only
4813111	recorded magnetic tapes, width of 4 mm or less, for musical recordings
4813212	recorded masters for movies, in downloadable formats
4813211	recorded masters for movies, on physical media
4813222	recorded masters for television programs and videos, in downloadable formats

4813111	recording of music on compact disc (CD)
3631263	recording rain gauges
6221151	recording studios
3911423	record-keeping equipment, office, metal (except filing cabinets and lockers)
2321346	recovered fibres
2321346	recovered fibres and processed mill waste
7823115	recovery and preparation of aluminum, from agricultural or agribusiness locations
7823115	recovery and preparation of aluminum, from commercial or business locations
7823115	recovery and preparation of aluminum, from governmental or institutional locations
7823115	recovery and preparation of aseptic containers or tetra packs, from agricultural or agribusiness locations
7823115	recovery and preparation of aseptic containers or tetra packs, from commercial or business locations

7823115	recovery and preparation of aseptic containers or tetra packs, from governmental or institutional locations
7823123	recovery and preparation of batteries, from industrial locations
7823123	recovery and preparation of batteries, from other businesses or non-industrial locations
7823115	recovery and preparation of copper, from agricultural or agribusiness locations
7823115	recovery and preparation of copper, from commercial or business locations
7823115	recovery and preparation of copper, from governmental or institutional locations
7823115	recovery and preparation of corrugated cardboard, from agricultural or agribusiness locations
7823115	recovery and preparation of corrugated cardboard, from commercial or business locations
7823115	recovery and preparation of corrugated cardboard, from governmental or institutional locations
7823115	recovery and preparation of electronics, from agricultural or agribusiness locations
7823115	recovery and preparation of electronics, from commercial or business locations
7823115	recovery and preparation of electronics, from governmental or institutional locations
7823115	recovery and preparation of ferrous metals, from agricultural or agribusiness locations
7823115	recovery and preparation of ferrous metals, from commercial or business locations
7823115	recovery and preparation of ferrous metals, from governmental or institutional locations
7823115	recovery and preparation of gable top containers, from agricultural or agribusiness locations
7823115	recovery and preparation of gable top containers, from commercial or business locations
7823115	recovery and preparation of gable top containers, from governmental or institutional locations
7823115	recovery and preparation of glass, from agricultural or agribusiness locations
7823115	recovery and preparation of glass, from commercial or business locations
7823115	recovery and preparation of glass, from governmental or institutional locations
7823123	recovery and preparation of hazardous waste recyclable materials, from hospitals, medical or dental practices and medical laboratories
7823123	recovery and preparation of hazardous waste recyclable materials, from industrial locations
7823123	recovery and preparation of hazardous waste recyclable materials, from other businesses or non-industrial locations
7823115	recovery and preparation of mixed metals, from agricultural or agribusiness locations
7823115	recovery and preparation of mixed metals, from commercial or business locations
7823115	recovery and preparation of mixed metals, from governmental or institutional locations
7823115	recovery and preparation of mixed paper fibre or boxboard, from agricultural or agribusiness locations
7823115	recovery and preparation of mixed paper fibre or boxboard, from commercial or business locations
7823115	recovery and preparation of mixed paper fibre or boxboard, from governmental or institutional locations
7823115	recovery and preparation of newsprint, phone books or magazines, from commercial or business locations
7823115	recovery and preparation of newsprint, phone books or magazines, from commercial or business locations, from agricultural or agribusiness locations
7823115	recovery and preparation of newsprint, phone books or magazines, from commercial or business locations, from governmental or institutional locations
7823115	recovery and preparation of non-hazardous recyclable materials, from agricultural or agribusiness locations
7823115	recovery and preparation of non-hazardous recyclable materials, from commercial or business locations
7823115	recovery and preparation of non-hazardous recyclable materials, from governmental or institutional locations
7823115	recovery and preparation of organic waste, from agricultural or agribusiness locations
7823115	recovery and preparation of organic waste, from commercial or business locations
7823115	recovery and preparation of organic waste, from governmental or institutional locations
7823115	recovery and preparation of plastic HDPE, numbered 2, from agricultural or agribusiness locations
7823115	recovery and preparation of plastic HDPE, numbered 2, from commercial or business locations
7823115	recovery and preparation of plastic HDPE, numbered 2, from governmental or institutional locations
7823115	recovery and preparation of plastic PET, numbered 1, from agricultural or agribusiness locations

7823115	recovery and preparation of plastic PET, numbered 1, from commercial or business locations
7823115	recovery and preparation of plastic PET, numbered 1, from governmental or institutional locations
7823115	recovery and preparation of plastics, numbered 3, 4, 5, 6 or 7, from agricultural or agribusiness locations
7823115	recovery and preparation of plastics, numbered 3, 4, 5, 6 or 7, from commercial or business locations
7823115	recovery and preparation of plastics, numbered 3, 4, 5, 6 or 7, from governmental or institutional locations
7823123	recovery and preparation of solvents
7823123	recovery and preparation of solvents, from industrial locations
7823123	recovery and preparation of solvents, from other businesses or non-industrial locations
7823123	recovery and preparation of used batteries
7823123	recovery and preparation of used oils
7823123	recovery and preparation of used oils, from industrial locations
7823123	recovery and preparation of used oils, from other businesses or non-industrial locations
7823115	recovery and preparation of white goods, from agricultural or agribusiness locations
7823115	recovery and preparation of white goods, from commercial or business locations
7823115	recovery and preparation of white goods, from governmental or institutional locations
7823115	recovery of recyclable materials from the non-hazardous waste stream by baling, cleaning, sorting, reducing volume and preparing for shipment
5711121	recovery operations on failed hard disks
8421211	recreational camp services bundled with related services, such as instruction or equipment
4753222	recreational drones weighing 35 kg or less
5511478	recreational drones, at wholesale
7723121	recreational facilities inspection services
4753222	recreational hexacopters weighing 35 kg or less
5511532	recreational land vehicles at wholesale
4753222	recreational model aircraft weighing 35 kg or less
4753222	recreational octocopters weighing 35 kg or less
4753222	recreational quadcopters weighing 35 kg or less
8324113	recreational sport centre services
8213151	recreational sports and rec-league coaching services (paid or unpaid)
4753222	recreational tricopters weighing 35 kg or less

8421211	recreational vehicle park and recreational camp services
8421211	recreational vehicle site rentals bundled with related services, such as sewage, water, electricity or television
3711211	rectangular connectors for electronic circuitry
3121421	rectangular tubing, steel
3812521	rectifying apparatus
3431156	rectifying plant (except for laboratory stills or food or chemical manufacturing machinery)
3431153	rectifying plant for chemical manufacturing
3431133	rectifying plant for food and beverage manufacturing
6221371	rectories
5511841	recyclable glass (as intermediate products), at wholesale
5511841	recyclable glass bottles (as intermediate products), at wholesale
5511841	recyclable glass containers (intermediate products), at wholesale
5511831	recyclable paper and paperboard (as intermediate products), at wholesale
5511842	recyclable plastic bottles (intermediate products), at wholesale
5511842	recyclable plastic containers (intermediate products), at wholesale
5511842	recyclable plastics and rubber (as intermediate products), at wholesale
5511821	recyclable scrap metal at wholesale
5511843	recyclable textile materials (as intermdiate products), at wholesale
2512311	recycled core board, tube and drum stock, in rolls, unbleached, uncoated
2512311	recycled core board, tube and drum stock, in sheets, unbleached, uncoated
2512311	recycled corrugating medium (fluting paper), in rolls, uncoated
2512311	recycled corrugating medium (fluting paper), in sheets, uncoated
2512311	recycled corrugating medium (fluting paper), semi-chemical, in rolls, uncoated
2512311	recycled electric insulating pressboard, in rolls, uncoated
2512311	recycled electric insulating pressboard, in sheets, uncoated
2512311	recycled fine paperboard, woodfree, in rolls, clay coated
2512311	recycled fine paperboard, woodfree, in sheets, clay coated
1591111	recycled glass
2512311	recycled kraft boxboard, solid bleached, woodfree, clay coated, in rolls (except converted)
2512311	recycled kraft boxboard, solid bleached, woodfree, clay coated, in sheets (except converted)

2512311	recycled kraft linerboard, in rolls, bleached, uncoated
2512311	recycled kraft linerboard, in rolls, unbleached, uncoated
2512311	recycled kraft paperboard, for converting, unbleached, uncoated
2512311	recycled kraft paperboard, for packaging, unbleached, uncoated
2512311	recycled kraft paperboard, solid bleached, in rolls, uncoated
2512311	recycled kraft paperboard, solid bleached, in sheets, uncoated
2512311	recycled kraft paperboard, unbleached, in rolls, uncoated
2512311	recycled kraft paperboard, unbleached, in sheets, uncoated
2512311	recycled kraft wrapping paperboard, unbleached, uncoated (except converted)
2512311	recycled multi-ply paperboard, liner for gypsum or plaster board, unbleached, uncoated
2512311	recycled paperboard
6221131	recycling depots, recycling plants, recycling centres, recycling facilities
6814142	recycling services for degreasing solvents (e.g., engine, machine part)
2631112	red acid dyestuffs
8515176	red cap services
1621121	red flint sand

5711114	repair services for steam collectors
5711114	repair services for superheaters
5711114	repair services for tarps
5711114	repair services for wooden pallets
6721111	repairing buildings
5711114	repairing fire extinguishers
5311221	repairs to defective parts of motor homes, travel trailers or campers
5614117	replacement pads for curling brooms at retail
7723121	report on commercial building inspection services
7723121	report on home inspection services
7712115	reporting about electronic commerce practices
7811361	reporting of personal credit ratings
7712115	reporting on application of accounting principle
7712115	reporting on computer system reliability
5314121	repositioning services for freight (cargo) aircraft
5315215	repositioning services for land transportation equipment (except road transportation vehicles)
5311116	repositioning services for motor vehicles
5314121	repositioning services for passenger aircraft
8313112	representation in performance contracts
8313112	representation in performance contracts (except when bundled with career management services)
8313112	representation in sponsorship or endorsement contracts
8313112	representation in sponsorship or endorsement contracts (except when bundled with career management services)
8313112	representation of artists in media relations contracts
8313112	representation of artists in performance contract (except when bundled with career management services)
8313112	representation of artists in performance contracts
8313112	representation of artists in sponsorship or endorsement contracts
8313112	representation of artists in sponsorship or endorsement contracts (except when bundled with career management services)
8313112	representation of artists, athletes, entertainers and other public figures in intellectual property contracts (except when bundled with career management services)
8313112	representation of artists, athletes, entertainers and other public figures in media relations contracts (except when bundled with career management services)
8313112	representation of athletes in intellectual property contracts
8313112	representation of athletes in performance contracts
8313112	representation of athletes in performance contracts (except when bundled with career management services)
8313112	representation of athletes in sponsorship or endorsement contracts
8313112	representation of athletes in sponsorship or endorsement contracts (except when bundled with career management services)
8313112	representation of entertainers in performance contracts
8313112	representation of entertainers in performance contracts (except when bundled with career management services)
8313112	representation of entertainers in sponsorship or endorsement contracts
8313112	representation of entertainers in sponsorship or endorsement contracts (except when bundled with career management services)
8313112	representation of public figures in performance contracts
8313112	representation of public figures in performance contracts (except when bundled with career management services)
8313112	representation of public figures in sponsorship or endorsement contracts

8313112	representation of public figures in sponsorship or endorsement contracts (except when bundled with career management services)
7761311	representation services in alternative dispute resolution
7761311	representation services in alternative dispute resolution related to international commercial disputes
7761311	representation services in domestic commercial dispute resolution
7761311	representation services in family law dispute mediation
7761311	representation services in insurance dispute arbitration
7761311	representation services in international commercial arbitration or mediation proceedings
7761311	representation services in labour dispute arbitration or conciliation
8313112	representation services of artists, athletes, entertainers and other public figures
5315111	representing a ship's owner or charterer in port in dealing with government authorities, port authorities, stevedores and other businesses
6814174	reproduction of content on non-optical media
6814173	reproduction of content on optical media
6814173	reproduction of video recording media (including video discs and DVD)
6814174	reproduction of video tapes
7811312	reprography services
2211311	reptile leather
2211311	reptile leather, vegetable pre-tanned
7615112	repurchase agreements
7615112	repurchase agreements services
6424151	research and experimental development services in Aboriginal law
6423131	research and experimental development services in accelerator physics
6424151	research and experimental development services in access to justice
6424121	research and experimental development services in accounting theory and standards
6423131	research and experimental development services in acoustics and acoustical devices (waves)
6423231	research and experimental development services in acoustics and noise control (except architectural acoustics)
6423121	research and experimental development services in adaptive agents and intelligent robotics
6424111	research and experimental development services in addiction
6424151	research and experimental development services in administrative law
6423231	research and experimental development services in aerodynamics
6423231	research and experimental development services in aerospace engineering
6423231	research and experimental development services in aerospace materials
6423231	research and experimental development services in aerospace structures
6424231	research and experimental development services in aesthetics
6423331	research and experimental development services in aged care nursing
6423331	research and experimental development services in aged health care
6423441	research and experimental development services in agricultural biotechnology
6423441	research and experimental development services in agricultural biotechnology diagnostics (including biosensors)
6424121	research and experimental development services in agricultural economics
6423292	research and experimental development services in agricultural engineering
6423451	research and experimental development services in agricultural hydrology (drainage, flooding, irrigation, quality, etc.)
6423411	research and experimental development services in agricultural land management
6423411	research and experimental development services in agricultural land planning
6423441	research and experimental development services in agricultural marine biotechnology
6423441	research and experimental development services in agricultural molecular engineering of nucleic acids and proteins
6423411	research and experimental development services in agricultural production systems simulation
6423411	research and experimental development services in agricultural spatial analysis and modelling
6423411	research and experimental development services in agricultural systems analysis and modelling
6423411	research and experimental development services in agriculture, forestry and fisheries
6423411	research and experimental development services in agriculture, land and farm management
6423411	research and experimental development services in agro-ecosystem function and prediction
6423411	research and experimental development services in agroforestry
6423411	research and experimental development services in agronomy

6423231	research and experimental development services in aircraft performance and flight control systems
6423111	research and experimental development services in algebra and number theory
6423111	research and experimental development services in algebraic and differential geometry
6423111	research and experimental development services in algebraic structures in mathematical physics
6423311	research and experimental development services in allergy
6423321	research and experimental development services in anaesthesiology
6423121	research and experimental development services in analysis of algorithms and complexity
6423161	research and experimental development services in analytical biochemistry
6423141	research and experimental development services in analytical chemistry
6423141	research and experimental development services in analytical spectrometry
6423421	research and experimental development services in animal and dairy science
6423161	research and experimental development services in animal behaviour
6423161	research and experimental development services in animal cell and molecular biology
6423161	research and experimental development services in animal developmental and reproductive biology
6423421	research and experimental development services in animal growth and development
6423161	research and experimental development services in animal immunology
6424151	research and experimental development services in animal law
6423421	research and experimental development services in animal management
6423431	research and experimental development services in animal microbiota
6423161	research and experimental development services in animal neurobiology
6423421	research and experimental development services in animal nutrition
6423161	research and experimental development services in animal physiological ecology
6423161	research and experimental development services in animal physiology
6423161	research and experimental development services in animal physiology, biophysics
6423161	research and experimental development services in animal physiology, cell
6423161	research and experimental development services in animal physiology, endocrinology
6423161	research and experimental development services in animal physiology, environmental stress
6423161	research and experimental development services in animal physiology, metabolism
6423161	research and experimental development services in animal physiology, respiration
6423161	research and experimental development services in animal physiology, systems
6423421	research and experimental development services in animal production
6423421	research and experimental development services in animal protection (pests and pathogens)
6423421	research and experimental development services in animal reproduction
6423161	research and experimental development services in animal structure and function
6423161	research and experimental development services in animal systematics and taxonomy
6423161	research and experimental development services in animal toxicology
6423221	research and experimental development services in antennas and propagation
6423161	research and experimental development services in anthropological genetics
6424141	research and experimental development services in anthropology
6424141	research and experimental development services in anthropology of development
6423121	research and experimental development services in applied discrete mathematics
6424231	research and experimental development services in applied ethics
6423311	research and experimental development services in applied immunology (including antibody engineering, xenotransplantation and t-cell therapies)
6424221	research and experimental development services in applied linguistics and educational linguistics
6423111	research and experimental development services in applied mathematics
6424141	research and experimental development services in applied sociology, program evaluation and social impact assessment
6423111	research and experimental development services in applied statistics
6423111	research and experimental development services in approximation theory and asymptotic methods
6423411	research and experimental development services in aquaculture
6423411	research and experimental development services in aquatic ecosystem studies and stock assessment

6424211	research and experimental development services in archaeological science
6424211	research and experimental development services in archaeology
6424211	research and experimental development services in archaeology of Asia, Africa and the Americas
6424211	research and experimental development services in archaeology of Europe, the Mediterranean and the Levant
6423211	research and experimental development services in architectural design
6423211	research and experimental development services in architectural heritage and conservation
6423211	research and experimental development services in architectural history and theory
6423211	research and experimental development services in architectural science and technology (including acoustics, lighting, structure and ecologically sustainable design)
6423211	research and experimental development services in architecture
6423211	research and experimental development services in architecture management
6424211	research and experimental development services in archival, repository and related studies
6423221	research and experimental development services in arithmetic and logic structures
6424241	research and experimental development services in art criticism
6424241	research and experimental development services in art history
6424241	research and experimental development services in art history and theory
6424241	research and experimental development services in art theory
6423121	research and experimental development services in artificial life
6423261	research and experimental development services in artificial organs engineering
6423261	research and experimental development services in artificial tissues engineering
6424241	research and experimental development services in arts (arts, history of arts, performing arts, music)
6424141	research and experimental development services in arts and cultural policy
6424211	research and experimental development services in Asian history
6424221	research and experimental development services in Asian languages
6424221	research and experimental development services in Asian literature
6424211	research and experimental development services in Asian, African and American history
6423321	research and experimental development services in assisted reproductive technologies
6423131	research and experimental development services in astrobiology
6423131	research and experimental development services in astronomical and space instrumentation
6423131	research and experimental development services in astronomical and space sciences
6423151	research and experimental development services in atmospheric aerosols
6423141	research and experimental development services in atmospheric chemistry
6423151	research and experimental development services in atmospheric composition and chemistry
6423151	research and experimental development services in atmospheric dynamics
6423151	research and experimental development services in atmospheric gases
6423151	research and experimental development services in atmospheric radiation and radiative transfer
6423151	research and experimental development services in atmospheric sciences
6423131	research and experimental development services in atomic and molecular physics
6424121	research and experimental development services in auditing and accountability
6423311	research and experimental development services in autoimmunity
6423231	research and experimental development services in automation and control engineering
6423231	research and experimental development services in automotive combustion and fuel engineering (including alternative or renewable fuels)
6423231	research and experimental development services in automotive engineering
6423231	research and experimental development services in automotive engineering materials
6423231	research and experimental development services in automotive mechatronics
6423231	research and experimental development services in automotive safety engineering
6423311	research and experimental development services in autonomic nervous system
6423231	research and experimental development services in autonomous vehicles
6423231	research and experimental development services in avionics

6423161	research and experimental development services in bacteriology
6423311	research and experimental development services in basic medicine (including life sciences)
6423311	research and experimental development services in basic pharmacology
6423151	research and experimental development services in basin analysis
6424171	research and experimental development services in behavioral geography
6423161	research and experimental development services in behavioural ecology
6424111	research and experimental development services in behavorial neuroscience of learning and memory
6423281	research and experimental development services in biocatalysis and enzyme technology
6423161	research and experimental development services in biochemistry
6423272	research and experimental development services in biodiscovery
6424231	research and experimental development services in bioethics (human and animal)
6423151	research and experimental development services in biogeochemistry and microbiology
6423161	research and experimental development services in biogeography and phylogeography
6424211	research and experimental development services in biography
6423161	research and experimental development services in bioinformatics
6423121	research and experimental development services in bioinformatics software
6423141	research and experimental development services in bioinorganic chemistry
6424141	research and experimental development services in biological (physical) anthropology
6423161	research and experimental development services in biological adaptation
6423272	research and experimental development services in biological control
6423111	research and experimental development services in biological mathematics
6423151	research and experimental development services in biological oceanography
6424111	research and experimental development services in biological psychology (neuropsychology, psychopharmacology, physiological psychology)
6423161	research and experimental development services in biological sciences
6423141	research and experimental development services in biologically active molecules
6423261	research and experimental development services in biomaterials
6423261	research and experimental development services in biomechanical engineering
6423321	research and experimental development services in biomechanics
6423261	research and experimental development services in biomedical engineering
6423261	research and experimental development services in biomedical instrumentation
6423141	research and experimental development services in biomolecular modelling and design
6423161	research and experimental development services in biophysics
6423281	research and experimental development services in bioprocessing, bioproduction and bioproducts
6423272	research and experimental development services in bioremediation
6423111	research and experimental development services in biostatistics
6424221	research and experimental development services in British and Irish literature
6424211	research and experimental development services in British history
6423221	research and experimental development services in broadband and modem technology
6423211	research and experimental development services in building construction management and project planning
6423211	research and experimental development services in building science and techniques
6424121	research and experimental development services in business and administration studies
6424231	research and experimental development services in business and labour history
6424231	research and experimental development services in business ethics
6424121	research and experimental development services in business information management (including records, knowledge and information management, and intelligence)
6424121	research and experimental development services in business information systems
6424121	research and experimental development services in business strategy
6423111	research and experimental development services in calculus of variations, systems theory and control theory
6424161	research and experimental development services in canadian government and politics
6423321	research and experimental development services in cancer cell biology

6423321	research and experimental development services in cancer diagnosis
6423311	research and experimental development services in cancer genetics
6423311	research and experimental development services in cancer study
6423321	research and experimental development services in cancer therapy (except cancer genetics)
6423141	research and experimental development services in carbohydrate chemistry
6423241	research and experimental development services in carbon capture engineering (except sequestration)
6423151	research and experimental development services in carbon sequestration science
6423311	research and experimental development services in cardiology (including cardiovascular diseases)
6423321	research and experimental development services in cardiorespiratory medicine and hematology
6423331	research and experimental development services in care with disabilities
6423271	research and experimental development services in cartography
6423141	research and experimental development services in catalysis and mechanisms of reactions
6423241	research and experimental development services in catalytic process engineering
6423111	research and experimental development services in category theory, k theory, homological algebra
6424141	research and experimental development services in causes and prevention of crime
6423161	research and experimental development services in cell and nuclear division
6423161	research and experimental development services in cell biology
6423161	research and experimental development services in cell development, proliferation and death
6423161	research and experimental development services in cell metabolism
6423161	research and experimental development services in cell neurochemistry
6423311	research and experimental development services in cell physiology
6423311	research and experimental development services in cellular immunology
6423161	research and experimental development services in cellular interactions (including adhesion, matrix, cell wall)
6423311	research and experimental development services in cellular nervous system
6424221	research and experimental development services in Central and Eastern European languages (including Russian)
6424221	research and experimental development services in central and eastern european literature (including Russian)
6423311	research and experimental development services in central nervous system
6423251	research and experimental development services in ceramics
6423141	research and experimental development services in characterisation of biological macromolecules
6423141	research and experimental development services in chemical characterisation of materials
6423241	research and experimental development services in chemical engineering
6423241	research and experimental development services in chemical engineering design
6423151	research and experimental development services in chemical oceanography
6423141	research and experimental development services in chemical sciences
6423141	research and experimental development services in chemical thermodynamics and energetics
6423141	research and experimental development services in cheminformatics and quantitative structure-activity relationships
6423321	research and experimental development services in chemotherapy
6424151	research and experimental development services in children law
6424221	research and experimental development services in Chinese languages
6424221	research and experimental development services in Chinese literature
6423321	research and experimental development services in chiropractic
6424231	research and experimental development services in christian studies (including biblical studies and church history)
6424181	research and experimental development services in cinema studies
6423221	research and experimental development services in circuits and systems
6424161	research and experimental development services in citizenship
6423211	research and experimental development services in civil engineering
6423211	research and experimental development services in civil geotechnical engineering
6424151	research and experimental development services in civil law and procedures
6424151	research and experimental development services in civil procedures and class actions

6423131	research and experimental development services in classical and physical optics
6424211	research and experimental development services in classical Greek and Roman history
6423131	research and experimental development services in classical physics
6423151	research and experimental development services in climate change processes
6423151	research and experimental development services in climatology
6423321	research and experimental development services in clinical chemistry (diagnostics)
6424151	research and experimental development services in clinical law
6423321	research and experimental development services in clinical medicine
6423321	research and experimental development services in clinical microbiology
6423331	research and experimental development services in clinical nursing, primary (preventative) care
6423331	research and experimental development services in clinical nursing, secondary care (acute care)
6423331	research and experimental development services in clinical nursing, tertiary care (rehabilitative)
6423331	research and experimental development services in clinical nutrition
6423321	research and experimental development services in clinical pharmacology and therapeutics
6423321	research and experimental development services in clinical pharmacy and pharmacy practice
6423321	research and experimental development services in clinical sciences
6424141	research and experimental development services in clinical social work practice
6423151	research and experimental development services in cloud physics
6423121	research and experimental development services in coding and information theory
6423141	research and experimental development services in colloid and surface chemistry
6423111	research and experimental development services in combinatorics and discrete mathematics (except physical combinatorics)
6424151	research and experimental development services in commercial and contract law
6424181	research and experimental development services in communication studies
6424181	research and experimental development services in communication technology and digital media studies
6424141	research and experimental development services in communications and media policy
6424181	research and experimental development services in communications and media studies
6423221	research and experimental development services in communications technologies
6423331	research and experimental development services in community child health
6423161	research and experimental development services in community ecology (except invasive species ecology)
6424171	research and experimental development services in community planning
6424131	research and experimental development services in comparative and cross-cultural education
6424121	research and experimental development services in comparative economic systems
6424161	research and experimental development services in comparative government and politics
6424221	research and experimental development services in comparative language studies
6424151	research and experimental development services in comparative law
6424221	research and experimental development services in comparative literature studies
6423161	research and experimental development services in comparative physiology
6424231	research and experimental development services in comparative religious studies
6424151	research and experimental development services in competition and anti-trust law
6423321	research and experimental development services in complementary and alternative medicine
6423131	research and experimental development services in complex physical systems
6423251	research and experimental development services in composite and hybrid materials
6423251	research and experimental development services in compound semiconductors
6423121	research and experimental development services in computation theory and mathematics
6423292	research and experimental development services in computational fluid dynamics
6423292	research and experimental development services in computational heat transfer
6424221	research and experimental development services in computational linguistics
6423121	research and experimental development services in computational logic and formal languages

6423121	research and experimental development services in computational neural network modeling
6423121	research and experimental development services in computational neuroscience
6423311	research and experimental development services in computational neurosciences
6423311	research and experimental development services in computational physiology
6423121	research and experimental development services in computational probability and statistics
6423121	research and experimental development services in computer and information sciences
6423221	research and experimental development services in computer communications networks
6423121	research and experimental development services in computer games and computer-gaming software
6424181	research and experimental development services in computer gaming and animation
6423121	research and experimental development services in computer graphics
6423221	research and experimental development services in computer hardware
6424111	research and experimental development services in computer perception, memory and attention
6423121	research and experimental development services in computer software
6423121	research and experimental development services in computer system architecture (hardware)
6423121	research and experimental development services in computer system security
6423121	research and experimental development services in computer user modeling and personalization
6423121	research and experimental development services in computer vision
6423231	research and experimental development services in computer-aided design (CAD) and computer-aided manufacturing (CAM) systems
6423121	research and experimental development services in computing methodologies
6423121	research and experimental development services in computing spatial-temporal systems
6424221	research and experimental development services in comtemporary literature
6423121	research and experimental development services in conceptual modelling
6423121	research and experimental development services in concurrent programming
6423131	research and experimental development services in condensed matter characterisation technique development
6423131	research and experimental development services in condensed matter imaging
6423131	research and experimental development services in condensed matter modelling and density functional theory
6423131	research and experimental development services in condensed matter physics
6424151	research and experimental development services in conflict of laws (private international law)
6423151	research and experimental development services in conservation and biodiversity
6424151	research and experimental development services in constitutional law
6423211	research and experimental development services in construction engineering
6423211	research and experimental development services in construction materials
6424121	research and experimental development services in consumer behaviour
6424121	research and experimental development services in consumer-oriented product or service development
6424251	research and experimental development services in consumption and everyday life
6424131	research and experimental development services in continuing and community education
6423121	research and experimental development services in control methods (artificial intelligence)
6423221	research and experimental development services in control systems, robotics and automation
6424121	research and experimental development services in corporate governance and stakeholder engagement
6424151	research and experimental development services in corporations and associations law
6424141	research and experimental development services in correctional theory, offender treatment and rehabilitation
6423131	research and experimental development services in cosmology and extragalactic astronomy
6424141	research and experimental development services in counselling, welfare and community services
6424141	research and experimental development services in courts and sentencing
6424241	research and experimental development services in crafts

6424131	research and experimental development services in creative arts, media and communication curriculum and pedagogy
6424241	research and experimental development services in creative writing (including playwriting)
6424141	research and experimental development services in crime policy
6424151	research and experimental development services in criminal law and procedures
6424141	research and experimental development services in criminological theories
6424141	research and experimental development services in criminology
6423411	research and experimental development services in crop and pasture biochemistry and physiology
6423411	research and experimental development services in crop and pasture biomass and bioproducts
6423411	research and experimental development services in crop and pasture improvement (selection and breeding)
6423411	research and experimental development services in crop and pasture nutrition
6423411	research and experimental development services in crop and pasture post harvest technologies (including transportation and storage)
6423411	research and experimental development services in crop and pasture production
6423411	research and experimental development services in crop and pasture protection (pests, diseases and weeds)
6424121	research and experimental development services in cross-sectional analysis
6424251	research and experimental development services in cultural studies
6424251	research and experimental development services in cultural theory
6424251	research and experimental development services in culture, gender, sexuality
6424241	research and experimental development services in curatorial and related studies
6424131	research and experimental development services in curriculum and pedagogy
6424131	research and experimental development services in curriculum and pedagogy of English as a second language (ESL), teaching of English to speakers of other languages (TESOL) and languages other than English (LOTE)
6424131	research and experimental development services in curriculum and pedagogy theory and development
6424241	research and experimental development services in dance
6423221	research and experimental development services in data communications
6423121	research and experimental development services in data encryption
6423121	research and experimental development services in data format
6423121	research and experimental development services in data structures
6423121	research and experimental development services in database management
6424111	research and experimental development services in decision making
6423121	research and experimental development services in decision support and group support systems
6424231	research and experimental development services in decision theory
6424161	research and experimental development services in defence studies
6423131	research and experimental development services in degenerate quantum gases and atom optics
6424141	research and experimental development services in demography
6423321	research and experimental development services in dental materials and equipment
6423321	research and experimental development services in dental therapeutics, pharmacology and toxicology
6423321	research and experimental development services in dentistry and oral health
6423321	research and experimental development services in dermatology
6423211	research and experimental development services in design history and theory
6423211	research and experimental development services in design innovation
6423211	research and experimental development services in design management and studio and professional practice
6423211	research and experimental development services in design practice and management
6423161	research and experimental development services in developmental genetics (including sex determination)
6424111	research and experimental development services in developmental psychology and ageing
6423321	research and experimental development services in diabetes
6423331	research and experimental development services in dietetics and nutrigenomics
6423211	research and experimental development services in digital and interaction design
6424221	research and experimental development services in discourse and pragmatics

6424131	research and experimental development services in distance learning (telelearning)
6423121	research and experimental development services in distributed and parallel computing
6423121	research and experimental development services in distributed artificial intelligence (AI)
6423121	research and experimental development services in distributed systems (computing)
6423121	research and experimental development services in distributed systems organizing principles (e.g., cloud, client-server, grid computing, web-based)
6424241	research and experimental development services in drama, theatre and performance studies
6423111	research and experimental development services in dynamical systems in applications
6423231	research and experimental development services in dynamics, vibration and vibration control
6424221	research and experimental development services in early English languages
6423151	research and experimental development services in earth and related environmental sciences
6423211	research and experimental development services in earthquake engineering

6424121	research and experimental development services in environment and resource economics
6424141	research and experimental development services in environment policy
6424151	research and experimental development services in environmental and natural resources law
6423331	research and experimental development services in environmental and occupational health and safety
6423272	research and experimental development services in environmental biotechnology
6423272	research and experimental development services in environmental biotechnology diagnostics (including biosensors)
6423141	research and experimental development services in environmental chemistry
6423151	research and experimental development services in environmental education and extension
6423271	research and experimental development services in environmental engineering
6423271	research and experimental development services in environmental engineering design
6423271	research and experimental development services in environmental engineering modelling
6424171	research and experimental development services in environmental geography
6423151	research and experimental development services in environmental impact assessment
6423151	research and experimental development services in environmental management
6423272	research and experimental development services in environmental marine biotechnology
6423161	research and experimental development services in environmental metagenomics
6423272	research and experimental development services in environmental molecular engineering of nucleic acids and proteins
6423151	research and experimental development services in environmental monitoring
6423291	research and experimental development services in environmental nanotechnology
6424231	research and experimental development services in environmental philosophy
6423151	research and experimental development services in environmental rehabilitation (except bioremediation)
6423151	research and experimental development services in environmental science and management
6424141	research and experimental development services in environmental sociology
6423271	research and experimental development services in environmental technologies
6423331	research and experimental development services in environment-gene interactions
6423161	research and experimental development services in enzymes
6423331	research and experimental development services in epidemiology
6423161	research and experimental development services in epigenetics (including genome methylation and epigenomics)
6424231	research and experimental development services in epistemology
6424151	research and experimental development services in equity and trusts law
6423331	research and experimental development services in ethical issues related health care sercices or access
6424231	research and experimental development services in ethical theory
6424231	research and experimental development services in ethical use of new technology (e.g., nanotechnology, biotechnology)
6423161	research and experimental development services in ethology and sociobiology
6424211	research and experimental development services in European history

6424151	research and experimental development services in evidence law
6423161	research and experimental development services in evolution
6423161	research and experimental development services in evolution of developmental systems
6423161	research and experimental development services in evolutionary impacts of climate change
6423321	research and experimental development services in exercise physiology
6424121	research and experimental development services in experimental economics
6423121	research and experimental development services in expert systems
6423151	research and experimental development services in exploration geochemistry
6423151	research and experimental development services in extraterrestrial geology
6424141	research and experimental development services in family and household studies
6423331	research and experimental development services in family care
6424151	research and experimental development services in family law
6423411	research and experimental development services in farm management, rural management and agribusiness
6423411	research and experimental development services in farming systems research
6423141	research and experimental development services in f-block chemistry
6424231	research and experimental development services in feminist theory
6423281	research and experimental development services in fermentation
6423451	research and experimental development services in fertilisers and agrochemicals (including application)
6424141	research and experimental development services in fertility
6423131	research and experimental development services in field theory and string theory
6424181	research and experimental development services in film and television
6424181	research and experimental development services in film, television and digital media
6424121	research and experimental development services in finance
6424121	research and experimental development services in financial accounting
6424121	research and experimental development services in financial econometrics
6424121	research and experimental development services in financial economics
6424121	research and experimental development services in financial institutions (including banking)
6423111	research and experimental development services in financial mathematics
6424241	research and experimental development services in fine arts (including sculpture and painting)
6423411	research and experimental development services in fish pests and diseases
6423411	research and experimental development services in fish physiology and genetics
6423411	research and experimental development services in fisheries management
6423411	research and experimental development services in fisheries sciences
6423231	research and experimental development services in flexible manufacturing systems
6423231	research and experimental development services in flight dynamics
6423141	research and experimental development services in flow analysis (chemistry)
6423131	research and experimental development services in fluid physics
6423292	research and experimental development services in fluidisation and fluid mechanics
6423321	research and experimental development services in foetal development and medicine
6424121	research and experimental development services in food and hospitality services
6423441	research and experimental development services in food biotechnology
6423441	research and experimental development services in food chemistry and molecular gastronomy
6423441	research and experimental development services in food engineering
6423441	research and experimental development services in food nutritional balance
6423441	research and experimental development services in food packaging, preservation and safety
6423441	research and experimental development services in food processing
6423441	research and experimental development services in food sciences
6423331	research and experimental development services in food security
6424151	research and experimental development services in foreign law
6424141	research and experimental development services in forensic anthropology
6423161	research and experimental development services in forensic biology
6423141	research and experimental development services in forensic chemistry

6424111	research and experimental development services in forensic psychology
6423111	research and experimental development services in forensic statistics
6423411	research and experimental development services in forestry biomass and bioproducts
6423411	research and experimental development services in forestry fire management
6423411	research and experimental development services in forestry management and environment
6423411	research and experimental development services in forestry pests, health and diseases
6423411	research and experimental development services in forestry product quality assessment
6423411	research and experimental development services in forestry sciences
6423141	research and experimental development services in free radical chemistry
6424221	research and experimental development services in French language
6424221	research and experimental development services in French literature
6423161	research and experimental development services in freshwater ecology
6423251	research and experimental development services in functional materials
6423131	research and experimental development services in galactic astronomy
6423321	research and experimental development services in gastroenterology
6424111	research and experimental development services in gender psychology
6424141	research and experimental development services in gender specific studies
6424131	research and experimental development services in gender, sexuality and education
6423341	research and experimental development services in gene and molecular therapy
6423161	research and experimental development services in gene expression (including microarray and other genome-wide approaches)
6423161	research and experimental development services in gene networks
6423131	research and experimental development services in general relativity and gravitational waves
6423161	research and experimental development services in genetic immunology
6423441	research and experimental development services in genetically modified animals
6423441	research and experimental development services in genetically modified field crops and pasture
6423441	research and experimental development services in genetically modified horticulture plants
6423441	research and experimental development services in genetically modified trees
6423161	research and experimental development services in genetics
6423161	research and experimental development services in genome structure and regulation
6423161	research and experimental development services in genomics
6423151	research and experimental development services in geochemistry
6423151	research and experimental development services in geochronology
6423271	research and experimental development services in geodesy
6423151	research and experimental development services in geodynamics
6424171	research and experimental development services in geographic information science
6423271	research and experimental development services in geomatic engineering
6423271	research and experimental development services in geomatic surveying (including hydrographic surveying)
6423271	research and experimental development services in geomechanics and resources geotechnical engineering
6423151	research and experimental development services in geomorphology and regolith and landscape evolution
6423151	research and experimental development services in geophysical fluid dynamics
6423151	research and experimental development services in geophysics
6423271	research and experimental development services in geospatial information systems
6423151	research and experimental development services in geothermics and radiometrics
6423321	research and experimental development services in geriatrics and gerontology
6424221	research and experimental development services in German language
6424221	research and experimental development services in German literature
6423151	research and experimental development services in glaciology
6423251	research and experimental development services in glass
6423311	research and experimental development services in glial cells
6423161	research and experimental development services in global change biology
6423121	research and experimental development services in global information systems

6424251	research and experimental development services in globalisation and culture
6423141	research and experimental development services in glycochemistry
6423151	research and experimental development services in gravimetrics
6423151	research and experimental development services in greenhouse gases and carbon cycle studies
6423111	research and experimental development services in group theory and generalisations
6423321	research and experimental development services in haematological tumours
6423311	research and experimental development services in haematology
6423331	research and experimental development services in health and community services
6423331	research and experimental development services in health care access privilege or marginalization
6423331	research and experimental development services in health care administration
6423331	research and experimental development services in health counselling
6424121	research and experimental development services in health economics
6424171	research and experimental development services in health geography
6423121	research and experimental development services in health informatics
6423331	research and experimental development services in health information systems (including surveillance)
6424141	research and experimental development services in health policy
6423331	research and experimental development services in health promotion and disease prevention
6423331	research and experimental development services in health sciences
6423331	research and experimental development services in health services and systems
6424111	research and experimental development services in health, clinical and counselling psychology
6423292	research and experimental development services in heat and mass transfer operations
6423321	research and experimental development services in hepatology
6424211	research and experimental development services in heritage and cultural conservation
6424231	research and experimental development services in hermeneutic and critical theory
6424121	research and experimental development services in heterodox economics
6424121	research and experimental development services in high dimensional analysis
6423131	research and experimental development services in high energy astrophysics (cosmic rays)
6424131	research and experimental development services in higher education
6424211	research and experimental development services in historical and archaeology
6424211	research and experimental development services in historical archaeology (including industrial archaeology)
6424171	research and experimental development services in historical geography
6424211	research and experimental development services in historical studies
6424231	research and experimental development services in history and philosophy of education
6424231	research and experimental development services in history and philosophy of engineering and technology
6424231	research and experimental development services in history and philosophy of law and justice
6424231	research and experimental development services in history and philosophy of medicine
6424231	research and experimental development services in history and philosophy of science (including non-historical philosophy of science)
6424231	research and experimental development services in history and philosophy of specific fields
6424231	research and experimental development services in history and philosophy of the humanities
6424231	research and experimental development services in history and philosophy of the social sciences
6424171	research and experimental development services in history and theory of the built environment (except architecture)
6424121	research and experimental development services in history of economic thought
6424231	research and experimental development services in history of ideas
6424231	research and experimental development services in history of philosophy
6423411	research and experimental development services in horticultural crop growth and development
6423411	research and experimental development services in horticultural crop improvement (selection and breeding)

6423411	research and experimental development services in horticultural crop protection (pests, diseases and weeds)
6423411	research and experimental development services in horticultural production
6424121	research and experimental development services in hospitality management
6423161	research and experimental development services in host-parasite interactions
6424171	research and experimental development services in housing markets, development, management
6423311	research and experimental development services in human biophysics
6423121	research and experimental development services in human computer interaction (HCI)
6424171	research and experimental development services in human geography
6423121	research and experimental development services in human information behaviour
6424121	research and experimental development services in human resources management
6424231	research and experimental development services in human rights and justice issues
6424151	research and experimental development services in human rights law
6423121	research and experimental development services in human-centered computing
6423421	research and experimental development services in humane animal treatment
6424131	research and experimental development services in humanities and social sciences curriculum and pedagogy
6423311	research and experimental development services in humoural immunology and immunochemistry
6423231	research and experimental development services in hybrid vehicles and powertrains
6423151	research and experimental development services in hydrogeology
6423271	research and experimental development services in hydrometallurgy
6423231	research and experimental development services in hypersonic propulsion and hypersonic aerodynamics
6424221	research and experimental development services in Iberian languages
6423151	research and experimental development services in igneous and metamorphic petrology
6423121	research and experimental development services in image processing
6424151	research and experimental development services in immigration, refugee and citizenship law
6423311	research and experimental development services in immunogenetics
6423141	research and experimental development services in immunological and bioassay methods
6423311	research and experimental development services in immunology
6424121	research and experimental development services in impacts of tourism
6424221	research and experimental development services in Indian languages
6424221	research and experimental development services in Indian literature
6424151	research and experimental development services in Indigenous law

6423131	research and experimental development services in particle theory
6423321	research and experimental development services in pathology (except plant pathology and veterinary pathology)
6423121	research and experimental development services in pattern recognition and data mining
6424241	research and experimental development services in performance and installation art
6423221	research and experimental development services in performance evaluation; testing and simulation of reliability
6424241	research and experimental development services in performing arts and creative writing
6423321	research and experimental development services in periodontics
6423311	research and experimental development services in peripheral nervous system
6424111	research and experimental development services in personality, abilities and assessment
6423121	research and experimental development services in persuasive technology
6423151	research and experimental development services in petroleum and coal geology
6423271	research and experimental development services in petroleum and reservoir engineering
6423151	research and experimental development services in petrolum, gas, and coal geology
6423311	research and experimental development services in pharmaceutical sciences
6423311	research and experimental development services in pharmacogenomics
6423311	research and experimental development services in pharmacology and pharmaceutical sciences
6424231	research and experimental development services in phenomenology
6424231	research and experimental development services in philosophical psychology (including moral psychology and philosophy of action)
6424231	research and experimental development services in philosophy of cognition
6424231	research and experimental development services in philosophy of language
6424231	research and experimental development services in philosophy of mind
6424231	research and experimental development services in philosophy of race
6424231	research and experimental development services in philosophy of religion
6424231	research and experimental development services in philosophy of specific cultures (including comparative philosophy)
6424231	research and experimental development services in philosophy of violence
6424231	research and experimental development services in philosophy, ethics and religion
6423221	research and experimental development services in photodetectors, optical sensors and solar cells
6423271	research and experimental development services in photogrammetry and remote sensing

6423221	research and experimental development services in photonics and electro-optical engineering (except optical communications)
6423131	research and experimental development services in photonics, optoelectronics and optical communications
6423161	research and experimental development services in phycology (including marine grasses)
6423161	research and experimental development services in phylogeny and comparative analysis
6423141	research and experimental development services in physical chemistry (including structural)
6423141	research and experimental development services in physical chemistry of materials
6424131	research and experimental development services in physical education and development curriculum and pedagogy
6423151	research and experimental development services in physical geography and environmental geoscience
6423151	research and experimental development services in physical oceanography
6423141	research and experimental development services in physical organic chemistry
6423131	research and experimental development services in physical sciences
6423321	research and experimental development services in physiotherapy
6423131	research and experimental development services in planetary science (except extraterrestrial geology)
6423121	research and experimental development services in planning and scheduling (artificial intelligence)
6423161	research and experimental development services in plant biology
6423161	research and experimental development services in plant cell and molecular biology
6423161	research and experimental development services in plant developmental and reproductive biology
6423161	research and experimental development services in plant environmental stress
6423161	research and experimental development services in plant hormone biology
6423161	research and experimental development services in plant pathology
6423161	research and experimental development services in plant physiology
6423161	research and experimental development services in plant systematics and taxonomy
6423131	research and experimental development services in plasma physics (fusion plasmas; electrical discharges)
6423321	research and experimental development services in podiatry
6424141	research and experimental development services in police administration, procedures and practice
6424141	research and experimental development services in policy and administration
6424171	research and experimental development services in political geography
6424161	research and experimental development services in political science
6424161	research and experimental development services in political theory and political philosophy
6423141	research and experimental development services in polymerisation mechanisms
6423251	research and experimental development services in polymers and plastics
6423161	research and experimental development services in population ecology
6424171	research and experimental development services in population geography
6424141	research and experimental development services in population trends and policies
6423161	research and experimental development services in population, ecological and evolutionary genetics
6423411	research and experimental development services in post harvest horticultural technologies (including transportation and storage)
6424221	research and experimental development services in post-colonialism
6423411	research and experimental development services in post-harvest fisheries technologies (including transportation)
6424231	research and experimental development services in poststructuralism
6423241	research and experimental development services in powder and particle technology
6423221	research and experimental development services in power and energy systems engineering
6423231	research and experimental development services in precision engineering
6423331	research and experimental development services in preventive medicine
6424121	research and experimental development services in pricing (including consumer value estimation)
6423331	research and experimental development services in primary health care
6424141	research and experimental development services in private policing and security services
6423111	research and experimental development services in probability theory

6423241	research and experimental development services in process control and simulation (chemical engineering)
6423221	research and experimental development services in processor architectures
6424231	research and experimental development services in professional ethics (including police and research ethics)
6424221	research and experimental development services in professional writing
6423121	research and experimental development services in programming languages
6424151	research and experimental development services in property law
6423161	research and experimental development services in protein networks
6423161	research and experimental development services in protein trafficking
6423141	research and experimental development services in proteins and peptides
6423161	research and experimental development services in proteomics and intermolecular interactions (except medical proteomics)
6423321	research and experimental development services in psychiatry (including psychotherapy)
6424231	research and experimental development services in psychoanalytic philosophy
6424111	research and experimental development services in psychological methodology, design and analysis
6424111	research and experimental development services in psychology and cognitive sciences
6424111	research and experimental development services in psychology of religion
6424141	research and experimental development services in public administration
6424121	research and experimental development services in public economics, public choice
6424121	research and experimental development services in public economics, publically provided goods
6424121	research and experimental development services in public economics, taxation and revenue
6423331	research and experimental development services in public health and safety
6423331	research and experimental development services in public nutrition intervention
6424141	research and experimental development services in public policy
6423111	research and experimental development services in pure mathematics
6423271	research and experimental development services in pyrometallurgy
6423141	research and experimental development services in quality assurance, chemometrics, traceability and metrological chemistry
6424121	research and experimental development services in quality management
6423161	research and experimental development services in quantitative genetics (including disease and trait mapping genetics)
6423211	research and experimental development services in quantity surveying
6423141	research and experimental development services in quantum chemistry
6423121	research and experimental development services in quantum computing
6423131	research and experimental development services in quantum information, computation and communication
6423131	research and experimental development services in quantum optics
6423131	research and experimental development services in quantum physics
6423151	research and experimental development services in quaternary environments
6424141	research and experimental development services in race and ethnic relations
6423141	research and experimental development services in radiation and matter
6423321	research and experimental development services in radiation therapy
6423321	research and experimental development services in radiology and organ imaging
6424121	research and experimental development services in rail transportation and freight services
6423141	research and experimental development services in reaction kinetics and dynamics
6423111	research and experimental development services in real and complex functions (including several variables)
6424121	research and experimental development services in real estate and valuation services
6423121	research and experimental development services in real-time software and ultra-large systems
6423161	research and experimental development services in receptors and membrane biology
6423121	research and experimental development services in recommender systems
6423121	research and experimental development services in records and information management (except business records and information management)
6424171	research and experimental development services in recreation, leisure and tourism geography

6423341	research and experimental development services in regenerative medicine (including stem cells and tissue engineering)
6424171	research and experimental development services in regional analysis and development
6424171	research and experimental development services in regional geography
6423321	research and experimental development services in rehabilitation and therapy
6423261	research and experimental development services in rehabilitation engineering
6423321	research and experimental development services in rehabilitation medicine
